The county commissioners were in session today.

The train from the west came in late this morning.

The masons began laying brick on the Opera House building today.

The Wilberforce concert company, at the Opera House, tonight.

Ho, all ye that thirst, come unto me and I will give you drink.—Town Pump.

The train for the west was loaded this morning, but no getting off and on at Plattsmouth.

Go and hear the Wilberforce concert company at the Opera House, tonight. A fine musical treat is promised.

The State Journal opens up the snake campaign with a forty pound blow snake, killed near Lincoln, Sunday.

Don't fail to hear the colored concert company tonight at the opera house which they have three persons with them that appeared here with Donivan's Tennesseans.

Owing to the failure of the city council to grant any licenses at their last meeting, and the further fact that the old licenses expired on the first day of May, the saloons are closed today.

You will miss something fine if you don't go to hear the concert tonight at the opera house, given by the Wilberforce Colored Concert company. Admission 50c, no extra charge for reserved seats.

Once more we urge the necessity of telephones in the clerk of the district court's office and the high school, more especially the clerk's office. Won't Commissioner Todd see that we have one in the clerk's office?

The amount of capital invested in national banks, in proportion to the population, is greater in Nebraska than Missouri or Kansas. Nebraska has thirty-three national banks, and the amount of capital invested is \$2,310,000.00.

Rockwood hall makes a splendid concert room. All it lacks is matting upon the floor to deaden the footfalls of the anxious litigants. The HERALD is of the opinion that the county should supply matting at once.

War was imminent for a time in the city council court this morning; counsel indulged in heated words and blind justice tore the bandage from her eyes and threw the evenly balanced scales under the table so intent was she on seeing the scrimmage.

Manager Young assured us that the Wilberforce grand concert tonight at the opera house will be first class, every one of them being artists of the highest standard of excellence and will be far ahead of the last jubilee singers that appeared here.

The rumor that the ordinance regulating the granting of licenses, was never signed by the mayor, is without foundation. There is an ordinance regulating the matter and it has been signed by the mayor and is in force now and has been ever since the Slocumb law went into effect.

Alf. H. Townsend, who will be remembered by our oldest citizens as one of the old actors, in Plattsmouth, died in San Francisco, Cal., on the 12th day of April, last, aged 52 years and 10 months. Mr. Townsend was the proprietor of Townsend's addition to Plattsmouth, and practiced law here in the early days.

The North Platte Telegraph contains a two column article descriptive of a reception tendered to W. F. Cody (Buffalo Bill), upon his return home, after his most successful theatrical season. That whole country turned out, and music, speeches and edibles were the order of exercises, and a huge time is recorded.

It is quite amusing to note the expressions of agony and surprise depicted upon the countenances of "the boys" as they confidently go up and frantically shake the saloon doors, in joyous anticipation of their "regular," and discover, alas! that the lock prevents an entrance. The "cocktail" begins to circulate, and the "poor fellows" have hardly vitality enough left to emit it.

Hon. Aaron S. Everest, of Atchison, Kansas, and the attorney of the Missouri Pacific R. R. Company, is in attendance upon this term of our district court, looking after the interest of his people. We no longer with him, Hon. J. L. Webster, of Omaha, the attorney of this railroad company at Omaha. Several suits pending in the Cass county district court against this corporation by residents of Cass county are to be tried at the present term of the court.

We notice by an Iowa exchange that Capt. S. W. Barstow has again assumed the editorship of the Marion Register. We have always known Capt. Barstow, and it was he who graduated us in the printing business. We were ever Capt. Barstow's "devil" in more ways than one. After an absence of two years, during which time he conducted a good republican paper at Mitchell, Dakota, he has returned to his first love, and will make the old Register one of the best papers printed on the line of the Milwaukee & St. Paul railroad. Success to you, Cap.

THE COUNCIL ADJOURNS

Nothing Startling Done.

The supreme court of the City of Plattsmouth, after being in session all day yesterday, and until twelve o'clock last night, adjourned until 7:30 this morning, when at about that hour his honor, Chief Justice Smith ascended the bench and brought down the gavel.

This put an end to the chapter, and council adjourned without granting any license, and consequently the town today is in a condition of drought, not often witnessed so near the Missouri River.

The Lincoln Daily News gives the following interesting description of a Sunday visit to the Penitentiary: Your correspondent had the pleasure of attending divine service at the penitentiary, yesterday, through the kindness of the officers and chaplain.

Police Court.—Trial to the city council as to whether licenses shall be granted to certain saloons. Police Judge witness for remonstrators. Ques. by Yannata Counsel: Mr. Pottenger, have you taken any drinks at Joseph McVey's during the past year?

All law and order loving people, who desire to see the Slocumb license law carried out against all offenders who are engaged in the whisky business, are called to meet at the M. E. Church, on Wednesday evening, at 8 o'clock, to organize for the work.

DISTRICT COURT.

Judge Found on the Bench—Today's Doings.

Court convened this morning with Judge Pound on the bench and a full attendance of the bar. The grand jury was empaneled and began its duties. The forenoon was spent in calling the docket, and this afternoon the trial of cases began and the following were disposed of:

Uncle Ezra Plummer, father of Mr. Eli Plummer, of Lincoln, dropped into the HERALD office this morning. He is on his way to Iowa to visit old friends and relatives.

We notice that Hon. Lawson Sheldon is a spectator at this term of our district court. Mr. Sheldon is one of the largest real estate owners and farmers in Cass county.

J. V. Weckbach returned last night from Kansas City, which place he pronounces a second Chicago. While in the city he called on Mr. Muldner, Prof. Wise and other former Plattsmouth people.

C. E. Bibbes and wife, of Burlington, Iowa, are in the city, visiting Mr. Tibbles is the inventor of the Tibbles sewing machine and president of the company which manufactures them.

1st. That the remonstrances be dismissed, because they were not filed until the council was in session and ready to act.

2d. Because they were not filed according to law. 3d. Because the city council had no jurisdiction to hear and decide the issues made.

These applicants for license are not those who obtained, and sold liquor under license last year and are not liable for violations of laws and ordinances committed by those who did have license.

Plattsmouth, Nebraska,

T VISIT ON

19, 1883

ONE DAY,

HOUSE,

ULTED ON THE

Bladder and Female Diseases as Well as All

Chronic and Nervous Diseases.

DR. FISHBLATT

Has discovered the greatest cure in the world for weakness of the back and limbs, involuntary discharges, impotency, general debility, nervousness, languor, confusion of ideas, palpitation of the heart, thinning, trembling, dimness of sight or blindness, diseases of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—these terrible disorders, arising from solitary habits of youth—and secret practices, none fatal to the victim (that the sons of Sydenham or the martyrs of Uvass, blighting the most radiant hopes or anticipations, rendering marriage impossible.)

Those that are suffering from the evil practice, which destroy their mental and physical system, causing

NERVOUS DEBILITY.

The symptoms of which are a dull distressed mind, which unfit them for performing their business and social duties, makes happy marriages impossible, distresses the action of the heart, depression of spirits, evil forebodings, cowardice, fears, dreams, restless nights, dizziness, forgetfulness, unnatural discharges, pain in the back and hips, short breathing, melancholy, tire some, weakness, loss of memory, white bone deposit in the urine, nervousness, trembling, confusion of thought, watery and weak eyes, dyspepsia, constipation, paleness, pain and weakness in the limbs, etc., should consult me immediately and be restored to perfect health.

YOUNG MEN

Who have become victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of exalted talent and brilliant intellect who might otherwise entrance listening senators with the thunder of their eloquence or waken to ecstasy the living lyre, may call with confidence.

MARRIAGE.

Married persons or young men contemplating marriage beware of physical weakness. Loss of procreative power, impotency or any other disqualification specially relieved. He who places himself under the care of Dr. Fishblatt may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately cured and full vigor restored. This distressing affection, which renders life a burden and marriage impossible, is the penalty paid by the victim for improper indulgence. Young men are apt to commit serious errors, being being aware of the dreadful consequences that may ensue. Now who that understands this subject will deny that procreation is best secured by those falling into improper habits than by the prudent. Besides being deprived of the pleasures of healthy offspring, the most serious and destructive symptoms, both to mind and body arise. The system becomes deranged, the physical and mental powers weakened. Lost procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, wasting of the frame, cough, consumption and death.

A CURE WARRANTED.

Persons ruined in health by unlearned pretenders who keep them a trifling month after month taking poisonous and injurious compositions should apply immediately.

DR. FISHLATT,

graduated at one of the most eminent colleges in the United States, has effected some of the most astonishing cures that were ever known. Many troubled with Ringing in the ears, attended sometimes with derangement of the mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. F. addresses all those who have injured themselves by improper indulgence and solitary habits which ruin both mind and body, uniting them for business, study, society or marriage. These are some of the most melancholy effects produced by the early habits of youth, viz: Weakness of the back and limbs, pains in the head and dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of digestive functions, debility, consumption, etc.
