## GENERAL MISCELLANY

### Will Educate the Women.

### A Sleek Capitol Commission

The "Passion Play", Etc

**STARTED WEST.**  
ST. LOUIS, April 3.—Senator and Mrs. David Davis, Miss Alice Davis and Senator Davis' brother-in-law, Mr. Williams left this morning for the west.

**APPOINTMENT REQUESTED.**  
ST. LOUIS, April 3.—The merchants' exchange committee formally requested President Arthur to appoint Henry Ford in place of Captain Leases on the Mississippi river commission.

**THE WOMEN WILL HAVE A CHANCE.**  
PHILADELPHIA, April 3.—A meeting of the trustees of the Pennsylvania university today the committee report was present, setting for a plan for the education of women by which they will receive the same courses of instruction as young men, but at a different time and place. All, however, will receive the degrees on the same terms. The report will be acted upon at the next meeting of the board.

**TALLY ONE FOR BOGARDUS.**  
PITTSBURG, April 3.—The shooting tournament in connection with the bench show this afternoon was opened by a match between Bogardus and Carver for a purse of \$800, best out of 100 clay pigeons, and resulted in a victory for Bogardus by a score of 95 to 91. Tomorrow a contest open to the world, baring Bogardus and Carver, will begin, and continue the balance of the week. A large number of the best shots in the country have entered.

**A QUEER CASE.**  
BOSTON, April 3.—A suit was begun to recover \$5,000 damages from Rev. John H. Fleming in Archibishop Williams, of this diocese, brought by the parents of Lizzie Gannon. In 1876 the girl was a child thirteen years old and was attacked with a nervous disorder, which had a peculiar effect upon her condition mentally. She became infatuated with some cuts in a paper, images which she said were angels sent by her brother, who was dead. Father Fleming was sent for, and took the images and kept them, refusing to return them. The girl fell into such paroxysms that the doctors thought they should be returned to her to enable her to recover or keep alive, but neither Father Fleming and the archbishop would consent.

**A SHOOTING MAYOR.**  
CINCINNATI, April 3.—A sensation was created in the rooms of the Duckworth Democrat club, by the report of Mayor Means shooting John Brady, county jailer. Each are members of the club, and had spent the night at their rooms, hearing the election returns. Early this morning the mayor had been drinking, and threatened that he was going to insult Brady, who was up stairs. Means went up stairs, and friends got Brady down stairs. Means followed. When they met he seized him, but he finally drew a revolver. Brady seeing this drew his, and demanded that Means be taken away. This was done and bloodshed prevented. Brady and Means have not been on good terms for two years.

**THE DAKOTA CAPITOL COMMISSION.**  
SIOUX CITY, Ia., April 3.—The Dakota capitol commission, who have been in and about Sioux City for a week past, left by special train for Yankton at midnight last night, where they arrived between five and six o'clock this morning. There a hurried organization was effected, and the commission proceeded to Scotland. This course was adopted to escape an injunction which Yankton parties were anxious to serve. The meeting in Yankton prior to the 8th of April was made necessary by the language of the act, which provides that the commission shall meet there within thirty days from the date of the passage of the act for the purpose of organization, and the election of a president, secretary and treasurer. The commissioners are not likely to meet soon again in Yankton.

**NO "PASSION PLAY."**  
NEW YORK, April 3.—Long before 8 o'clock the temple, in which Salmi Morse advertised to produce the "Passion Play," charging an entrance fee, was full. A few minutes before 8 o'clock, Capt. Williams and Inspector Thorn, of the police force, made their way to the back of the stage and served upon Morse an injunction sued out by the society for the reformation of juvenile delinquents to restrain them from the production of the play. Morse sent for his counsel, and on his arrival went before the curtain and in-

formed the audience of what had occurred. The announcement was received with hisses. Morse stated that the society had had plenty of time for the service, but had waited till the last moment before serving it. The money will be returned in the morning. The counsel also made a speech, characterizing the proceeding as an outrage and trampling on civil and religious liberty. The receipts were to have been given to aid the home for poor children.

### YESTERDAYS ELECTIONS.

### A Republican Mayor in Omaha.

### Chicago Cares For Carter.

### Ohio Democrats Carry Their Tickets

**CHICAGO.**  
CHICAGO, April 3.—The election passed off quietly, not a row of any kind occurring during the day. Moore was elected mayor by a majority of 270. The straight republican ticket elected by good majorities.

**OMAHA.**  
OMAHA, April 3.—Champion S. Chase is elected mayor over Judge Savage by a majority of seventy-seven votes, one of the closest runs ever made here. Buck, democrat, treasurer by sixty majority, and Beneke, democrat, police judge by 1,000 majority. Both held over. This was virtually the workingman's ticket. Probably the republicans will elect five councilmen.

**BENNETT.**  
BENNETT, Neb., April 3.—The city election passed off harmoniously, but enthusiastically here today. A heavy vote was polled. License was the only issue. It resulted for license by the election of the following ticket as councilmen by sixty majority: H. H. Harris, Louis Otto, A. H. Seettle, J. H. Harper, G. R. Wilson, clerk, J. R. Ratt, attorney, H. D. Rice; treasurer, W. Roggenkamp; marshal, E. J. Lane. The citizens are now celebrating the victory.

**KEARNEY.**  
KEARNEY, Neb., April 3.—An exciting city election today. There were two tickets in the field, a citizens' and people's. The following are the officers elected: Mayor, A. L. Webb; clerk, E. Ford; treasurer, H. Fred Wiley; police judge, John Hoge; engineer, Simon Murphy; councilmen, first ward, John D. Seaman; second ward, R. R. Greer; third ward, C. R. Clapp and Ross Giamlet; school board, Henry Gibbon, C. R. Ford, E. C. Calkins, R. M. Grimes, W. A. Downing and Joseph Black. The band is serenading the victors.

**LITTLE ROCK.**  
LITTLE ROCK, April 3.—The city election resulted in the election of Warner, democrat, for mayor. Dr. Theo. Lindle was elected mayor at Hot Springs.

**CLEVELAND.**  
CLEVELAND, Ohio, April 3.—The democrats elect John H. Farley mayor by nearly four thousand majority, the whole city ticket, fourteen of the eighteen councilmen and seven out of the nine members of the board of education, controlling both bodies.

**MINNEAPOLIS.**  
MINNEAPOLIS.—The city today, by over twelve hundred majority, voted to inaugurate a public park system, for which an appropriation of \$200,000 has already been authorized by the legislature. The democrats elected treasurer and the republicans municipal judge and seven out of ten alderman.

**CINCINNATI.**  
CINCINNATI, April 3.—Unofficial returns show that the democrats have elected their mayor, judges of the supreme court, member of the board of public works, treasurer, city solicitor, and three members of the school board, by majorities ranging from 100 to 420. The republicans elected comptroller and prosecuting attorney by majorities ranging from 200 to 290.

Tonight the newspapers made an independent canvass of the returns, making material changes in the result as given earlier. They do not agree as to majorities, but unite in saying that but three republicans are elected, namely, E. Shelby, comptroller; Caldwell, prosecuting attorney, and E. Moore, wharf register. The common council on joint ballot will stand: Democrats 42, republicans 33. Official returns will be necessary to show the majorities of the officers elected.

**CHICAGO.**  
CHICAGO, April 3.—An election was had here today for city and county officers, and members of the city council. There were out two general city tickets, one straight democrat, headed by Hon. Carter H. Harrison, present incumbent, for mayor, and the other by Judge Eugene Carey, a joint ticket of republicans and independent citizens, on the platform of higher license for saloons and stringent enforcement of the laws against

the criminal classes. The campaign was characterized by an unusual amount of vulgar personality. The day was bright and pleasant and a very large vote for a mere city election was polled. By nine o'clock it became evident that the entire democratic city ticket would be elected unless there was an unusual amount of scratching. The majority for Harrison grows with every return. At this hour, 11:15, the returns from 116 precincts, over three-fourths of the city, give Harrison 9,338 majority. The returns on the other offices are very incomplete, and are coming in slowly.
