RAILROAD WORK.

Heavy Freight Transfers via. Plattsmouth Bridge.

Some idea of the amount of freight traffic at the terminal point of the B. & M. and C. B. & Q. companies at this city may be gleaned by any observer who witnesses the freight trains crossing the bridge here daily. On last Sunday and Sunday night five hundred cars were transferred here in the twenty-four hours, and the daily average through the week will not fall below three hundred cars. B. & M. trains, west from this city, are made up of from forty to sixty cars to a train, and they are arriving and departing at all times, day and night. From this city east to Creston, the western division of the C. B. & Q., fourteen to twenty cars make up a train, which will give some idea of the number of trains required there to move a freight train eastward that crosses the bridge daily at this city.

The River.

The river at noon today stood 4 ft. 11 in. above low water mark, showing a rise of 6 inches since yesterday noon.

If there is any thing we do make a specialty of, it is city and suburban real estate. Several fine farms and some wild land at bargains. Laboring men can get a home by paying monthly what they now pay for house rent.

Space forbids giving but a small percentage of the bargains now on the books at this agency; we name the following:

Six choice half acre lots, 8 minutes from R. R. shops, at from $80 to $150 each, and on terms that would make a man ashamed to say he did not own a house. Come and see, you are not compelled to buy and we wont give these lots away, but you can get them so they will absolutely cost you nothing.

Five acre lot ½ mile from city for $250 part on time.

Eleven acre lot ½ mile from city for $550 this is extra fine.

I have three pieces of outside property which I can sell and undertake to furnish purchaser work enough to pay for them, now I will furnish the ground and you the work, work is what hurts me. If you will do the work at a fair price I will give you a clear deed for the land; if you can't do the work come and see me, I may find some one who will do it for you.
