Ever since ex-Marshall Guthrie was convicted of bribery in the district court, his friends have been laboring with him and begging of him to make a full and free confession in regard to the affair and not shoulder a majority of the blame in the crooked transactions for which he and ex-mayor Chase were indicted and upon which charge he was convicted.

Omaha's Mayor.

Wednesday Mr. Guthrie was taken before the grand jury as a witness against Chase and while there made a clean breast of the matter, and told what he knew. It has been impossible to procure a full statement but it was in substance as follows: Shortly after Guthrie was appointed marshal by Chase, he was approached by the mayor and told to get all he could out of the gamblers and that he and the mayor would "whack up." This he did and paid over to the mayor at different times, about \$477, which money had been obtained from the gambling houses in this city.

The question has been asked several times "how about a fair this fall?" Secretary Wise informs us today that the premium lists are expected this week, and that a fair will be held, - Plattsmouth Herald.

With all due respect for the Cass county fair association, and as it has been a failure for several years past, would it not be better to consolidate with the Weeping Water fair to be held this fall. The Weeping Water fair is not running in opposition to the county fair, and no antagonistic feelings or jealousy exists towards the latter. One fair, located a little nearer the centre of the county than at Plattsmouth, would prove a financial success.

Vital Questions ! ! !

Ask the most eminent physician. Of any school, what is the best thing in the world for quieting and allaying all irritation of the nerves, and curing all forms of nervous complaints, giving natural, childlike refreshing sleep to Women? And they will tell you unhesitatingly "Some form of Hops! !"

CHAPTER I. Ask any or all of the most eminent physicians: "What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; such as Bright's disease, diabetes, retention, or inability to retain urine, and the diseases and ailments peculiar to Women?" "And they will tell you explicitly and emphatically "Buchu! !!"

"Ask the same physicians "What is the most reliable and surest cure for liver diseases or dyspepsia; constipation, indigestion, biliousness, malaria fever, ague, &c.,"and they will tell you: "Mandrake! or Dandelion! !"

Hence when these remedies are combined with others equally valuable, and compounded into Hop Bitters, such a wonderful and mysterious curative power is developed, which is so varied in its operations that no disease or ill health can possibly exist or resist its power and yet it is harmless for the most frail woman, weakest invalid or smallest child to use. "Patients "Almost dead or nearly dying"

For years, and gave up my physicians, of Bright's and other kidney diseases liver complaints, severe coughs, colds, constipation, have been cured. Women gone nearly crazy! ! ! From agony of neuralgia, nervousness, wakefulness, and various diseases peculiar to woman. People draw out of shape from excruciating pangs of rheumatism, inflammation and chronic or suffering from scrofula. Erysipelas! "Sairthem, blood poisoning, dyspepsia indigesting" and, in fact, almost all diseases frail!" Nature is heir to Hop Bitters, proof of which can be found in every neighborhood in the known world.

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name. June 23 1884 dwtm
