Woman's Suffering and Relief.

Those languid, tireless sensations, causing you to feel scarcely able to bear your feet that constant drain that is taking from your system all its former elasticity, driving the bloom from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system, are relieved at once while the special cause of periodical pain are permanently removed. None receive so much benefit, and none are so profoundly grateful, and show such an interest in recommending Hop Bitters as women.

A Postal Card Story.
I was affected with kidney and urinary trouble—
"For twelve years!"
After trying all the doctors and patent medicines I could hear of, I used no bottles of Hop Bitters."
And I am perfectly cured. I keep it "All the time!" respectfully, B. F. Booth, Saulsbury, Tenn.—May 4, 1888.

DEADFORD, Pa., May 3, 1875.
It has cured me of several diseases, such as nervousness, sickness at the stomach, monthly troubles, etc. I have not seen a sick day to a year, since I took Hop Bitters. All my neighbors use them. **MRS. FANNIE GREENE.**

"A tour to Europe that cost me \$3000, done for less good than one bottle of Hop Bitters. It also cured my wife of three years' nervous weakness, sleeplessness and dyspepsia."
R. M. Auburn, N. Y.

Baby Saved.
We are so thankful to say that our nursing baby was permanently cured of a dangerous and protracted constipation and irregularity of the bowels by the use of Hop Bitters by its mother, which at the same time restored her to perfect health and strength.
—The Parents, Rochester, N. Y.

"Some genuine without bunch of green hoops on the white label, show all the vile poisonous stuff with Hop's Hoops in their name."

Until further notice I can bring immigrants from England or Ireland to Plattsmouth for \$35.00. This is a rare chance, and those intending to send for their relatives should embrace this favorable opportunity.

WHEN THE FIRE IS OUT
Magic No More a Mystery—Seen From Across the World.

"Baron de alippo," said Sir Philip Derval, had mastered every secret of nature which the noble magic seeks to follow. He discovered that the true art of healing is to assist Nature to throw off the disease—to stimulate, as it were, the whole system to reject the enemy that has fastened on its frame.

His process all included the rejuvenation of life.

In this the Eastern sage nearly antedate the practice of the best physicians of to day. Which life itself is, no body knew then—nobody knows now. But we have learned something of the reason why the mysterious tide rises and falls. Provided the great organs of the body are not irreparably destroyed, medical science can always relieve and often save. Yet no reputable physician now adheres to the barbarous and stupid process attempted to cure diseases by reducing the patient's ability to resist it. Now-a-days we do not tear down the fort to help the garrison—we strengthen it. In this intelligent and beneficent work, it is conceded that PARKER'S TONIC leads all other medicines. As an invigorant it immediately and powerfully upon the circulation and the organs of digestion thus giving Nature the assistance she calls for. It follows that ailments of the stomach, kidneys and liver are at once relieved or cured. No other preparation embodies the same qualities or produces similar results. It is delicious to use, and the best known anti-intoxicant. Price 50 cents and \$1. Hiseock & Co. N. Y.
