Woman's Suffering and Relief.

Those languid, dreary sensations, causing you to feel scarcely able to be on your feet that constant drain that is taking from your system all its former elasticity, driving the bloom from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful can easily be removed by the use of Hop Bitters. Irregularities and obstructions of your system, are relieved at once when the special cause of periodical ailments are permanently removed. None receive so much benefit, and none are so profoundly grateful and show such an interest in recommending Hop Bitters as women.

A Postal Card Story.

I was afflicted with kidney and urinary trouble—
"For twelve years."
After trying all the doctors and patent medicines I could hear of, I used two bottles of Hop Bitters.
"And I am perfectly cured. I keep it "All the time," respectfully, B. E. Booth, Sausalito, Tenn.—May 4, 1883.

BRADFORD, PA., May 8, 1876.

It has cured me of several diseases, such as nervousness, sickness at the stomach, monthly troubles, etc. I have not seen a sick day in a year, since I took Hop Bitters. All my neighbors use them. Mrs. FANNIE GREEN.

"A tour to Europe that cost me \$1,000, done me less good than one bottle of Hop Bitters; they also cured my wife of fifteen years' nervous weakness, sleeplessness and dyspepsia." H. M. Anshur, N. Y.

So, BLOOMINGVILLE, O., May 1, 75.
Sirs—I have been suffering ten years, and I tried your Hop Bitters, and it done me more good than all the doctors. Miss S. S. BOONER.

Baby Saved.
We are so thankful to say that our nursing baby was permanently cured of a dangerous and protracted constipation and irregularity of the bowels by the use of Hop Bitters by his mother, which at the same time restored her to perfect health and strength.
—The Parents, Rochester, N. Y.

"None sensible without a bunch of green Hops on the white table. Thus all the vile poisonous stuff with Hops in their name."

Until further notice I can bring immigrants from E. and Ireland to Plattsmouth for \$35.00. This is a rare chance, and those intending to send for their relatives should embrace this favorable opportunity.

WHEN THE FIRE IS OUT

Magie No More a Mystery—Seen From Across the World.
"Haroun of Aleppo," said Sir Philip Deriva, "had mastered every secret in nature which the noble magic seeks to fathom. He discovered that the true art of healing is to assist Nature to throw off the disease—to summon, as it were, the whole system to eject the enemy that has fastened on a part. His process all included the reinvigoration of life.

In this the Eastern sage nearly anticipated the practice of the best physicians of our day. Which his method is, no body knew then—nobody knows now. But we have learned something of the reasons why the mysterious tide rises and falls. Provided the great organs of the body are not irreparably destroyed, medical science can always relieve and often save. Yet no reputable physicians now adhere to the barbarous and stupid process attempted to cure diseases by reducing the patient's ability to resist it. Now-a-days we do not tear down the fort to help the garrison—we strengthen it. In this intelligent and beneficent work, it is conceded that PARKER'S TONIC leads all other medicines. As an invigorant it immediately and powerfully upon the circulation and the organs of digestion thus giving Nature the assistance she calls for. It follows that ailments of the stomach, kidneys and liver are at once relieved or cured. No other preparation equals the same quantities or produces so brilliant results. It is delicious to use, and the best known and intelligent. Price 50 cents and \$1. Hiseock & Co. N. Y.
