IF Peck's bad boy was over in London, we would be inclined to think that the "amooosin' little cuss" had something to do with those explosions.

AND now Kremlia, where the Czar is to be crowned, is to be blown into smithereens, unless the boss of all the Russias grants the constitution demanded of him by the Nihilistic organization.

THIS blowing up business is getting to be a serious matter all over Europe.

DEMOCRATIC leaders like Senator Morgan, of Alabama, are always charging the republican party with legislating against the poor man.

Stadelman vs Fitzgerald. Error from Cass county. Affirmed. Opinion by Maxwell, J.

WE notice some very important questions are decided by the Supreme court in the last of opinions, which will be of interest to the profession, the litigants and the public.

THE diagonal road will bring into Nebraska an entirely different interest from that of the Union Pacific and Burlington & Missouri River.

QUEEN VICTORIA seems to have been more severely injured than was at first suspected, by the accident caused by slipping upon the stairs at Windsor.

What is our board of trade doing in regard to this enterprise? We predict this road will be a bonanza to the people of Nebraska.

FISH CULTURE. Fish Commissioner Livingston hands us a note just received from Hon. B. E. B. Kennedy, of Omaha.

KENDALL'S SPAVIN CURE

THE MOST SUCCESSFUL REMEDY EVER discovered as it cures in its effects and does not blister - is excellent for horses, it is READ PROOF BELOW.

FROM COL. L. T. FOSTER, Youngstown, Ohio, May 10th, 1880. B. J. Kendall & Co., Gents - I had a very valuable article sent me, which I prized very highly, he had a large horse spavin in one joint and a small one on the other, which made him very lame. I had him under the charge of two veterinary surgeons who failed to cure him. Kendall's Spavin Cure in the Chicago Express, I determined to see to it, and out druggists here sent for their ordered bottles, I took them all and thought I would give it a thorough trial, used it according to the directions, and the horse was cured. I was so much pleased with the cure, that I have bought a few more bottles, and am as free from lumps and as smooth as any horse in the State. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very Respectfully, L. T. FOSTER.
