John Dillon. Last evening every seat in Waterman's Opera house was taken to witness "Wanted—the Earth" and from the way the audience applauded it was a good "hit." Mr. Dillon's first appearance in the play was greeted with shouts and cheers. The play bubbled over with fun and abounded in ludicrous situations, the central figure of which was invariably Dillon.

Ninth St. Theater. "Peck's Bad Boy" may not have turned people away from the doors last night, but there was not a vacant seat in the house after 8 o'clock and about that time the audience commenced to laugh and kept it up without intermission during the three acts. The sketch is familiar to the public and it is rather a pleasing sketch. Atkinson has a clever company and they introduce into the olio of the last act some very fine specialties. There is lots of fun in "Peck's Bad Boy" and it is evidently in for a big week.—Kansas City Times, Sept. 27. You should not fail to see them at the Opera House next Monday night. Reserved seat tickets now on sale at J. P. Young's.

The Jury Discharged. Judge Chapman this morning discharged the jury which has done such good service during the past three weeks, and the coming cases will be tried without a jury unless the parties demand it, and then by the consent of both a special jury will be drawn. Most of the men of this panel were representative business men of the county and three weeks from their business is considerable, and a number of the panel had been excused before. Court will probably last a week or ten days yet and the men were quite anxious to get away, and Judge Chapman understanding the situation pretty well, dismissed them this morning.

Sergt. Bates in London.

I asked what kind of a man Sergt. Bates was, who starts the show by riding round the immense ring with the American flag in his hands, and he rides as well as any Indian. "Why," said Jack Burke, "Bates is a real philanthropist, for that man is going on all day with those Indians, taking them to the tower, to Westminster Abbey or some place or other. We have to keep their minds occupied or the monotony wears upon them. Bates loves nothing better than to go around with these Indians morning and night. He has carried the American flag through all the American states and through all the British islands. When we took him up the old fellow could hardly make a living. He is of considerable use to us.—"Gath" in Cincinnati Enquirer.

Testing Electric Currents.

The heat indicating paint recently brought out has been applied to electric wires to indicate the strength of the current. The paint is red, turns dark as the heat rises, and finally becomes black, which is conclusive evidence that the current in the wire is too strong.—Boston Transcript.

THE REPUBLICAN CONVENTION.

The Largest Convention Ever Held in the County.

Puts a Ticket in the Field that will Sweep the County.

The Proceedings of the Convention.

To-day has been a most beautiful one for the convention, and the delegates from over the county arrived on every train in squads, and some came in in wagons. At 10 o'clock Main street was pretty well filled with people and delegates here to attend the convention. At 11 o'clock the delegates repaired to the court-room and it was soon crowded with spectators. At 11:20 chairman of the central committee, Dr. Butler, called the convention to order and made a few preliminary remarks, and business began.

Mr. Woosley moved that Mr. Alton be elected chairman. The motion was lost by vote of 47 to 56.

Mr. Woosley moved that Dr. Butler be elected chairman which was carried unanimously.

Judge Sullivan then moved David Miller be elected secretary. Motion carried unanimously.

In response to motions, the chairman appointed the following: Credentials, John Murphy, R. S. Wilkinson, W. A. Keithley, Geo. Finley and Wm. L. Wells, chairman.

Permanent organization: E. R. Todd, J. W. Cox and E. H. Woosley, chairman Order of business: W. H. Newell, chairman, C. Sheldon, J. Tolin, Dan McCraig and E. S. Gilbert.

Convention then adjourned to meet at 1 o'clock.

At 1 o'clock the court-room began filling up, and at 20 minutes to 2, the committee on credentials having finished their report, the convention was called to order and their report read.

On motion the report was accepted. Some of the delegations not being full, on motion of Mr. Murphy, the representatives of each precinct were allowed to cast the full vote.

The committee on permanent organizations reported in favor of the organizations as it was, with the addition of Edwin Jeory as assistant secretary.

The committee on order of business, reported their plan as follows: treasurer, 1st; clerk, 2nd; recorder, 3rd; superintendent, 4th; sheriff, 5th; judge, 6th; clerk of district court, 7th; county commissioner, 8th; surveyor, 9th; coroner, 10th; the election of delegates to state convention, 11, and last the election of delegates to the judicial convention. The report was accepted, and the convention immediately proceeded to the nominations.

Judge Sullivan presented, by motion, the name of David A. Campbell for treasurer, which nomination was greeted with tremendous applause and was seconded by Mr. Root of Rock Bluffs precinct. Mr. Woosley moved the acceptance of the nomination, which was seconded and carried unanimously. Treasurer Campbell was then called up amid great applause. He thanked the convention heartily for his renomination and gave them assurance of the faithful performance of his duties, in case of reelection, which is most certain.

Mr. Coon, of Center precinct, rose and moved Mr. Bird Critsfield, of that precinct, be nominated for county clerk. The name met no opposition and was greeted with applause, and on motion he was, by acclamation, unanimously declared the nominee. Mr. Critsfield rose in answer to the calls and thanked the convention for the honor and nomination.

Mr. Murfin, of Factoryville, nominated Wm. Pool for the office of recorder of deeds. M. D. Polk moved the nomination be made by acclamation. The motions carried amid loud applause and Mr. Pool responded to calls, with a speech of thanks.

Mr. T. F. Young of South Bend nominated Maynard Spink, of South Bend precinct for the office of county superintendent of schools. The name called forth great applause and W. W. Drummond moved the nomination be made by acclamation, the motion carried unanimously and Mr. Spink responded with a speech of thanks.

Mr. Woosley then placed before the convention the name of Mr. Yoemans and moved his nomination for sheriff. W. W. Drummond then presented Mr. Eikenbary for the same office. On motion of Judge A. N. Sullivan three tellers were appointed. An informal vote resulted in 85 for Yoemans, 69 for Eikenbary, 4 for Woodard, and 1 for Pete Eveland. The formal Ballot taken immediately resulted in 86 for Eikenbary and 72 for Yoemans, electing Eikenbary by a majority of 16. The nomination was followed by the usual applause and Sheriff Eikenbary made the usual speech of thanks.

vin Russell, 68 for C. H. Woosley, and 10 for Willet Pottenger, thus giving Mr. Russell the nomination by 12 majority.

Motions were then made presenting the names of Wm. Hayes, Geo. C. Staats and H. J. Streight for clerk of district court. The first ballot resulted in 55 votes for Hayes, 45 for Staats and 58 for Streight. There being a lack of majority for either man a second ballot was necessary. It resulted in 71 votes for Streight, 33 for Staats and 55 for Hayes. The lack of a majority made the third vote necessary, and at this time Mr. Hayes withdrew his name leaving H. J. Streight and Geo. Staats in the field. The third ballot resulted in 91 votes for Streight and 67 for Staats. Streight thus having the majority, and making him the nominee. He was called for but did not respond as he was probably not present.

The next office was that of county commissioner, and motions were made presenting G. F. Sweitzer of Avoca, Walter Cutforth of Louisville, Geo. Young of Mt. Pleasant and Ross Morrow of Rock Bluffs. The first ballot resulted in 87 for Young, 33 for Sweitzer, 38 for Cutforth, 21 for Morrow, there being one extra vote somewhere, but as it would not affect the majority which way it went Geo. Young was declared the nominee.

The office of surveyor was next to be filled. Judge Sullivan placed the name of A. Madole, by motion, for the office. He was declared the nominee by acclamation.

The following were then nominated for coroner: Henry Beck, John Uruh, and Judge Johnson nominated Judge A. N. Sullivan.

The first ballot showed Boeck 63 votes, Uruh 49 and Sullivan 36.

There was again a lack of the necessary majority (80 votes) and another vote was necessary.

Judge Sullivan then thanked the convention for their kind support and resigned.

The second ballot showed 82 votes for Boeck and 70 for Uruh, making Boeck nominee. He was called for and responded with a speech of thanks and promise.

Judge Sullivan then presented a resolution authorizing Judge Samuel Chapman to appoint the delegates to the judicial convention, which passed, and the judge appointed the following: A. N. Sullivan, M. D. Polk, W. S. Wise, R. B. Windham, Byron Clark, H. D. Travis, Anderson Root, Sam. Barker, E. R. Todd, Peter Evg and, E. H. Wooley, M. M. Butler, Harvey Stout, Wm. Dallas and J. Murfin. The appointments were approved.

The following delegates were nominated by acclamation for the state convention: E. A. Stofer, Stove Creek; C. H. Smith, 1st ward; Geo. H. Cutler, Greenwood; A. B. Todd, 3rd ward, John Robinson and E. R. Gilbert, Weeping Water; John Becker, Eight Mile Grove; J. V. Carnes, Salt Creek; S. Recker, Mt. Pleasant; W. L. Wells, South Bend; A. B. Taylor, Plattsmouth; precinct; G. E. Sweitzer, Avoca; John Filpot, Mt. Pleasant and A. S. Cooley, of Tipston.

The last of the proceedings of the convention with the resolutions will be published next Monday.
