MISCELLANEOUS NEWS.

The Criminal Doings.

Other News Notes.

THE SWAIM COURT.

Washington, May 17.— In the Swaim court of inquiry today Myron A. Parke was summoned by the judge advocate and closed the evidence. The court directed counsel to file printed briefs by Wednesday morning next, when arguments of counsel will be heard. In the meanwhile court adjourned.

DRUNKEN THREATS.

The secretary of the navy received a telegram from Commander Batcheller, commanding the United States steamship Galena, at Key West, saying that the threats against the Spanish consul at that place, reported yesterday, were made in a bar room by two or three drunken Cubans, but neither the consul nor the authorities of Key West attach much importance to them. The secretary telegraphed to Commander Batcheller to use the naval force if necessary to preserve the peace and protect the consul.

Washington, May 17.—The treasurer of the United States has forwarded $8,000,000 in legal tenders to the assistant treasurer at New York, for use in case of necessity.

WALL STREET NEWS.

New York, May 17, 12:30 p. m.—The morning passed quietly. Confidence is progressing and in a fair way toward a speedy recovery of value in stocks. The advance of the morning is well maintained, the movement being merely checked at intervals by unusual sales of small holders to secure profits. The bank statement is favorable, showing an excess above the legal requirements of over $3,000,000. The opinions of leading financiers is that gradual improvement is certain. There is no danger of another backward step.

THE U. S. EXPRESS.

New York, May 17.—President T. C. Platt, of the United States express office, writes to the Stock exchange as follows: "Inquiries have been made in regard to certain testimony printed in the morning papers: to set at rest absolutely all rumors, I now state that neither as president or personally, directly or indirectly, have I ever had any transactions with the firm of Grant & Ward or Mr. Fred Ward. The United States Express company in the course of regular business, had on deposit in the Marine National bank, the sum of $49,000 when the bank closed, and I am assured that it will result in no loss to the company."

GRANT & WARD'S AFFAIRS.

New York, May 17.—C. McCullough, Beecher & Co., merchants, filed an assignment to H. Payne Bartleet, giving preferences to Drexel Morgan & Co. for $65,000. In the petition of Julian Davies, receiver of the firm of Grant & Ward, the supreme court today granted an order authorizing the receiver to compromise certain claims of the firm of L. Von Hoffman & Co. and Brown Bros., each for the sum of $102,000. The receiver believes that other loans of a similar character have been obtained by the firm of Grant & Ward and therefore he asks permission to compromise all such claims by the surrender of bonds at their par value. The court granted authority to compromise the claims.

CAUSES OF SUSPENSION.

New York, May 17.—McCullough, Beecher & Co. are shipping merchants. The suspension was caused by the currency of Brazil having been heavily depreciated and the decline in coffee for the last three months.

THE NEWARK SAVINGS BANK.

Newark, N. J., May 17.— The receiver of the Newark savings institution has submitted a statement to the chancellor, showing the amount due depositors as $6,156,584; total assets, according to the receiver's estimate, exclusive of $845,000 due from Fisk & Hatch, $4,095,386; deficiency, $1,161,197. The bank has securities and cash on hand to warrant the payment of 30 per cent to depositors immediately. In case Fisk & Hatch are able to resume the bank would lose nothing, and the receiver says he will make the most liberal arrangements possible to enable the firm to continue business.

PROBABLY FATAL ACCIDENT.

Des Moines, Ia., May 17—While two boys, John Jones and Freddie Chapman, were looking at a revolver this afternoon, it was discharged. The ball, which was of large size, entered the chin of Chapman, passing under his tongue and lodged near the spine. The left side of the boy is paralyzed, showing that the spine was struck. Physicians fear the spine is injured and that death must result.

A COLLISION.

Pittsburg, May 17.—This evening the Alliance accommodation, going east, and a freight train collided near Enon Valley, Penn., on the Pittsburg, Fort Wayne & Chicago railroad. Both trains were badly wrecked. Seven persons were seriously injured, two reported fatally. The trains were going at the rate of fifteen miles an hour when the collision occurred. Both engines, nine freight cars, and the mail and baggage cars of the accommodation were demolished. Seven persons were injured, none seriously. Their names are as follows:

Engineer of the freight train, W. Portepract, bruised and cut about the head.

Engineer P. Overlander, very badly bruised.

Fireman Chrales Betz, leg broken.

Conductor of passenger train, Isaac Morrow, ankle sprained.

Express Messenger, name not learned, bruised and cut about the head.

Conductor Castner, badly bruised.

A number of passengers were slightly bruised.

The accident was caused by a misunderstanding of orders. Trains west and east were delayed several hours.

DOULLE MURDER.

Bardstown, Ky., May 17.—Herbert Armstrong and David Brown were found dead today in a field where they had been plowing. One was shot through the heart and the other through the head. The killing was done with a Spencer rifle. The supposition is that the murderer concealed himself in the bushes and coolly shot the men down. Circumstantial evidence is strong against William Frezee, who had business trouble with the murdered men. The three were all well-to-do farmers. Excitement is high, and it is feared Frezee will be mobbed.

FATAL AFFRAY.

Gleeson, Tenn., May 17.—Two men, Frindell and Kirby, quarreled over a trivial matter tonight. Frindell cut Kirby's throat, and Kirby shot Frindell. Both died in half an hour.

ARRESTED.

Chicago, May 17.—John Q. Brownloe, ex-treasurer of Marion, Indiana, was arrested here tonight on a warrant for embezzlement. It is charged that he is short in his accounts $4,000.
