CITY CORDIALS.

The case of the Pinkerton policemen is not concluded as we go to press.

The Brotherhood received encouraging telegrams from Chicago today.

A circle of friends will meet at the home of F. M. Richey this evening. They will be the guests of Miss Lou Richey.

The annual encampment, G. A. R. will be held at Kearney, Neb., next June and the reunion at Norfolk, commencing August 27.

D. A. Campbell, M. D. Polk, Linn Skinner and W. L. Brown, were each the recipients, yesterday, of a new International Encyclopedia.

County Clerk Bird Critchfield has sold eighty acres of land lying just NE. of Weeping Water for \$2,300 to Geo. Rhodan, of Eight Mile Grove.

Secure your tickets now at J. P. Young's, for the Janauschek performance, Saturday. Reserved seats, \$1. Admission, 75 cents. Gallery, 50 cents.

If the strike is a success, the brotherhood of Locomotive Firemen and Engineers should take as their motto: the first verse, CXXXIII Psalm. "Behold, how good and joyful a thing it is, brethren, to dwell together in unity!"

This office has just printed 680 extensive circulars headed "To Capitalists seeking investments.—Painters of Plattsmouth." These circulars will be distributed through the east at the expense of the law and real estate firm of Windham & Davies.

J. White to Miss Ruth Clemmons; Stephen Barker to Miss Etta Perry; Anthony Howard to Miss Rosa Barker. These six persons, residents of Eight Mile Grove, have solemnized the holy bands of matrimony, the first two couple, last Wednesday; the last couple, Thursday.

Patrons of the opera house are informed that Janauschek will be here Saturday night sure. And as this is her farewell tour of the stage, it is hoped our citizens will appreciate Mr. Young's endeavors in securing her for Plattsmouth and greet her with a big house.

The wives and daughters of the Brotherhood of Locomotive Firemen and Engineers gave a "surprise" party to the Brotherhood last night in the K. of L. hall. They had a jolly good time and judging from the happiness manifested by all present, they seem confident of success in their strike.

There will be a regular meeting next Tuesday night of the Board of Trade. Paste this announcement on your linen collar, so that "those that run, can read." By next Tuesday it will be known what action the railroad company have taken concerning the building of a new road into this city. This interests everybody.

Mr. C. B. Wilson, our indefatigable solicitor, and former popular local reporter came in yesterday from Elmwood and Greenwood. He reports several new subscribers and large collections of old debts. Old subscribers speak in very flattering terms of the improvements in the paper due to Mr. Wilson's exertions in procuring county correspondents.

Miss Maggie Streight gave a euchre party at the home of her parents last night, in honor of Miss Lykes, of Osceola, Iowa. Misses Sheffer, Safford, Lykes, and Messrs. Davies, Smith, Derrick and Streight, were present. Miss Lykes has been in this city for the past few days, and her affable, vivacious and courteous manners have endeared her to a large circle of friends, who will regret her departure.

There were five bids for the building of the Anhauser-Busch brewery building, in this city, three from Omaha and two from Plattsmouth. The bidding was very close. Mr. W. H. Pickens' bid \$17,700, which was the highest. The lowest was that of an Omaha contractor, \$17,400. Mr. Jones of this city bid \$17,550. The building will be commenced next week.

Married, at the residence of Stephen Wiles, his daughter, Nina Wiles, and Wm. Sprangler, of that neighborhood. They go to Weeping Water to live on a farm. Quite a large number of friends and relatives were present. There was a large number of presents. Rev. M. S. Drury of Toledo, Iowa, conducted the ceremony. Supper was served and all had a splendid time.

The usual entrance and exit to the telegraph office of the B. & M. are closed to the public, including the newspaper fiend. A gentleman is in attendance at the door who politely asks: "Do you want to speak to any of the operators or send a message?" If the answer is affirmative in the first case, the operator is called to the door. If you want to send a message, a tab is offered and the message written in a side room, then taken inside to the operators. We will give the public a telegram occasionally, "just the same."

GREENWOOD--NATURES GIFT.

"Still my Fancy can Discover, Some Green Spot where Friends May Dwell."

During the week we had the pleasure of visiting the thriving, bustling business town of Greenwood, located in the west part of the county on the main line of the B. & M., in as fertile a spot as lays under the sun. The country surrounding that beautiful little city is as level as the fabled lochs of Scotland, and the soil as deep as the "Mighty Maker."

Greenwood will never make a Chicago or Kansas City, but she is fast waddling to the front, and distancing her neighbors.

The citizens of that place are fully abreast with the times, and have the push that will not fail to bring them to the front ranks of any town in the county. Up from the rustling, pushing little city rises one constant hum of industry.

We feel greatly indebted to many citizens of Greenwood for their kind and cordial treatment while sojourning in their midst. Among those who assisted us in our business was, Atty. C. A. Woosley, Geo. W. Cutler, G. W. Clark, Dr. Ramey and others. We wish to extend our hearty thanks, to not only the citizens of Greenwood, but to all the citizens of the several towns of Cass county, where we have visited. Time forbids us making mention of the many features of interest at Elmwood, Weeping Water, Cedar Creek, South Bend and Louisville.

As we go to other fields of labor, we would bid our many friends a fond adieu and be ready to extend to them the right hand of fellowship if permitted to meet again.

Yours, C. B. WILSON, HERALD.

An Interesting Trial.

"You are my prisoner!" said officer John O'Neill, of this city, to one of the "Pinks" at the depot Wednesday afternoon. The man replied, "Wait a minute!" and began unbuttoning his coat. He then reached into his hip pocket and pulled out a large roll of bills. Removing an X from the top of the pile, he said, "I'm ready!" His was then taken before Judge Mathews, questioned and answered. Asked his name, said he wouldn't tell; asked again; took a slip of foolscap from the Judge, wrote down a name, took it off the desk, held the paper in his hand till he got to the depot, when he went into the waiting room and stuck it in the stove. He said, "I understand the technical points of this case as well as anybody here, and I will not tell my name, if I don't think fit, before this bar or any other." Detective Pinneo asked if the case could not be adjourned till 10 A. M. yesterday. He was told it could if some one went on the man's bond. Pinneo went out and came back with Dr. Livingston, who went on the man's bonds for \$100. He was released and returned to the depot with five of his companions. He charge was assault and battery on Mr. Zinn. Mr. Zinn says he was about to go up the stairs to send a telegram, when this man violently pushed and threw him aside. The interested parties appeared at court yesterday morning, and the case was again adjourned till 1 o'clock. On account of the illness of Judge Mathews the case was set for 1 P. M. today. Judge Sullivan, prosecutor, Byron Clark, defense.

PERSONAL PARAGRAPHS.

Capt. Palmer returned from Lincoln today.

W. A. Shryock, of Louisville, is in town today.

Ed Morely is at Beatrice this week attending convention I. O. O. F. Expected home tonight.

Mr. Fitzgerald, of Louisville, who has been in the city since Wednesday, will probably return home tonight.

Dr. Schildknecht came in from Greenwood last night where he had been on a visit to his daughter, who had been seriously ill with tonsilitis. The lady was improving yesterday.

Mr. C. B. Wilson left today for Des Moines, Iowa, where he will be employed by the Iowa Publishing Company. This is a recognition of Mr. Wilson's abilities while employed in this office, of which he may feel justly proud.

Madame Janauschek was warmly greeted by a large audience last evening as she began her farewell engagement in this city. Her "Meg Merrilies" is not a character that is likely to live in the pleasant memories of her friends like some of the tragedy queens whose parts in former years she had made her own, yet it is a grand and deeply tender representation of a weird character whose deeply passionate nature can only be depicted by a master of tragic art. For the last two acts "Meg Merrilies" holds the stage, the central and commanding figure, a veritable witch in appearance, but strong in her loyalty to "Henry Bertram" as the lawful heir, and an avenging spirit to "Baillie Bearchiff and Dirk Mattered." The play now known as "Meg Merrilies" is a melodrama and tells an interesting story in a very agreeable way, especially when the principle parts are entrusted to good actors, as was the case last evening. The play which is new to the present generation, was very well received, and Madame Janauschek was repeatedly recalled at the end of the acts in which she appeared.—Philadelphia Ledger.

Bennett has just received a large supply of garden seed in bulk and in packages.

BOARD OF TRADE MEETING.

"Short but Sweet."—Another Railroad.

The board of trade met last night. The president made a very able speech in behalf of another railroad entering Plattsmouth. Mr. Weckbach made some sensible remarks, followed by Mr. Gorder. Hon. F. E. White took the floor and spoke, at length, in a very intelligent and logical manner, commencing: "Gentlemen, when I last spoke at one of our meetings, I was accused the next day of being a mossback, and that is one reason why I do not wish to address this meeting. He then offered the following resolution:—

Resolved: That it is the expressed sentiment of the Board of Trade, that as an inducement to the Missouri Pacific Railway to construct its line into, and establish a depot within the original corporate limits of the city of Plattsmouth, that the city will either vote \$50,000 in bonds to the said railway, or secure to it such right-of-way as may be deemed satisfactory to the road.

This motion was seconded and approved.

The secretary, Mr. F. Herrman, will forward a copy today to S. H. H. Clark, General Manager Missouri Pacific, St. Louis.

Mr. F. Herrmann, Secretary Board of Trade, is deserving of special mention for the rapid manner in which he catches the words of the speakers when they are making motions or passing resolutions, and the accurate manner in which they are recorded in the books of the Board of Trade. For courtesies and invaluable aid extended to the press in enabling them to make authentic reports, the reporters of this city return their thanks.

OBITUARY.

The funeral of Mrs. Metteer occurred at Eight Mile Grove church, yesterday at 3 o'clock, Rev. W. B. Alexander, of this city, officiating. Deceased was the wife of Robert Metteer, of Eight Mile Grove township. She had been a sufferer some time from Consumption. With her sister, who was visiting her from the East, she went on last Friday to visit her daughter, living in the neighborhood of Elmwood, and on Tuesday was taken with a congestive chill, from the effect of which she died the next day.

She was sixty-four years of age, and was a faithful and devoted Christian, having made a profession of religion when fifteen years of age, and soon after united with the Baptist church, in whose communion she spent the greater part of her life. She was the mother of six children, three sons and three daughters, only two of whom survive her. She was ever patient, calm and trustful, retaining her mind till the last; and when she went from her friends on earth left a clear testimony that she was going to join the company on the other shore. Having lived the life of a Christian she died a Christian's death, and the bereaved ones are not as those who have no hope.

UNION.

You must not think because you do not hear from Union she is dead. It is because there is so much doing here that the people don't get time to write to the papers. M. U. Thomas, of Weeping Water, has opened a good stock of hardware here this week, in the Lynn building, corner of Main and Railroad street. Joseph Shearer, of Rock Bluffs, has his large building nearly completed. Mr. Lynn is going to put up a new store room immediately. A. M. Rose is building a new residence 24x34 feet. Lewis Paddock, of Indiana, has built a residence this winter, and is living in it; also Frank Chase. The carpenters don't stop for cold weather or storms. G. A. Rose & Co. are going to enlarge their store room this spring; also Mr. Wm. Frans will build a residence. Lots are selling so fast here that they have most all the pasture used up, and are crowding the cornfield. Corn is worth 30 to 40 cts.; hogs about 6cts. We have three corn and two hog buyers. Mr. Perkins (not Eli, but the other one; I think he is something like Eli,) is running the Neb. City Elevator Company's elevator here. Dan Smith has sold his farm to H. F. Taylor, and he has sold the same farm to McJones. Land to rent is very scarce. Tramps are plenty; they can be seen all times of the day. Mr. Baker is moving his saw mill close to town, to supply the needs of the town and country. We need a bank here. John Carper, of Weeping Water, is still teaching school here; it seems Mr. Carper has lots of business at Nebraska City, Sundays. We have plenty of mud. I expect that we will pave the streets this summer, and likely have street cars. For some reason the Nehaka mail was left here yesterday. The agent said he had orders to throw it off here. JAKE.

Married.

BARKER-PERRY.—At the M. E. parsonage at noon, yesterday, Mr. Stephen Barker and Miss Etta Perry were joined in wedlock.

After the ceremony which joined the two young hearts for life, they returned to the home of the bride's parents, near Eight Mile Grove church, where dinner was in waiting for them and a company of their young friends joined them in making the occasion interesting.

Y. W. C. T. U.

In M. E. church, at 8 o'clock the "Y's" will hold a public election of officers tonight, as the inclement weather prevented the meeting last night. Members of the Y. W. C. T. U. and all persons who consider it a pleasure are invited to be present. A good attendance of all members, both honorary and active is desired.

Reasons for Purchasing Lots in South Park.

- 1. As a whole they are the finest lying lots in the city.
2. They are shaded with beautiful forest trees.
3. They are located between Chicago and Lincoln Avenues, the two finest drives about the city.
4. They are only a ten-minutes walk from the business portion of the town.
5. By reason of their location between the two main thoroughfares into the city, they are more accessible than lots in other additions.
6. The only addition to the city reached by two established avenues.
7. The only new addition to the city reached by water mains and with a prospect of being supplied in the near future with complete water privileges.
8. New sidewalks recently constructed to within a few feet of the addition and will shortly be extended.
9. Will certainly have street car privileges at no distant date.
10. If you wish a fine view of the river, locate on a lot in South Park.
11. If you wish a slightly and picturesque view of Plattsmouth, it can be had from a South Park lot.
12. To persons in the railroad employ, the eastern portion of South Park is the most desirable residence locality in the city.
13. To persons desiring a residence on Chicago avenue, the western portion of South Park is available for that purpose.
14. The B. & M. railroad track runs near the east line of the addition, furnishing good facilities for manufacturing industries.
