The sixth anniversary of the founding of the Pioneer Sangerbund takes place at Lincoln today; delegates from all the principal German musical societies in the state will be present, so that an immense time is anticipated. The delegates from the Liederkranz of this city are, C. Breckenfeld, H. Weckbach, E. Stamm, John Fritz and William Nagle. They left on the morning train yesterday for Lincoln.

**J. C. Eikenbary** possesses several advantages in the race for sheriff, over his opponent. His natural qualifications are fully equal, if not superior, while he has the decided advantage of a perfect knowledge of the duties of the office, obtained through a term's service as deputy. Taking all things into consideration, Mr. Eikenbary is decidedly the man for the position.—W. W. Republican.

The campaign progresses energetically. The democratic side of the house this last week has witnessed a career of reconnaissance of the county by the ablest and purest of the democratic leaders. Gen. Fred Kroehler in charge of Col. Peor Ruffner, has made a circuit of the county. A yet, these eminent statesmen have not reported the details of their campaign to the HERALD; but we feel assured, we have an abiding faith, a deep seated, for each ing conviction, that amounts to absolute faith, that only good can come of such a canvass. When Gen. Kroehler and the democratic party heal their difficulties and the democratic party prevails on the General to leave his tent and don his armor, we may expect music in the air.

**Mr. Morton** appeared in the Herald yesterday with a "catechism." It reads something like this:  
 Who was the first man? Savage.  
 Who slew Goliath in the war of the rebellion? Savage.  
 Who killed Cock Robin? Savage.  
 Who improved and enlarged Black stone? Savage.  
 Who is the author of the Lord's Prayer. Savage.  
 Who is ready to die to save Nebraska from sin. Savage.  
 Who knows more than anybody? Savage.  
 Who is better than anybody? Savage.  
 Who invented the locomotive? Savage.  
 Who never lost a case in the supreme court? Savage.  
 Who had all the cases in Nebraska before he went on the bench? Savage.  
 Who was never reversed by the supreme court? Savage.  
 Who never sought an office? Savage.  
 Who is the king of antimonopolists? Savage.  
 Who stands far above party on the cloud-capped mountain of personal grandeur and heroic virtue? Savage.

**Fine Music.**  
 Plattsmouth is being regaled today with some of the most entrancing music that is ever heard in this country. The musicians, seven in number, are from a German army band, who are visiting America on a tour of sight seeing and pleasure having a years leave of absence from the old country, having just well commenced their trip on this continent. Their modes operandi is to play on the streets collecting whatever their appreciative listeners wish to contribute, and in this way they meet all their expenses. While they were in Cleveland, Ohio, their receipts were some two hundred and fifty dollars, and in Omaha one hundred and seventy-five dollars, so they are evidently making their trip profitable as well as pleasant.

Their music is simply grand and their selections of a very high order, while they hold the attention of the most obtuse listener by their splendid playing. The HERALD suggests that if our German citizens should give them a benefit that many others would be glad to help in the undertaking.

A poverty stricken outfit struck the town dead broke Saturday night, but through the kindness of John Simpson and W. D. Jones they got a square meal and were comfortably fixed up at Jones' livery stable for the night, the party, 15 in all, left for the west this morning.

**SCROFULA**  
 and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworms, The Itchy, Scabs, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

**A Recent Cure of Scrofulous Sores.**  
 "Some months ago I was troubled with scrofulous sores (alters) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, when I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.

Yours respectfully, Mrs. ANN O'BRIAN,  
 148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brien; also upon the Rev. F. W. Field of the East 64th Street, New York City, who will take pleasure in referring to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of scrofulous diseases, but in the cure of many other affections within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882:

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past month, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all scrofulous diseases."

**Ayer's Sarsaparilla**  
 stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Eczema, Neuralgia, Rheumatism, Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and its great power over disease.
