—The trial of Geo. Ashburn that came up for hearing at the Junction yesterday was postponed until next Monday.

The Misses Houseworth entertained a party of young folks last night. Progressive euchre was the principal amusement.

—That Plattsmouth bridge case is now before the supreme court. Gentlemen down on the river may soon hear something "drap."—*Lincoln News.*

—The blood-curdling story of a woman being killed by bed bugs in Pennsylvania, appears in an exchange. This will create a panic in bed bug centers and, we fear, paralyze the hotel business in many localities.—*Crete Globe.*

—There will be a meeting of gauntlet lodge No. 47, K. of P. at their castle hall tomorrow afternoon at 2 o'clock to make arrangements for attending the funeral of Brother J. C. Peterson.

**W. W. DRUMMOND, C. C.**

—The ladies of the M. E. church will give an oyster supper at the residence of C. E. Ferguson on the corner of Fourth and Vine streets on Tuesday evening, Feb. 7, 1888. A cordial invitation is extended to all.

—A more whole-souled, generous-hearted community of people cannot be found on God's footstool, than those in Nebraska. They are responding royally to the call to assist those who suffered in the storm. Nebraskans are always ready to lend a helping hand in a time of suffering and need.—*Ex.*

—"He laughs best who laughs last." A few days ago our eastern friends were poking fun at us for having entertained so unwelcome a guest as the recent blizzard. Their glee has proved sort of a boomerang, for the New England states have just been visited by one of the worst storms known.—*Globe.*

People who are stared half out of their boots by an occasional horrible screeching in the evening, ten times worse than the old tannery whistle, will be relieved to know that it is not the toot of Gabriel's horn but the new alarm gong at the electric light works, and is the call for the electrician.—*Lincoln News.*

—The funeral service of Mrs. A. B. Todd at the family residence yesterday afternoon was largely attended by friends. Rev. Alexander officiated. Beautiful and appropriate music was furnished by Messrs. W. A. Derrick, H. C. Ritchie, Geo. Mutz, Misses Rose McCauley, Anna Russell and Mrs. Martin. The remains were interred in Oak Hill cemetery.

—ATTENTION, Sir Knights! All members of Plattsmouth division, No. 9., U. R. K. P., are commanded to meet at the armory tomorrow (Sunday) afternoon to arrange for the funeral of the late Mrs. J. C. Peterson wife of our brother J. C. Petersen.

**E. W. COOK, Capt.**

—Constable Lee H. Gammon, of Pacific Junction, appeared before Judge Russell today and swore out warrants, against Charles Ellis and John O. Goodin, charging them with attempted murder; Ellis on the person of Eli Birdsell and Goodin on the person of James Price. They will remain in jail here until papers can be obtained from Gov. Thayer permitting their removal to Iowa.

**HIGH SCHOOL NOTES.**

Miss Holloway acts in Miss Schulhoff's place, who is absent on account of her father's death.

Miss Hattie Chapman is taking special course of study in the high school, comprising Medieval History, English Grammar and Literature.

Miss Etta Searle was compelled to leave the school room Wednesday on account of sickness. Miss Chapman has been filling the place in her absence.

The "School Manual and Course of Study" will be revised and published in a neat and convenient form for the use of teachers, and all others interested in the welfare of the schools.

The subject of taking up a collection in the schools, to aid these brave teachers who were so unfortunate during the recent storm, will be discussed at the board meeting Monday night. If thought best pupils will be allowed to make voluntary subscriptions.

The teachers will determine on some sort of an entertainment to be given soon for the benefit of the Shattuck-Royce-Freeman fund. Nearly all the schools of the state are doing something of the kind and Plattsmouth will not be behind in deeds of benevolence.

School children generally are suffering from severe colds. More sickness and more disturbance from coughing has been noticed during the last week than during the entire term beside. This is certainly due to the damp weather. Parents, see that your children have good shoes, as wet feet may cause severe sickness.

**The Y's Leap Year Social.**

At the pleasant and hospitable home of W. H. Pickens last night was the scene of one of the most enjoyable social events ever held in the city. Much credit is due the young ladies of the Y. W. C. T. U. for the successful way in which they carry out their social entertainments. The number present was large but not so large but what all enjoyed themselves. An interesting programme was prepared and delivered, as follows:

Quartette.....Messrs. Alexander and Vass,  
Misses Cranmer and Russel.

Duet.....Misses Rose McCauley and Anna Coleman.

Instrumental solo.....Miss Russel.

**In Memory of Mrs. A. B. Todd.**  
Peacefully away sank the Sun in the west;  
But not more so than Maggie, to her eternal rest.

Together they left us, at one and the same time;  
Each sank in silence, in a manner sublime.  
The Sun has returned, as it does o'er and o'er,  
But the dear one departed, we ne'er shall see more.

To the husband, bowed down, and his mother,  
grown gray,  
She was a bright shining star, to light their pathway;

To the one a companion, beloved and adored  
To the other a staff, to which her hopes were moored.  
With them we condole for the loss of their friend,  
And with tenderest feelings, our sympathy extend.

We may ask at first thought, what is home without mother,  
To her two loving children, sister and brother;  
But the second thought tells us that she one was sad,  
And felt the great loss of the mother she had—  
And in the midst of our grief, our mourning and tears,  
When the future before us seems naught but sad years,  
Comes the cheerful thought, unattended with fear,  
That God is the ruler, both in heaven and here.

—A. D. EIGENBRODT.

**OBITUARY.**

**SCHULHOFF, HENRY.**—Of consumption, passed away this morning at 1:45, aged 52 years and 7 months.

Deceased was born in Germany. His parents came to America and settled in Cincinnati when deceased was one year old, and were engaged in the Catholic orphan asylum as father and matron. Mr. Schulhoff was a graduate of St. Xavier's Jesuit College, Cincinnati. After his graduation he removed with his parents to Richmond, Indiana, a comparatively new town at that time, where his father was engaged in the mercantile business, and he as head clerk in the postoffice department for several years; afterward was engaged in the same capacity at Lafayette, Ind. During the war he entered a printing office and learned the printer's trade, which he followed continually until about two years ago, when he was taken with that dread disease, consumption, and was compelled to quit work, working occasionally when feeling strong enough. He was an employee in THE HERALD office as a compositor for several years, and his services were always much prized. He was also employed at the Journal office for several years. Mr. Schulhoff was a polished scholar and a fine musician. He was the leader of the Leider Krans Singing Society, and also of the choir at St. John's Catholic Church in this city.

Mr. Schulhoff married a sister of Dr. Wm. Dunn, deceased, well known to many citizens of Plattsmouth. His family consists of six children, four girls and two boys, who with their mother mourn his loss. The children were all present at his death, except Mrs. Etta Lewis, who lives at Hayes Center.

The family have the sympathy of THE HERALD and the entire community in their sad bereavement.

The funeral will occur Monday from the Catholic church at 10 o'clock, Father Carney conducting the services.

**PETTERSON.**—Mrs. Ingeborg B., wife of J. C. Peterson, died this morning at 10 o'clock of pneumonia, aged 33 years, 4 months and 26 days.

Deceased was born in Chicago, Ill., Oct. 7, 1854. Her parents removed to Green Bay, Wisconsin, where she was married Dec. 2, 1874 to Mr. Peterson. They immediately removed to Columbus, this state, where they lived until five years ago last March, when they settled in Plattsmouth.

Mrs. Peterson was a member of the Scandinavian Lutheran church, and was a kind, loving wife and affectionate mother. She leaves a husband and four small children, the oldest being 12 years old and the youngest an infant son but 6 weeks old.

Mr. Peterson has the sympathy of all in his very sad bereavement.

The time of the funeral is not yet fixed, but will probably occur Monday. The parents of the deceased have been telegraphed for, and will probably arrive this evening.

**Reasons for Purchasing Lots in South Park.**

- As a whole they are the finest lying lots in the city.
- They are shaded with beautiful forest trees.
- They are located between Chicago and Lincoln Avenues, the two finest drives about the city.
- They are only a ten-minute walk from the business portion of the town.
- By reason of their location between the two main thoroughfares into the city, they are more accessible than lots in other additions.
- The only addition to the city reached by two established avenues.
- The only new addition to the city reached by water mains and with a prospect of being supplied in the near future with complete water privileges.
- New sidewalks recently constructed to within a few feet of the addition and will shortly be extended.
- Will certainly have street car privileges at no distant date.
- If you wish a fine view of the river, locate on a lot in South Park.
- If you wish a slightly and picturesque view of Plattsmouth, it can be had from a South Park lot.
- To persons in the railroad employ, the eastern portion of South Park is the most desirable residence locality in the city.
- To persons desiring a residence on Chicago avenue, the western portion of South Park is available for that purpose.
- The B. & M. railroad track runs near the east line of the addition, furnishing good facilities for manufacturing industries.
- If you locate in South Park you will have good neighbors: Mayor Simpson, John R. Cox, John A. Davies, John L. Minor, J. V. Weckbach, Chas. Harris, John H. Young, Henry Waterman, W. C. Ingraham, B. Spurlock, Jerry Farthing, Thos. E. Reynolds, S. A. Davis, L. A. Miner, C. M. Wead, Frank Nish, J. N. Glenn, C. L. Coleman, S. A. Speakman, Frank Beeson, Chas. A. Rankin, Sarah E. Alexander, John Moore, M. A. Shipman, Lillie Kalisky, T. W. Faught, Clayton Barber, W. J. Heiser, Harry Kneller, J. E. Barwick, J. G. Royal, W. N. McLennan, P. C. Minor, F. McCort, J. C. Fought and other rare owners of South Park property.
- Over \$12,000 worth of this desirable property has been disposed of within a short period and no part has been sold to outside speculators which is solid proof of the substantial growth of this part of the city.
- More substantial houses were built in South Park in the fall of 1887 than in any one locality in the city and the prospects for spring building are much greater.
- Lots will be sold until the 1st of April, next, at \$150 each; after said date the price on the most desirable lots will be advanced.
- Terms 1/3 cash, balance in one and two years, or lots may be purchased on monthly payments.
- Any number of persons, not less than five, purchasing ten lots in one transaction will be given a lot free to dispose of as they may deem proper.
- Any person or persons purchasing 20 or more lots and paying 1/3 cash, may have one and two years on balance without interest.
- If any other reasons for purchasing lots in South Park are desired they will be given by calling at the office of
