NATIONAL NEWS.

Star Route Trial---General Miscellany.

ADJOURNED. WASHINGTON, April 20, 1883.—The national academy of sciences closed its session this afternoon, adjourning until November 13th, next, when a session will be held for purely scientific purposes, at Yale college.

CIVIL SERVICE RULES. A copy of the civil service rules, as adopted by the civil service commission, yet subject to the President's approval, was today furnished to each member of the cabinet now in the city, to enable them to examine the rules thoroughly in advance of their formal consideration at the cabinet meeting.

RECRUITS. Two hundred and twenty-five recruits are ordered to Fort Snelling, Minnesota, for assignment to the Fifth, Fifteenth, Seventeenth and Eighteenth infantry; ninety to Fort Douglas, Utah, for the Sixth infantry, and twenty-five to Fort Wingate, New Mexico, for the Thirteenth infantry.

ATTEMPTING A SETTLEMENT. When J. Keogh succeeded R. Douglass as United States marshal for the western district of North Carolina, Douglass refused to turn over to his successor certain official records, alleging that they were necessary to the settlement of his accounts with the department of justice. Thereupon the attorney general directed the U. S. attorney for that district to make an effort to have Douglass indicted on the charge of abstracting government property. The presiding judge of that court is the father-in-law of Douglass. An attempt is being made to bring about a settlement of the difficulty.

STILL AT IT. In the star route trial Mr. Kerr proceeding with his review of the evidence, Mr. Brady's newspaper experience was touched upon, and the assertion made that he had bought every second hand paper for sale in Washington, and likewise every impecunious correspondent who could be corrupted. Brady had pursued the same course toward papers that Dorsey had toward the administration.

WILSON OBJECTED TO THIS DEPARTURE from the evidence, and the court directed Kerr to keep strictly in the line of evidence.

Kerr proceeded to review Brady's orders upon the routes, taking them up in order. Before he had concluded this branch of his argument the court adjourned until Monday.

FOREIGN NEWS.

AN EXTENSIVE CONFLAGRATION.

The Jury Disagree

A BIG FIRE. DELHI, INDIA, April 20.—An extensive conflagration has occurred in this city. Two thousand houses were destroyed. A great number of families are destitute and homeless.

EMIGRANTS. LIVERPOOL, April 20.—About three thousand emigrants left today for Canada, the most of whom are bound for Manitoba. It is estimated that they take away capital to the amount of \$500,000.

FALSE REPORT. BELGRADE, April 20.—The report that Helen Marcotiah, the woman who was tried for shooting King Milan in the cathedral here, had taken her life in prison, is not true. She attempted suicide, but failed, and is now recovering from her wounds.

THE PARLIAMENT HOUSE. QUEBEC, April 20.—The smoking ruins and easterly wind mark the situation of the old parliament house, the walls standing showing how substantially it was built. All the offices in the building will be transferred. The only loss will be about \$25,000 on the library.

AGREE TO DISAGREE. DUBLIN, April 20.—Eugene Kingston, arrested at Liverpool on Wednesday, on the charge of being connected with the Phoenix Park murders, was arraigned to-day and after a hearing was remanded to prison to answer to the charge of conspiracy to murder. When the disagreement of the jury became known the crowds around the court cheered Kelly and the jurors.

PRESS OPINIONS. LONDON, April 20.—The Standard

says it believes the day will come when miscreants like O'Donovan Rossa will be hunted out of both continents.

The Pall Mall Gazette says the evidence that the dynamite plots now under investigation were hatched in New York is as clear as the proof the foreign police possessed twenty-five years ago that Mazzini's plots against Italy were hatched in England, and it says the extradition of Rossa from the United States is about as likely as Mazzini's was from England.

HERR MOST.

PITTSBURG, April 20.—Herr Most arrived today and will remain until Tuesday next. During his stay he will address several meetings, and will endeavor to effect an organization of socialists in the city.

FEMININE FURY. MILWAUKEE, April 20.—Kate Kane, Milwaukee's only female lawyer, threw a glass of water in the face of Judge Mallory, of the criminal court, this morning, and was fined \$50. She claims that the judge insulted her by word and action, but will not say in what particular respect. She refuses to pay the fine, and will go to jail unless her friends intercede.

CAMPAIGN AGAINST APACHES. ST. LOUIS, April 20.—A dispatch from Arizona says two hundred Indian scouts have enlisted, and Gen. Cook has completed his plan for a vigorous and decisive campaign against the Apaches. He is now sending supplies to Guadalupe canyon, where the Mexican army are concentrating, across the line. The reported invasion of Calabasas by the Indians is unfounded. The troops are patrolling from Nogales to the Mexican line. No fresh depredations anywhere in this territory. The troops and scouts are in fine condition, and eager to start. They go lightly equipped.

ELLIOTT'S MURDERER. CHICAGO, April 20.—The case of Jere Dunn, charged with the murder of James Elliott, pugilist, was called in the criminal court this morning. The court room was well filled. The prisoner appeared neatly dressed, and with bushy black whiskers smoothly trimmed and parted at the chin. Emery A. Storrs and Daniel Munn appeared for the defense, and made application for change of venue on the grounds that Judge Jameson was prejudiced. After a brief consultation, state's attorney Mills announced that the counsel had agreed that the case would be heard by Judge Smith. The change of venue was granted in accordance with the agreement.

Judge Smith set the case for hearing Monday, May 7.

THE IOWA AMENDMENT. DUBUQUE April 19.—It is definitely known that Judge Seever's will not be able to present at this term of court, but notwithstanding this fact there has been a strong pressure upon the court. It is understood that a decision in the amendment case will be reached tomorrow. It is also known that there will be a majority and minority opinion, the same as before, both of extreme length, covering in all some 175 pages of legal cap. It has leaked out that Judge Beck was engaged all last night preparing and revising his opinion. From this fact and the fact that he was the only dissenting judge in the former hearing of the case, it is reasonable to suppose that he alone will constitute the minority now, and that the other judges will adhere to their former opinion, unless Judge Beck raises some new question not anticipated by the other Judges, which shall lead them to give the subject further consideration. A decision will be rendered tomorrow.

A SKIRMISH WITH TRAMPS. BRAINARD, Minn., April 20.—Sheriff Martz and the police force had a lively skirmish yesterday afternoon with a crowd of armed tramps, who had stationed themselves at the railroad bridge near the city, and were holding up everyone who came along. The officers captured six of the party, who were lodged in jail. Police in Shawten and Deputy Sheriff Palmer were each slightly wounded in the fray. After the first capture the sheriff and posse armed with Winchester rifles started in pursuit of the other, who were hiding in the timber on the north side of the river. They came upon two lying in a thicket with revolvers in their hands. One was the man who had shot Showten. They were ordered

to throw up their hands, and refusing, the police party fired, severely and probably fatally wounding one of the hunted men, who was afterwards removed to jail, with his companion, making a total capture of eight. They all claim to hail from New Orleans, and have been working their way gradually from that city up the river.
