WASHINGTON NEWS.

The Otoe Reservation.

The Tax on Tobacco.

RESIGNED AS COUNSEL.

WASHINGTON, D. C., April 9.—Richard Crowley, of New York, has resigned the position of special assistant counsel for the United States in the preparation of the alleged election fraud cases in South Carolina.

ON THE BLACK LIST.

Charles H. Bowman, representing the Excelsior Manufacturing Company at Beaver Dam, Wis., and J. N. Williams, alias the Mystic Language publisher, at Detroit, Mich., were today declared conducting fraudulent schemes, and their names placed on the black list of the post office department.

SALE OF THE OTOE LANDS.

Senator Van Wyck has been urging the interior department to order immediate sale of the Otoe Indian lands in Kansas and Nebraska, notwithstanding the house of representatives neglected the senator's bill, which was deemed necessary for a complete sale. The appraisers have finished their task, and they value the lands at from \$4 to \$10 per acre. Secretary Teller will protect all the interests, and the sale will be made about May 1st.

THE EXPORT DRAWBACK.

The commissioner of internal revenue says the allowance of the export drawback, under the provisions of section 3386, Revised Statutes, on all snuff, tobacco, cigars and cigarettes entered for export on and after May 1st, 1883, will be limited to the tax on articles of this class in force on that day, as follows: On manufactured tobacco, including snuff, eight cents per pound. On cigars and cigarettes weighing over three pounds per thousand, three dollars per thousand. On cigarettes weighing not over three pounds per thousand, fifty cents per thousand.

AN ORDER FROM THE P. O. DEPARTMENT.

The following general order was issued today by the post office department: General Order No. 467.—That order No. 463, of January 12, 1883, is hereby revoked. Section 47 of the postal laws and regulations of 1879 is amended so as to read: "Postal cards and prepaid letters are to be forwarded if requested. Prepaid letters are to be forwarded from one post office to another at the request of the party addressed, without additional charges for postage. All letters upon which one full rate of postage has been paid, and all postal cards shall be forwarded from the office to which they are addressed to another office at the request of the person addressed or of the party whose card may be upon the envelope, or whose name may be signed to the postal card, without additional charge. Such forwarding must continue until the party addressed is reached." FRANK HATTON, Acting P. M. General.

MISCELLANEOUS.

Murdered for Her Money.

Situation of Brick Layers Strike.

Other Interesting Items.

THE POSTMASTER GENERAL.

INDIANAPOLIS, April 9.—Postmaster general Gresham left for Washington this afternoon.

SUSPENDED.

ST. LOUIS, April 9.—The Atlantic Milling Company, Geo. Blair, president has suspended.

WITHDRAWN.

BOSTON, April 9.—In the paper image case of Lizzie Gannon vs Archbishop Williams and Father Fleming, the suit against the archbishop was withdrawn, and the latter was continued.

MURDERED FOR MONEY.

ST. LOUIS, April 9.—An old Indian woman, over eighty years old, known as "Widow Jane," living a lonely life near Osage, Kansas, was murdered two or three days ago, and her cabin set fire to conceal the crime. Money was the object of the murder. The old woman had been known to have several hundred dollars.

A WAR AVERTED.

CHICAGO, April 9.—It is understood that the passenger rate war between the Chicago, Burlington & Quincy and the Chicago, Rock Island & Pacific roads, on the traffic between Kansas City and St. Paul, has been settled by agreement to maintain rates, the fare by both routes to be the same.

THE BRICKLAYERS.

CHICAGO, April 9.—There is little change in the situation in the bricklayers strike. Most master masons work a few men, and new men are beginning to come in from other cities. The strikers begin to intimidate the working non-union men. Several houses have been visited, and the occupants threatened with death if they go to work. Some men employed on the new board of trade building were threatened today, and a squad of police was sent to guard them.

FIRE NEAR VALPARAISO.

VALPARAISO, NEB., April 10.—Mrs. Dayton, wife of a farmer living about five miles east of Valparaiso, Saunders County, was fatally burned in a prairie fire Saturday. She was aiding her husband in endeavoring to keep the fire off their premises, and went to the house to get him a pail of water, where she got suffocated with the flames and smoke, and was dead before assistance arrived. No further particulars at present.

TOO MUCH WATER.

ST. LOUIS, April 9.—A private dispatch from New Orleans says the city is liable to be inundated if any of the front of the levee gives way. The river is now on a level with the crown of the levee along the front part of the city. The crevasse at Goulsboro, on the right bank of the river directly opposite New Orleans, will be closed this evening.

MORE WATER.

NEW ORLEANS, April 9.—The rear portion of the third district is still overflowed from the rain and high tide. The flow of water through the Goulsboro crevasse is reduced. It will be entirely checked soon. The river today reached the flood height of 1874. The water ran over the levees at several points.

FOREIGN NEWS.

The Phoenix Park Murderers.

All Plead "Not Guilty."

NO DYNAMITE FOR DAVITT.

LONDON, April 9.—A letter from Michael Davitt is published today, in which he further expressed his opposition to the dynamite policy on the part of Irishmen. He declares that such a policy is insane, idiotic and criminal.

BEING WATCHED.

PARIS, April 9.—The police are keeping watch over a number of Russian refugees here, who they suspect are connected with the alleged plot to take the life of the Czar at the time of his coronation. It is reported that some French detectives will proceed to Moscow on that occasion and assist the Russian police in watching the suspected persons.

PRECAUTIONARY STEPS.

LONDON, April 9.—A dispatch from Dublin says Joe Brady, Timothy Kelley, Pat Delaney, Thomas Caffrey, Dave Curley and Fitzharris, known as "skin goat," the men charged with the Phoenix Park murder and other crimes, to be placed on trial today, were removed to Green street court house this morning under a strong guard of policemen. The government feels rather afraid that the friends of the prisoners may attempt to rescue them. Men who seem to be Americans are seen in the neighborhood of the park and are being watched by detectives.

THE BRITISH GRAIN TRADE.

LONDON, April 9.—The Mark Lane Express, in its review of the British grain trade for the past week, says: The supply was restricted, although it exceeded the demand. Prices are falling. Foreign wheat is stagnant. Cargoes in large supply. Twenty eight arrivals, and two sales. Forward trade neglected. Flour declined 1s. Foreign flour is depressed and 6s 1/2 is lower. Maize cheaper. Mixed American, 9d lower. Barley, good demand. Prices nominally unchanged. Foreign barley slow sale and steady. Oats generally unaltered. Foreign oats, dull throughout. Sales of English wheat during the past week, 57,733 quarters, at 42s, against 34,325 quarters, at 45s 3d for the corresponding period of last year.

THE PHOENIX PARK MURDERERS.

DUBLIN, April 9.—The court house where the trial of the Phoenix Park assassins is to take place was besieged this morning by a crowd eager to gain admission. The authorities, however, only admitted the jurors called in the case and fifty reporters, and they were let into the building at an early hour. Judge O'Brien, who is to hear the case, took his seat on the bench at 11:15 o'clock, when the work of swearing in the grand jury was proceeded with. The prisoners, Brady, Kelley, Delaney, Gaffrey, Curley and Fitzharris, were brought to the court house at 9 o'clock, and were escorted by a whole troop of dragoons. The counsel and solicitors for the

prisoners who appeared for them at the examination at Killmainham court house were present. Judge O'Brien addressed special jurors. It is stated that the crown will allege that Lord Frederick Cavendish's murder was no part of the crime as concerted, but he was a victim to his presence in the park with Burke. Nevertheless all who were present at the time of the murders were responsible therefor. The grand jury then retired. It was selected from a special panel drawn from residents of both the city and country of Dublin. There were very few claims for exemption from service. The grand jury soon returned with a true bill against Joe Brady, charging him with the murder of Lord Fred. Cavendish and Burke. Brady was arraigned at the bar and plead not guilty. An application was made for a postponement of the trial for preparations. Counsel for the crown opposed a longer postponement until tomorrow. McGuire, Brady's solicitor, said A. M. Sullivan would act for Brady if time was allowed for him to get ready. Judge O'Brien said the trial must proceed tomorrow. If Sullivan is not ready to take it in hand, he would appoint some one to act for Brady. The case was further considered, the result being that the trial of Brady was set for tomorrow afternoon, and Dr. Webb Adams assigned by the court to defend the prisoner. Curley, Kelley, Thomas, Caffrey, and Fitzharris came next. Each was arraigned separately and plead not guilty. All are held for trial.

The grand jury found true bills of murder against Joseph and Lawrence Hanlon, Wm. Maroney, Patrick Clancy, and Egan and Joseph Mullett.
