# The Use Of

Harsh, drastic purgatives to relieve consti-  
tiveness is a dangerous practice, and more liable  
to fasten the disease on the patient than to  
cure it. What is needed is a medicine that,  
in effectually opening the bowels, corrects  
the costive habit and establishes a natural  
daily action. Such an aperient is found in

## Ayer's Pills,

which, while thorough in action, strengthen  
as well as stimulate the bowels and excretory  
organs.

"For eight years I was afflicted with con-  
stipation, which at last became so bad that  
the doctors could do no more for me. Then  
I began to take Ayer's Pills, and soon the  
bowels became regular and natural in their  
movements. I am now in excellent health."  
—Wm. H. DeLaunet, Dorset, Ont.

"When I feel the need of a cathartic, I  
take Ayer's Pills, and find them to be more

## Effective

than any other pill I ever took."—Mrs. E. C.  
Grubb, Burwellville, Va.  
"For years I have been subject to consti-  
pation and nervous headaches, caused by de-  
rangement of the liver. After taking various  
remedies, I have become convinced that  
Ayer's Pills are the best. They have never  
failed to relieve my bilious attacks in a short  
time, and I am sure my system retains its  
tone longer after the use of these Pills, than  
has been the case with any other medicine I  
have tried."—H. S. Sledge, Weimar, Texas.

## Ayer's Pills,

PREPARED BY

## CHEAP TURKISH BATHS.

A CLEVER GIRL'S SCHEME FOR  
STEAM BATHING AT HOME.

An Old Chair, Pieces of Cast Off Water-  
proofs, Alcohol and Feminine Ingenuity  
Form an Interesting Combination—The  
Details of Her Method.

"During the winter I do not have the  
enthusiasm about bathing that I do the  
very first warm spring day," said a girl  
to a friend of hers one pleasant day;  
"and then the baths cost so much."

"Yes, I have learned that to my sor-  
row. The bath itself is always one dol-  
lar, a bit of cracker and a taste of wine  
is half as much more, and then my bangs  
are straight when I am through, but I  
have solved the problem now."

"How? So it won't cost so much? Oh,  
do tell us all."

"Oh, I have rigged up a Turkish bath  
which only costs a cent an hour."

"For goodness sake where? I thought  
you lived in a flat."

"I have it in my room where I can sit  
and steam away all day, if I choose, with-  
out disturbance."

"But doesn't it take up lots of room?"  
"Oh, no, not at all."

"Then just sit down and tell us all  
about it."

"I took a low seated, high backed  
grandfather's chair, which mother had  
banished from the parlor, because you  
know every one has one now, and nailed  
narrow strips of wood in such a manner  
as to form a canopy-like top to it. Then,  
you know, like every one else, I had sev-  
eral old mackintoshes or gossamers in  
the old clothes closet, which from hav-  
ing sprung a leak about the shoulder or  
like cause had been thrown aside.

"Cutting out the best parts of these, I  
bound the edges of several pieces I had  
fitted to the frame with tape, and in the  
corners and at intervals along the edges  
made strong button holes and fastened  
the whole by means of these to nail  
heads I had left projecting about one-  
half inch from the framework. These  
pieces can be buttoned on and taken off  
in a few moments. When on the back  
and sides of the chair and top, being  
covered squarely and neatly, look like a  
high box. In front another piece falls  
down to the seat, with a small piece like  
a little window cut out of the middle to  
breathe through.

"This being finished, you want a small  
foot tub placed in front of the chair and  
filled, when you are ready to use it, with  
hot water.

"I think every one should have in her  
room a one burner oil stove or a small  
gas stove, by means of which one may  
have water that is not only hot, but boil-  
ing, at will.

"Place such a one on a chair at hand,  
with a pan of hot water with which to  
keep that in the foot tub replenished. If  
you have not a shower bath, have ready  
cold water for a lightning sponge bath.  
Place a linen rag in a saucer and pour  
on it a teaspoonful of alcohol and set be-  
neath the chair."

"Oh, yes; I tried that once when I had  
a bad cold coming on and I nearly roasted  
myself."

"Oh, but if you just tack a piece of  
cardboard on the front of the chair, just  
wide enough to protect the limbs from  
the blaze and have the seat of wood, or  
else well padded, you will have no  
trouble.

"It is a bother to get all these things  
together, but once having done so it is  
best to put them away in such a manner  
as to be easily accessible.

"Notice how all evidence of it may be  
disposed of afterward. The pieces but-  
toned on to the nail heads may be taken  
off in a moment, the steam wiped off  
the waterproof surface, and they may be  
aired at the window while you are  
picking up the other things.

IT TAKES UP LITTLE ROOM.  
"When emptied the tub must be thor-  
oughly dried over the register, the bath  
towels and wraps put away. A neat  
drapery of muslin or heavier stuff may  
be arranged like a canopy about the  
chair, and a dainty cushion and valance  
will conceal the tub in which the folded  
pieces of mackintosh are laid, and the  
whole may be stowed away beneath the  
chair."

"It is obvious that if the chair is not  
available a simple framework could be  
made up by a carpenter at low cost, or  
a bright girl with a large bedroom or  
bathroom at command could utilize two  
packing boxes for the same purpose with  
better effect, if any, than the chair bath,  
although the almost hopeless ugliness of  
two packing boxes is a drawback.

"Then I burn another teaspoonful of  
alcohol, and when I get well warmed up  
in the hot air I take a quick bath in cold  
water, into which I have put a prepara-  
tion of gum benzoin, then with a quick  
rubbing with a coarse towel I jump into  
my bath blanket and into bed for a nap."

—New York World.

Train Is Right.  
Mrs. Binks—George Francis Train  
says that people will wake up some  
morning and find that Jay Gould has  
lost every dollar.

Mr. Binks—That's so, every word of it.  
"My goodness! When will it be, do  
you think?"

"When he dies."—New York Weekly.

## "Spitting" a Neighbor.

The workmen employed at one of the
