OHIO FOR MAC.

OHIO AGAIN IN THE REPUBLICAN COLUMN.

William McKinley, Jr., Elected by a Plurality Estimated at 20,000.

The Policy of Protection and Honest Money Indorsed and Sherman's Re-election Assured.

TAMMANY WINS IN NEW YORK.

Wheeler Gains Steadily in Iowa and His Election is Almost Certain.

Republicans Successful in Pennsylvania—Virginia and Maryland Democratic—Republicans Jubilant and Democrats Despondent.

The election of McKinley in Ohio is not a surprise to the country, as the unmistakable evidence of his popularity together with the beneficial result accruing from the operation of the new tariff law, has indicated several weeks since, that he would be triumphantly elected.

Gov. Campbell concedes the election of McKinley by 15,000 plurality. There is no doubt that the republicans have carried the legislature, which insures the election of a U. S. senator to succeed Senator Sherman. Major McKinley has practically made the fight on the tariff issue. It appears to be conclusive that after a reasonably fair trial the voters of Ohio are ready to endorse the measure. Sherman has pushed the issue of free coinage of silver and it is evident, since Ohio will return him to the senate, that she speaks in no unmistakable language concerning that issue.

New York Goes Democratic. Indications point to the election of Flower (dem.) by a plurality of 23,000. The returns are not complete, however, and the official returns will probably show gains for Fasset.

The democrats have probably elected the legislature by a majority of three on joint ballot. The result was not of national significance as the fight was purely local.

WHEELER GAINS IN IOWA.

A Heavy Vote Polled and Returns Come in Slowly.

The campaign just closed in Iowa has been the most exciting in the history of the state. The fight has been made, almost wholly, on the prohibition question. The republicans are confident that their entire state ticket is elected, though the returns are so meagre that a definite result cannot be determined. It is event that Wheeler has made steady gains in almost every precinct heard from thus far.

Four precincts out of a total of 1,941 give a net gain to Wheeler, republican, of 84.

IOWA CITY, IA.—Five precincts of Johnson county give Boies 570, against 456 two years ago.

BOONE, IA., Nov. 3.—The five wards of this gave Boies 128 majority out of a total vote of about 1,400.

WATERLOO, IA., Nov. 3.—Complete returns from Waterloo City, Governor Boies' home, give Wheeler 1,151; Boies 887. The same precincts in 1889 gave Hutchinson 850; Boies 742.

CEDAR RAPIDS, IA., Nov. 3.—Reports just received from Benton county says that the county will go 200 more democratic than in 1889.

BURLINGTON, IA., Nov. 3.—Returns from the city election so far indicate for Wheeler.

ALGONA, IA., Nov. 3.—State ticket, Algona county. Wheeler 320; Boies, 193. Net republicans gain over last year, 24.

MISSOURI VALLEY, IA., Nov. 3.—Returns indicate a majority for Boies in Harrison county of from 250 to 300. Democrats will elect Sharpnack, representative, and the entire county ticket, with the possible exception of sheriff. Missouri Valley and St. John townships give Boies 134 majority.

A heavy vote was polled in this city. The democrats were trying to make everything turn on the pro-

hibition issue and placarded the own. All the polls were surrounded by railroad men working for Dey for railroad commissioner. News from every direction in the country shows that a full vote was polled. It is believed that this county will not give Boies more than 600 majority, against 1,100 two years ago.

DES MOINES, IA., Nov. 3.—Out of a total of 1,927 precincts, 112 precincts give Wheeler 15,454; Boies, 14,283. The same precincts in 1889 gave Hutchinson 13,238; Boies, 12,360; a net republican gain of 293.

DECORAH, IA., Nov. 3.—Twelve precincts in Winneshiek county give Boies 133, Wheeler 122, a net democratic gain of fifteen over 1890.

MAQUOKETA, IA., Nov. 3.—Returns from twelve of the twenty-two precincts in Jackson county shows gain for Boies for governor that will raise his majority from 1,265 in 1889 to 1,455; the legislative ticket have a majority of 1,200.

CHARLES CITY, IA., Nov. 3.—Flood county gives 250 republican majority for Wheeler against 460 in 1890.

OTTUMWA, Nov. 3.—Returns from half the precincts in the county indicate heavy republican gains over last year. The democratic majority, which last year was 748, will be reduced over 300.

INDEPENDENCE, Nov. 3.—Wheeler, republican will carry Buchanan county by about 206 majority, a gain of 100 over the last election.

MARSHALLTOWN, Nov. 3.—The weather is very threatening. The voting has been exceedingly lively since the opening of the polls and most of the ballots have already been cast. The indications point to the success of the republicans.

DUBUQUE, Nov. 3.—The weather is mild but threatening, a large vote is being polled all over the state. It is impossible to foreshadow the results in this city.

OTTUMWA, Nov. 3.—The heaviest vote in years is being polled here to-day.

IN PENNSYLVANIA.

A Heavy Vote Cast—Republicans Make Gains in Philadelphia.

The keystone state has evidently been carried by the republican party. The fight, however, has been mainly on local issues and the result cannot be considered a victory for the party on national issues.

PITTSBURG, PA., Nov. 3.—The election to-day was in many respects the most remarkable held in Allegheny county in years. There was a hot contest on the judiciary and county ticket, and this entirely overshadowed the state ticket. The fight in the county was between the republicans and democrats on one side and "straight outs," an infant movement, on the other. It was a remarkable scene to the mob of the great parties, old time antagonists working hand in hand. There was much scratching, and, as a result, the returns will be very late coming in. The day was bright, chilly, and a large vote was polled.

PHILADELPHIA, PA., Nov. 3.—At midnight returns from twenty-one counties, including Allegheny, but excluding Philadelphia, shows a net republican gain of 1,648 for Gregg (rep) for auditor general, and about the same for Morrison for state treasurer. Philadelphia county returns are coming quite slowly but one-fourth of the wards being in at this hour. These indicate, however, that the republicans will carry the city by about 20,000 and that the republican majority in the entire state will be not less than 40,000. The republicans also elect their city ticket, McCarty for city treasurer having already 12,737 majority, with eleven wards yet to hear from. The proposition for holding a constitutional convention is overwhelmingly defeated.

Ladies who use cosmetics or powders to cover up or hide a bad complexion, do not know that O. H. Snyder can furnish them with Blush of Rosca, which is clean water, purifies the skin, and positively removes black heads and all skin diseases takes the shiny look from the face and whitens it soon as applied.

Harry Barthow returned from Texas on No. 8 last evening.

NEBRASKA REDEEMED

Returns Coming in Slowly but Those Received Indicate Post's Election.

Supposed Independent Strongholds Rally to the Support of the Republican Ticket.

Cass County Gives Judge Chapman 700 Majority and Elects the Greater Portion of the County Ticket.

There is little question that the entire republican ticket is handsomely elected in Nebraska though returns are very incomplete. The republican ticket received handsome majorities in localities from which a large alliance vote was expected and in no instance have the returns indicated that Judge Post received a less number of votes than was apprehended. Adams county reports large republican gains and Gage county, in which Edgerton's friends predicted a rousing majority for their man, gives Post a complete walk away. Lancaster county further surprise the Nebraskans by voting up a majority of 2,000 for Post Platte county. Post's home gives him a rousing majority. Otoe falls in line for Post while his majority in Douglas will reach into the thousands. Chairman Mercer estimates that Post will receive a plurality of 15,000.

HASTINGS, NEB., Nov. 3.—Eight precincts in Adams county give: Post, 803; Edgerton, 419.

JUNIATA, NEB., Nov. 3.—The vote in Juniata was very light. Post had 118; Edgerton, 91; Bittenbender, 19. The regents are about the same.

BEATRICE, NEB., Nov. 3.—About 1,000 votes were polled in this city. From the returns thus far counted Post carries the city by not less than 500 majority. Scattering returns from the city and county indicate that Post will carry Gage county by between 600 and 800 majority.

GENEVA, NEB., Nov. 3.—A large vote was cast. Owing to the new system the count is going slow. Indications now are that the republicans have made small gains, but the result cannot be determined at this hour. The indications are that Post will have a small majority in Fillmore county.

FALLS CITY, NEB., Nov. 3.—Edgerton will carry the county by a small majority.

STROMSBURG, NEB., Nov. 3.—Stromsburg precinct gave a total vote of 465; Post, 129; Edgerton, 214; Bittenbender, 32.

AUBURN, NEB., Nov. 3.—Five hundred and fifty-three votes were cast at Auburn. Out of 155 counted Post has 8 majority.

LOUP CITY, NEB., Nov. 3.—Edgerton's majority is estimated at 250.

AURORA, NEB., Nov. 3.—Aurora City gives Post 282; Edgerton, 64; Bittenbender, 3.

NIobrARA, NEB., Nov. 3.—There was a very light vote here. Post, 83; Edgerton, 41; Bittenbender, 36.

Cass County all Right.
 Judge Post receives a majority of 679, which will be increased to 700 after Nehawka and Greenwood are heard from.

Cass county remains loyal to Judge Chapman and presents him with a majority of 700. Otoe does nearly as well, thus indicating that he has a complete walkaway.

The republicans of Cass county have every reason to be proud of the magnificent indorsement received by the county ticket. As we go to press returns have been received from every voting precinct except Greenwood and Nehawka, both of which are unquestionably republican. It is conceded by all that the republicans elect Louis Eickhoff for treasurer; Unruh, coroner, by 254; S. W. Dutton, commissioner, 105; Frank Dixon, county clerk, by 575; A. C. Mayes, county surveyor, by 300 majority.

The democrats elect County Superintendent Noble by 250 and Ramsey, county judge, by probably 300 majority. The vote thus far for sheriff gives Tighe (dem.) a majority of 45; for clerk of district court Deering (dem.) has a majority of 18. There is little doubt that these majorities will be overcome after the returns from Nehawka and Greenwood are received.
