SAFE ROBBERY.

A Successful Burglary.

Special to the HERALD.

WEeping WATER, March 16.—Two safes were blown open here, last night, supposed to have been down by a small man about five feet three inches in height. He had with him a small, black grip. The man was a discharged brakeman on the M. P. rail road. The safe was Webster's, the jeweler. Two hundred and seventy-five dollars in money and five hundred dollars worth of watches and jewelry were taken.

TRIPOTAGE.

The Chicago Herald out o Luck.

A COLLECTION OF INTERESTING ITEMS.

MARKSMANSHIP.
ST. JOSEPH, Mo. March 15.—In the shooting contest between Bogardus and Carver today the former scored 63 and the latter 92. Bogardus is sick.

SCHOOL HOUSE.
IOWA CITY, March 15.—The fourth ward school building, the finest public school edifice in Iowa City, accidentally burned this morning. Loss, \$4,000, no insurance.

THE MISSISSIPPI COMMISSION.
CAIRO, Ill., March 15.—The Mississippi river commission leaves here in the morning on the steamer Mississippi. They will do nothing here.

STEAMERS COLLIDE.
EVANSVILLE, Ind., March 15.—Last night the steamer Enquirer, going up, collided with the Dora Cabler, coming down. The latter sunk. The Enquirer's deck caught fire and burned to the water's edge. All on board escaped.

RHODE ISLAND REPUBLICANS.
PROVIDENCE, March 15.—The republican state convention met today. August O. Bowen, of Bristol, was nominated for governor by acclamation. Oscar J. Rathbun, of Woonsocket, was nominated for lieutenant governor.

FALLING RAPIDLY.
MEMPHIS, March 15.—The river has fallen five inches in the last twenty four hours. Total decline, twenty-two inches. The fall will be more rapid now. Two more feet decline will put the river in its banks, and farming operations will be actively engaged in. The outlook for a good planting season is cheering.

THE ELLIOTT BENEFIT.
NEW YORK, March 15.—Five hundred people were at the boxing benefit for Elliott's mother. Harry Hill sent \$50, Sullivan \$100. Mack Murphy, pedestrian, in the first round knocked Ned Fox against the wall. In the second he knocked Fox out. Ten minutes before Fox revived Murphy left the hall in a hurry.

PROVING AN ALIBI.
ST. JOSEPH, Mo. March 15.—In the trial of Enos Crowther, in the bond robbery case, the defense consumed the day in proving the good character of the accused and proving an alibi. Crowther on the stand denied every allegation made by the prosecution. His wife said that the night of the robbery Crowther was home all night.

LIBEL SUITS.
CHICAGO, March 15.—In the libel suit of J. E. Cleary, editor of the Saturday Mail Car, of Des Moines, against the Chicago Herald company, tried before Judge Rogers yesterday, the jury this morning brought in a verdict for the plaintiff for \$4,300. Cleary sued for \$25,000 for a libelous publication made April 26th, charging immorality. Two more libel suits are pending against the Herald.

THE REFORM SCHOOL.
KEARSEY, Neb. March 16.—Honorable A. G. Kendall, E. P. Roggen, P. D. Sturdevant and Isaac Powers, members of the board of public lands and buildings, visited the reform school today. They seem well pleased with its management. The principle object of the visit was to select a site for the new building. They expect to have the main building inclosed before next winter.

LONGFELLOW'S BUST.
BOSTON, Mass. March 15.—The Longfellow memorial association has a letter from Bennock, London, saying that all the preliminaries for placing the bust of Longfellow in Westminster Abbey are arranged. Sufficient capital being subscribed a sculptor was engaged and the position for the bust selected. The latter is a column standing between the memorial niche of Chaucer and an in-

dependent bust of Dryden. The bust will occupy a central position in the poet's corner.

A MURDERER SUICIDES.
ST. LOUIS, March 15.—H. F. Crocker, a notorious horse thief, suicided in Granbury, Texas, jail a few days ago, and left a written statement that he was born well connected, in Georgia; had been in Texas, since 1873; had killed three men and one woman during his lifetime, and regretted that he could not kill two more men, who had injured him, and that being without money or friends he preferred death to life in prison. He asked that his body be thrown in the river and that no word of his miserable end should be sent to his relatives.

OVER THE WAY.

Explosion and Destruction of Property.

Miscellaneous Matters.

OXFORD WINS.
LONDON, March 15.—Oxford won the boat race by a length.

DEFALCATION AND SUICIDE.
ST. PETERSBURG, March 15.—The defalcations of Makoff, president of the society of Russian Jews, and who committed suicide, amount to 11,000,000 roubles.

KICKING CLERGY.
DUBLIN, March 15.—The Catholic clergy of the diocese of Swineford, county Mayo, passed a resolution in which they charge the government with neglecting the distressed people, and condemn the remedies offered—workhouse or emigration.

WAS GOITCHAKOFF POISONED?
BADEN BADEN, March 15.—The funeral of the late Prince Goitshakoff took place yesterday from the Russian chapel here. The physicians who attended Prince Goitshakoff said there were grounds for suspecting that he had been poisoned. The evidence of the prince's mistress and his valet confirms the suspicion. In his will, made on his deathbed, the prince requests that the authorities suppress any inquiry as to whether he had been poisoned.

VIOLENT EXPLOSION.
LONDON, March 15.—A terrific gas explosion occurred in the local government board's offices at Westminster, at 9 o'clock tonight, destroying much property. The report was heard in commons and caused alarm. The concussion was so great that it shook the side galleries and reporter's gallery. It being the dinner hour, few members of the house were in the hall. The Duke of Edinburgh was in the peers' gallery and seemed alarmed. The speaker rang his bell and asked the cause of the alarm. The wildest rumors are afloat. The report resembled the discharge of an eighty ton gun. Later—it is believed that the explosion was caused by dynamite, and was a deliberate attempt to blow up the government offices.

NATIONAL NEWS.

A United States Treasurer Appointed.

The Cotton Crops, Kansas Lands, Art Competition, Etc.

AN OVERPAID REPRESENTATIVE.

WASHINGTON, March 15.—Ex-Representative Flower, of New York, returned to the treasury \$458.50, the amount over paid him on account of salary and mileage as member of the forty-seventh congress.

APPOINTED.
The President today appointed A. Wyman, assistant treasurer of the United States, to be treasurer, vice James Gillilan; resigned, to take effect the 1st prox. Wyman was almost overwhelmed with congratulations this afternoon.

SELECTION OF ASSISTANT.
The selection of assistant treasurer, which office will be made vacant by the promotion of Wyman, will depend entirely upon the wishes of the new treasurer. It is pretty well settled that the appointment will be made from the treasury office.

THE COTTON CROP.
Returns to the department of agriculture of cotton sent to market from plantations make an aggregate of 5,900,000 bales gone forward to March 15. This is about 80 1/2 per cent of the crops, as reported by the last returns of products.

WANTS COMPETITORS.
The department of state has been informed that the Italian government desires to invite artists of all nations to compete in furnishing designs for

the national monument to be erected at Rome in honor of the king, Victor Emmanuel. Plans may be sent in from November 15th to December 15th 1883. The royal commission will decide upon the design, and the successful artist will be entitled to receive 50,000 francs as a prize, and 60,000 francs additional to be divided by the commission among the most meritorious competitors.

KANSAS LANDS.
EX-Governor Crawford, resident agent of the state of Kansas, today filed at the interior department a brief report of the position by the state authorities on sundry long pending questions in regard to the Atchison, Topeka & Santa Fe railroad land grant, and the case will probably come before the secretary for oral argument at an early day. The brief argues that the adjustment of the grant under the supreme court decision in 1875 concerning it, would give the state the title to 80,000 acres of land allowed to have been illegally certified to the railroad company, and that in any event the state is entitled to some 30,000 acres held by the railroad.
