THE NATION'S DEAD.

Arrival of Ex-President Diaz.

Mason's Attorney.

BAD FOR BETTY.

WASHINGTON, March 26.—Jonathan G. Bigelow, counsel for Sergeant Mason while he was on trial for shooting at Guitau, has filed a suit against Mason, his wife Betty and the banking house of Riggs to recover \$3,500 as counsel fees.

OUR VISITING MEXICANS.

Ex-President Diaz and party arrived here and were met at the depot by Romero, Mexican minister, Davis, assistant secretary of state, and Swellon A. Brown, chief clerk of the state department, and escorted to a hotel. The ex-president and party will be presented to the President by Secretary Frelinghuysen this afternoon.

STATEMENT DENIED.

The commissioner of internal revenue denies the published statement that the President has determined to abolish by consolidation about twenty offices of collectors of internal revenue. The commissioner said today that in his judgment it would be very unwise to take such action at present, as the work devolving upon the service by the new internal revenue bill will be enormous from the present time until at least the first of June.

HOWE'S FUNERAL.

MILWAUKEE, March 26.—The funeral of Postmaster General Howe will occur at 3 o'clock Wednesday afternoon, the services being held at the house of his nephew, Col. James B. Howe, of Kenosha, after which the body will be taken in a special car to Green Bay. Telegrams have been received by Col. Howe announcing that several members of the cabinet and a number of congressmen will be in attendance. There is a strong probability that General Grant will be present. Secretary Lincoln, it is said, is already on his way. Kenosha is in mourning, the postoffice being heavily draped.

RESPECT FOR THE DEAD.

WASHINGTON, March 26.—The following letter is addressed by the secretary of state to cabinet officers:

DEPARTMENT OF STATE, WASHINGTON, D. C., March 26. SIR: It is my melancholy duty to inform you that the Hon. Timothy O. Howe, postmaster general, and lately senator of the United States, died yesterday at Kenosha, Wisconsin, at 2 in the afternoon. By reason of this affecting event, the president directs that the departments of the government and offices dependent thereon throughout the country be careful to manifest by all customary and appropriate observance the honor due to the memory of one so eminent in office and public esteem, and so distinguished and respected a citizen.

To this end the president directs that the postoffice department and its dependencies in the capital be draped in mourning for a period of thirty days, and that the several executive departments be closed Wednesday next, the day of the funeral, and that on all government buildings throughout the United States the national flag shall be draped and displayed at half mast. I have the honor, sir, to be your obedient servant.

(Signed) FREDERICK PHILIPPOVICH.

The following order has been issued by the postoffice department:

Order No. 233. It is my painful duty to announce to the officers employed in this department of the death of Hon. Timothy O. Howe, which occurred at Kenosha, Wisconsin, on the 25th inst. at 2 p. m. By his death the department loses a chief of eminent ability, whose superior ability for the important position was recognized by every subordinate with whom he came in contact. Timothy O. Howe was a man with whom and under whom it was a pleasure as well as an honor to serve. By his death the country loses an able, honest statesman, whose public career was marked by clear judgment, faithful service, justice to all. The loss of such a man is a country's loss. In obedience to the executive order flags of this department shall be displayed at half mast for thirty days and the department be closed on the 28th inst. The day appointed for the funeral. As a further mark of respect it is hereby ordered that the department be draped for thirty days. It is further ordered that on the 28th inst. the postoffices throughout the country be closed between the hours of 9 and 5 p. m.

(Signed) FRANK A. HATTON, Acting Postmaster General.

The massive columns at the entrance of the postoffice department building are heavily draped in mourning. He was held in universal respect and esteem by his subordinates. His death has cast a visible gloom over the entire depart-

THE BRAIDWOOD DISASTER.

Another Libel Suit.

A BRILLIANT BALL.

General News.

DROWNED.

SAVANNAH, Ga., March 26.—Charles O. Lamatto, of the Morning News editorial staff, was drowned in the river below the city yesterday, by the swamping of a boat.

A BIG BALL.

NEW YORK, March 26.—A fancy dress ball was given to-night by Mr. Mrs. W. H. Vanderbilt, in their new mansion. It was unquestionably the most brilliant entertainment ever given in New York.

FRIENDLY TO HATTON.

PEORIA, Ill., March 26.—The National Democrat of this city, will to-morrow name Frank Hatton, first assistant postmaster general, as the most suitable man to succeed the late T. O. Howe as postmaster general.

AN ASSIGNMENT.

PITTSBURGH, March 26.—C. P. Mark & Sons, the largest paper manufacturers in Western Pennsylvania, have assigned for the benefit of creditors to Jesse H. Lippincott, of this city. Liabilities, \$400,000; assets nearly a million.

CHICAGO FOOT PAIS.

CHICAGO, March 26.—The foot pads of this city have ceased to attack men at night. They seem to be devoting their attention to ladies from the assaults and robberies reported in the last three days. Two ladies were roughly handled and goods stolen.

A SOLID SALE.

CINCINNATI, March 26.—The stockholders of the Cincinnati & Baltimore railway today voted to ratify the contract sale of their road to the Cincinnati, Washington & Baltimore railroad company. 23,750 shares of stock voted in favor of the sale and none against it. 1,200 shares did not vote.

THE RED MEN.

TUCSON, A. T., March 26.—Last night a band of Indians passed near Wilcox, going south. A dispatch from Camp Grant says a band is reported near Hecker's ranch. Troops are in pursuit. Agent Wilcox reports no Indians off the reservation, but the Indians killed in the Huachuca were San Carlos Indians. A dispatch from Agent Wilcox says in addition to the evidence of the complete contentment and cheerful industry of the San Carlos Indians it is conclusive that none of their friends are on the war path.

AN EDITOR IN TROUBLE.

DETROIT, March 26.—An important libel suit was begun here today in the superior court. Prof. Donald McLeon, of the medical department of the state university, sues John C. Scripps, editor of the Evening News, of this city, for \$50,000 damages for publishing from a Canadian paper an article asserting that the professor committed adultery with a female patient from Tisonburg, Ontario, who went to Ann Arbor, for treatment, and was placed in his care. The defense plead justification and propose to prove facts. The case is of great interest and importance.

THE SCENE OF DISASTER.

BRAIDWOOD, March 26.—Great crowds of miners, women and children remained throughout the night and the greater portion of the day, to witness the removal of the bodies of the drowned miners from the fatal Diamond mine, and some of the scenes were very distressing. From twelve midnight up to noon twenty-six bodies were taken from the shaft, and of these the following could be recognized: Patrick Wall, Jos. Smith, Jos. Carroll, Frank Kloss, John Johnson, Michael Bannon, Matthew Redmond, John Cullough, Anson Drenbroghy, August Palinsis, Frank Merry, Daniel McBride, John Brakanac, Herman Urben, John Boyd, John Aikens. Seven remained unidentified. The bodies generally are in a very advanced state of decomposition. At 7 o'clock this morning the funeral train left the city for the Diamond mine to remove the bodies to the cemetery. By nine o'clock eighteen bodies were in coffins and transferred to two flat cars, and the train moved out. As it was passing the edge of the village of Diamond Mrs. Redmond signalled the train and was allowed to take the coffin in which her boy was placed, she declaring that she would give him a proper burial. At Braidwood many sad scenes occurred, women and children crying about the train and demanding that the coffins be taken from the cars and the lids removed, which in many cases was done. The remains were then placed in hearse and afterwards given

VICTORIA'S HEALTH.

LONDON, March 26.—Queen Victoria was able today to attend the baptism of the infant daughter of the duke and duchess of Albany.

THE IRISH IN AMERICA.

LONDON, March 27.—The Daily Telegraph considers as preposterous the report that the government has sent a menacing note to Washington in regard to the utterances and writings of the Irish dynamite party in America. It says the United States government's attitude of indifference at the ravings of these men is the same as that which England has always adopted towards exiles taking refuge in this country.

"NUMBER ONE."

DUBLIN, March 27.—The Freeman's Journal states that the correspondence which passed between the home office and Lowell, United States minister, has resulted in the former renouncing all hope of securing an extradition of the person known as "Number One." The Journal declares that "Number One," whose name is Tyner, was in Dublin until the first day James Carey was examined, at the hearing of the conspirators. He then managed to reach Bremen by way of Hull.
