**TO THE CITIZENS of CASS COUNTY**

Knowing that you realize the fact that within the last six months we have caused the prices of

**Drugs, Medicines, Oils Etc.**

to be reduced to "living and let live" prices. We announce that we will not be undersold, and will duplicate any prices quoted by our competitors, which are but a small advance over wholesale prices, from which a faint idea may be gained of the enormous profit at which goods have been sold and the prices imposed upon the consuming public.

We sell at a small profit, and expect to build our trade on good goods and low prices, and parties wanting anything in the

**Drug Line,**

will do well to get our prices, as we will save you money over buying in Chicago or Omaha.

**A DAY'S DOINGS.**

**Governor Butler as a Philanthropist.**

**Precaution Against Yellow Fever.**

**Other Matters.**

**AND STILL THEY COME.**

**BALTIMORE** May 3.—The steamer Braunschweig, from Bremen, landed 1,169 emigrants.

**A BIG JUDGMENT.**

**NEW ORLEANS**, May 3.—In the case of Mira Clark Gains against the city of New Orleans, the report of the master of chancery was confirmed, and Mrs. Gains gets a judgment against the city amounting to \$1,025,667.

**THE DRAMATIC FESTIVAL.**

**CINCINNATI**, May 3.—The interest in the dramatic festival does not abate. The audience tonight at Othello numbered 4,000. The cast included McCollough as Othello, Barret as Iago, Mary Anderson as Desdemona, and Clara Morris as Amelia, with unusually good support. They produced a performance which is regarded one of the most finished yet presented.

**AFRAID OF YELLOW FEVER.**

**AUSTIN**, May 3.—There is considerable apprehension on the lower Rio Grande regarding yellow fever. The governor received a telegram from the chamber of commerce at Matamoras, advising that should quarantine be necessary this season that the station be made at Bagdad instead of Brownsville. The officers of Brownsville consulted with the Mexican authorities on the subject.

**\$24,000 GOBBLED.**

**FORT WORTH**, Tex., May 3.—Information reached this city Tuesday that Maj. Wesson, army paymaster, had been robbed of his valise, containing \$24,000 in currency, while occupying a sleeper on the Texas & Pacific railroad, near Sweet Water, on Sunday last. The officer was on his way to pay the troops at Fort Bliss. He is now at Colorado City, and gives only an indefinite account of the affair.

**INDIANS CAPTURED.**

**LITTLE ROCK**, May 3.—A telegram from the Indian territory reports that Spioche, the Creek Indian rebel, having failed to go to Fort Gibson, as he promised Captain Bates, of the United States army, he would do, has been arrested with two of his chiefs. Spioche's band scattered, but was pursued by the troops and sixty-five of them and a large number of women and children captured and taken to Fort Gibson. No further trouble is apprehended from them.

**BULLY FOR BEN.**

**BOSTON**, May 3.—The committee on expenditures called upon Gov. Butler today regarding the appropriation for Tewksbury almshouse. The governor guaranteed to run the institution on his own system, if the legislature would appropriate a sum equal to \$70,000 a year. If any of the appropriations remained unexpended he would turn the residue over to the state treasurer. If the expenses exceed the amount, he would pay it out of his own pocket. To show that the institution was properly cared for, he would allow a committee of the republican state central committee to inspect the institution.

**THE SALOON KEEPER'S KICK.**

**DES MOINES**, May 3.—The saloons in this city are still closed, with no present prospect of opening. The keepers have asked the council to grant them the privilege of selling whisky, in which case they will take out licenses. This would be in violation of the state law, and was not considered by the council. The saloons have entered into a conspiracy to take out licenses, hoping to frighten the council by the loss of revenue, but the mayor and council are firm, and the probabilities are that a limited number of saloons will pay the thousand dollar license and open up.

**A GAS EXPLOSION.**

**VICKSBURG**, Miss., May 3.—The watchman in the refining oil mills last night went to the gas vault to wind up the machinery. When he reached the door Harry Parks, Minnie Cavender and Lelia McMasters were going to see how the machine worked, and were about ten feet from the watchman. Parks had a lantern. When the door opened, the gas in the vault rushed out, ignited by the lamp, and the flames spread all around the party. Miss Cavender died. Parks and McMasters are thought to be fatally burned. Paper, assistant engineer, had an ankle broken by the explosion. An employee named Green was badly burned in endeavoring to save the women.

**THE UNION PACIFIC CLAIMS.**

**WASHINGTON**, May 3.—Sidney Dillon, president of the Union Pacific road, has written to Secretary Teller concerning the claims against the road. He says there is due to the company sums largely in excess of the amounts claimed by the secretary of the interior to the govern-

ment, and that any claim of the United States for immediate payment under the Thurman act, must be based either upon the rate of allowance for postal service fixed by the postoffice department, which the supreme court has rejected, or upon the allowance for service at express rates, as claimed by the company. Adopting the rates thus claimed by the company, the government is indebted to the road \$2,738,889—a sum far in excess of the amount sought to be recovered by the interior department.

**ACROSS THE SEA.**

**Improvement of the Harbor.**

**Interesting News From All Parts.**

**BELFAST**, May 3.—Two hundred persons known to be members of the patriotic brotherhood, have left Crossmaglen, county Armagh, and its vicinity, because of revelations made recently implicating them in unlawful acts.

**TYNAN, WALSH AND SHERIDAN.**

**DUBLIN**, May 3.—The crown has presented to the grand jury bills for murder against Peter Tynan, "Number One," John Walsh and P. J. Sheridan, and a bill of accessory to murder after the fact against Fitzharris. Walsh and Sheridan are in America, and Tynan is supposed to be there.

**HARBOR IMPROVEMENTS.**

**MEXICO**, May 3.—The government has made a contract with a French firm for harbor improvements at Vera Cruz. The northwest breakwater will be completed in five years, and all the work will be finished in twelve years. The government will pay the contractors \$10,047,000 Mexican silver dollars, in weekly payments of \$10,000 as the work proceeds.

**A STREET BLOWN UP.**

**PETERSBOROUGH**, ENGLAND, May 3.—Priestgate street, one of the principal thoroughfares in this city, was partially blown up last night. Great alarm was created by the explosion, as it was thought to be the work of dynamite fiends; but now it is believed to be the ignition of gas in the sewer under the street. Houses on the street were much damaged.

**DISASTER IN A MINE.**

**HALIFAX**, May 3.—A News Glasgow dispatch says that while men were coming up from work in Vale mine, the rope broke, and the boxes ran down the shaft, killing six men, J. R. Gillis, Colin Campbell, A. Teazer, Wallace McGillivray, J. O. McEachern, a boy, and Wm. Hannahan, a boy. The injured fatally are: R. McLead, John Nicholson, a boy, Richard Taylor, A. Irving, a boy, and — Malcolm.

**AN ENGAGEMENT WITH REBELS.**

**CAIRO**, May 3.—A telegram has just been received from Col. Hicks reporting that on the 29th ult. he had an engagement with five thousand rebels. The battle, which lasted half an hour, resulted in the defeat of the rebels with five hundred killed, including the lieutenant general of El Mahris, the false prophet, and many wounded. The Egyptian loss was slight. Colonel Hicks praises the gallantry of the Egyptian troops.

**WASHINGTON NEWS.**

**The Civil Service Commissioners.**

**General Miscellany.**

**TO SUCCEED RAM.**

**WASHINGTON**, D.C., May 3.—It is understood that Senator Logan is urging the appointment of A. C. M. Lewis, of Illinois, as commissioner of internal revenue, to succeed Ramon.

**ROMERO WILL REDEEMER.**

Owing to bad health, Simon M. Romero, Mexican minister, has decided to spend the coming summer traveling in Europe. The secretary of the legation will act as charge d'affaires.

**WITHOUT FURTHER ARGUMENT.**

At a meeting of the council for the defense in the star route case, this evening, it was decided that at the conclusion of Bliss' address the defense should submit the case without further argument.

**THE HILL INVESTIGATION.**

Secretary Folger, in regard to the ending investigation of Supervising

Architect Hill, answers the objection raised by Murch to placing Alexander on the investigation committee, and declares that Alexander is a proper official, and will serve. He also directs that the investigation proceed.

**CONFERENCE OF COMMISSIONERS.**

The civil service commissioners, Eaton and Gregory, held a long conference with the postmaster general today respecting the civil service rules. By request he made an examination of the records of the appointment division with a view to making appointments in that department.

**INSPECTION.**

Admiral Porter and staff left the Washington navy yard today on the United States Dispatch, to inspect the squadron now assembling at Hampton Roads. It is probable that the President will be present at the review, the date of which may be delayed through the unavoidable absence of Secretary Chandler, who has been called to New Hampshire by sickness in his family.

**NO REPLY FROM CROOK.**

The war department has not yet received from Gen. Crook a reply to the telegram sent him by Gen. Sherman on the 28th, nor has any official information been received in regard to his having crossed into Mexico. The press reports that he had passed the boundary line before the cautionary telegram could have reached him, are, however, fully refuted at the department.

**BLISS STILL BUBBLES.**

In the star route trial Bliss continued his address. Referring to Walsh's testimony, Bliss said the defense had asserted that Walsh had an animus against Brady because he (Walsh) had a suit against him for a large sum of money. Certainly it was not to Walsh's interest to shut up his debtor in prison. Bliss read numerous extracts from the record. He had not concluded his address when court adjourned.
