OUR SILVER ANNIVERSARY

The committee on the silver anniversary of the state of Nebraska held another enthusiastic meet Friday evening in the office of C. A. Atkinson, in the Montgomery block. With the first breath of spring, the thoughts of the base ball enthusiasts turn lightly to the green sward and the festive bleaching boards. Again in his memory visions of the fateful day when the local team pounded the wax out of the "State Champions" come again like a beautiful dream, and sad recollections of the time when the aforesaid local team was pounded

into the earth by a gang of hobocs from the realms of the Minneboohoo or Murray haunt his waking hours. So he journeys through life. He yearns at time for the wild energy "the game." One of these enthusiasts writing from Grand Island to the Omaha Bee yesterday unfolded to the "fans" of their state a grand scheme for a state base ball league. He suggests that various cities send to the base ball editor of the Bee the names of some cranks on the base ball question who are fit and suitable persons to form a strong league. He names among other cities Plattsmouth, Lincoln, Grand City, Kearney and Hastings as suitable places. THE HERALD is of a strong opinion that Plattsmouth ought to be in it. We had a fine team last year and with proper management ought to have made money Under Manager "Whitey" Miller we flew high and our team was a source of great pride to our persons we flew low and became a disrupted and bursted corporation.
