CITY CORDIALS.

Chas. Harris has received some beautiful orange blossoms from Florida.

Board of trade meets tonight at 8 o'clock in the G. A. R. hall, Rockwood block.

J. R. Jones, lately injured in an explosion at gas works, is about recovered from the accident.

F. E. White Hose Co. No. 1 are requested to meet at council chamber, Tuesday at 7:30 p. m. for the election of officers.

The discussion at the board of trade tonight will be of vital interest to all our citizens. There should be a good attendance.

In yesterday's issue appeared a notice of a sociable to be held at the home of Mrs. Thos. Dabb. It was stated as occurring on Thursday night. It should have been "Tuesday."

Sheriff Eikenberry has received a notice from Missouri concerning the apprehension of the scoundrel who robbed an emigrant, under pretense of arresting him, while passing through this city last August.

Monsieur Lantun, the electrician with the dime museum show in this city, has suffered a great loss by the breaking of one of his powerful magnets, and one of his experimental glasses, while in transit from Omaha.

Miss Bertha Wise has relieved her sister Evelyn at the post-office window. We hate to miss the kind salutation and cheerful features of Miss Evelyn, but then, perhaps, we wish them happiness.

Daniel Pratt, the crank who styled himself the "Great American Traveler," is dead, but his title might, with propriety, be conferred upon Frank Vincent, Jr., author of "The Land of the White Elephant." Within the last eleven years he has traveled 265,060 miles.

If this item should reach the eye of Chas. E. Yount, who left Des Moines some four months ago and went to Nebraska City, will he not kindly send his address to Sallie Bye Hodgson, Spring Dale, Ia., or H. W. Robinson, Colfax, Ia. Nebraska papers please copy.

Of all the rot it has ever our painful experience to have been compelled to read in this vast universe, is that of Lucifer, a paper issued in Valley Falls, Kansas. Strike old Lucifer and cremate us, but for heaven's sake be merciful, and don't send us any more marked copies attacking virtue and defending lewdness.

Gentlemen, notice of this meeting has been in the papers of this city for the last two days, and yet there are no more than thirty-five present here tonight. These remarks were truthfully uttered at the meeting before last. Citizens of Plattsmouth turn out tonight and let us see how many are interested in the welfare of our city.

As showing the deflection of the earth's surface the following example is given that may interest arithmeticians: "If a railroad train on the parallel of 45 degrees runs at the rate of forty miles per hour, what would be the lateral pressure per ton of the weight of the train on the side of the rails if both were on the same level. Answer: 0.38 of a pound per ton of 2,000." Ferrel gives an example of this kind, and finds that a river one mile in width, flowing in latitude 45 degrees at the rate of four miles per hour, will be 1.2 inches higher at the right-hand bank than at the left-hand bank.

Cat this out. A square white flag indicates clear, or fair weather. Square blue flag indicates rain, or snow. Black triangular flag indicates temperature only. Above white or blue flag it indicates warmer weather, and below it indicates colder weather. When not displayed at all the indications are the temperature will remain stationary, or that it will not vary five degrees from the same hour of the preceding day. White flag with black square in center indicates a sudden and decided fall in temperature, or a bad storm. The indications extend from 7 o'clock a. m. of one day to 7 o'clock a. m. of the following day.

An English firm advertises funeral sermons for sale. The clergyman who has to officiate at a funeral can therefore buy his sermons ready made, and standing at the narrow grave can read aloud: "Once again we see a loved form wrapped in the cold coverings of death; once again the bells toll a tribute to a vanished soul; once again the relentless earth closes above weary hands, weary feet, a weary heart that are now at rest forever. When I look back upon the exemplary life of this man, upon whose grave the silent dew will fall tonight, I can say that I have been proud to call him friend." And then, when a bereaved relative passes him a note saying that the deceased is a woman, he can take another sermon from his pocket and go on as though nothing had happened.

THE STRIKE.

Knights of Labor Express Their Sympathy for the Strikers.

At a meeting of Local Assembly 8532, Knights of Labor, the following resolutions were unanimously adopted:

Resolved, That Local Assembly 8532, K. of L., extend to the striking Brotherhoods of engineers and firemen of the Burlington system, and especially of Plattsmouth, our sympathy, and what aid lies within our power to give in this, their trouble, in their struggle for justice and right; hoping they may win and not be crushed under the heel of the grinding monopoly, the "Burlington."

Resolved, That we censure and scorn any and all who may voluntarily or otherwise take the place of the striking engineers and firemen of the "Burlington," as being traitors to the cause of labor and to all instincts of mankind.

Resolved, Further, that we denounce the mayor of our city for refusing to appoint tax-paying citizens as special police, but instead did appoint a mob of mercenaries furnished by the "Burlington" from elsewhere, known as "Pinkerton murderers, whose duty, so far, has been to provoke trouble. We deny that there has been or is any danger of the company's property being molested here, unless by the murderous thugs and thieves they themselves have imported.

Resolved, That a copy of these resolutions be given to the press of Plattsmouth for publication, the Brotherhoods of engineers and firemen, and the Omaha Bee and the Omaha Truth for publication.

COMMITTEE ON RESOLUTIONS.

Meeting of Agricultural Society.

At a regular adjourned meeting of the Cass County Agricultural Society, held in the County Judge's office, Saturday, March 4, the date of holding the next annual fair was fixed upon, the same being September 18th, 19th, 20th, and 21st. The following committeemen were appointed to revise the premium list for the coming fair: R. B. Windham, O. M. Streight, M. B. Murphy, A. B. Todd, Jacob Vallery, jr., and the president, Fred Gorder, and the secretary, H. C. Ritchie. The committee to meet at the office of the secretary, Saturday, March 17, 1888.

The prospect is that the Cass county fair will this year be a grand success. We understand that there is a movement on foot to buy a new fair ground, and that one half the money has been raised for that purpose, and from indications the balance will be forthcoming when necessary. We are glad of this for the reason that we need, and need badly, a fair ground that will be placed upon a tract of level land, so that every one inside of the enclosure can see every foot of the track and enjoy the races. As this will be the only fair in Cass county, let our entire people try and make it the best fair yet held.

Young Republicans.

A meeting of the Young Men's Republican club was held last evening at the county judge's office. The call was read for a convention of the republican clubs of Nebraska, to be held in Omaha, March 15th, 1888. Each club being entitled to three delegates and the president of the respective clubs. There was an enthusiastic number of the members present and the following delegates were elected: H. C. Ritchie, M. D. Polk, W. H. Pool, who with President D. A. Campbell, will represent the club in the coming convention. It is understood that the "Old Men's Republican Club will meet and elect delegates, and that Plattsmouth will be fully represented. Hon. M. A. Hartigan is an invited guest to respond to a toast upon the occasion, probably, "The Pioneer Club of Nebraska" — as our club was the first incorporated west of Chicago, and has been in existence now over four years.

Oliver Twist, who had some very hard times in the Battle of Life, and having been saved from the Wreck of the Golden Mary by Our Mutual Friend, Nicholas Nickleby, had just finished reading A Tale of Two Cities to Martin Chuzzlewit, during which time The Cricket on the Hearth had been chirping quiet merrily, while the Chimes from the adjacent church were heard, when Seven Poor Travelers commenced singing a Christmas Carol; Barnaby Rudge then arrived from The Old Curiosity Shop with some Pictures from Italy and Sketches from Boz to show Little Dorrit, who was busy with the Pickwick Papers, when David Copperfield, who had been busy taking American Notes, entered and informed the company that the great expectations of Dombey & Son, regarding Mrs. Lirriper's Legacy had not been realized, and that he had seen Boots at the Holly Tree Inn taking Somebody's Luggage to Mrs. Lirriper's Lodgings in a street that has No Thoroughfare, opposite Bleak House, where the Haunted Man, who had just given one of Dr. Marigold's Prescriptions to an Uncommercial Traveler, was brooding over the Mystery of Edwin Drood.

Hon. G. D. Meiklejohn, vice-president for Nebraska of the Republican National Club League, has issued a call for a meeting of representatives of the clubs of the state, to be held in the exposition building at Omaha, beginning Tuesday, March 15th. Every club in the state having a membership of twenty or more is entitled to send its president and three delegates. The convention meets solely for the purpose of devising plans for securing the most efficient campaign work, and shall not recommend or nominate any candidate for office.

PLATTSMOUTH'S PROSPECTS.

"More Counties to Hear From."

We are in receipt of the following welcome communication, which will be handed to the president of the Board of Trade:

126 RUE BASTIE, BORDEAUX, FRANCE.

DEAR SIR:—We are intending to open a branch of our wholesale fruit house in some part of the United States, and having noticed a copy of the Plattsmouth HERALD, which was forwarded to one of our clerks, we are desirous of obtaining full information concerning the city from which your paper is published. Full particulars concerning public buildings, population, institutions, etc., will be gratefully received by your faithful, and obedient servants,

Cedar Creek.

EDITOR HERALD:—Your Cedar Creek correspondent comes out in a rather demoralized condition on account of the snow. We were anticipating nice weather, but are doomed to disappointment this time. We don't wonder the ground hog is a cowardly fellow, afraid of his own shadow; there is in town, people that are afraid of their own shadow, especially some of the ladies. The town was blue last week on account of the strike. Last towns felt the blow more or as much as large ones, the mails and trains being the one thing that made this place inhabitable. Tom Danahy the obliging clerk of Geo. Syles, was visiting his parents at Omaha last week. Miss Jennie Thompson is very ill with inflammatory rheumatism, she has been ill for the past six weeks. Mr. Dennis our operator, attended the party Saturday night at Syles hall. Miss Susie and Ida Syles are at home visiting over Sunday. They are attending school in Lincoln. The new hotel is being furnished, but what we need, is a landlord and a good smart one that knows how to keep a hotel. There is a family in town that have been in need of help from the citizens and have been helped; they are getting to be a live burden to some. We wish the commissioners would look into this matter and do something immediately, as they are very needy. Jacob Kunzman visited Papillon last week on business. The Hon. D. S. Draper visited Plattsmouth a day or two last week. The billiard hall has changed hands, Frank Inhelder sold out to Henry Baker. Strike or blows we don't want any more of it if it is a bond of brotherhood.

SPECIAL.

PERSONAL PARAGRAPHS.

Attorney Hartigan has gone to Beatrice today on business.

F. S. Kenyon, general agent of the Bucklen Medical Co., was in town today.

George Chambers, editor of the De Witt Times, arrived in the city yesterday to visit his mother, who has been sick for some time. He returned to De Witt today.

Billy Chalfant, of Union, was in town yesterday. This gentleman enlisted in Plattsmouth in 1861, and served through the war with the First Nebraska Infantry. He appears to have many friends in this city, who were frequently shaking hands with him yesterday.

Y. M. C. A.

A meeting will be held this evening, for men only, at the M. E. church, at 7:30 o'clock, for the purpose of organizing a "Young Men's Christian Association." A full attendance is desired by all men who have an interest in this cause and in the welfare of young men.

C. W. Snyder, postmaster at Cedar Creek, is in a muddle of trouble. He has been removed from his position and his bondsmen are running the postoffice. Two law firms in this city have claims against him, one for \$250 from a glove house, and one of \$400 from a wholesale clothing house. There are also other matters which we expect will be forwarded shortly by our Cedar Creek correspondent.

The Republican Club of Plattsmouth will meet at the county judge's office March 7th, at 8 p. m. A full attendance is desired. J. W. JOHNSON, Pres.

Mr. Ballou of Omaha brought down a force of carpenters to-day to work on his beautiful residence in the northwest part of this city.

"Zo-Zo" will be the next performance at the opera house, April 12.

Our Total Coast Line.

The Pacific ocean boundary of the United States has a greater extent of coast line than the Atlantic shore. The aggregate of our shore line on the Pacific is 12,734 miles, while that of the Atlantic is 11,800 miles, and on the Gulf of Mexico 6,843. It was the annexation of Alaska that promoted the Pacific coast to a higher figure than the Atlantic, Alaska having 9,830 miles of coast line. If the lake boundary is added it gives us a total coast line not very short of twice the circumference of the earth.—Chicago Herald.

An "Anti-Fat" Treatment.

Reasons for Purchasing Lots in South Park.

- 1. As a whole they are the finest lying lots in the city. 2. They are shaded with beautiful forest trees. 3. They are located between Chicago and Lincoln Avenues, the two finest drives about the city. 4. They are only a ten-minutes walk from the business portion of the town. 5. By reason of their location between the two main thoroughfares into the city, they are more accessible than lots in other additions. 6. The only addition to the city reached by two established avenues. 7. The only new addition to the city reached by water mains and with a prospect of being supplied in the near future with complete water privileges. 8. New sidewalks recently constructed to within a few feet of the addition and will shortly be extended. 9. Will certainly have street car privileges at no distant date. 10. If you wish a fine view of the river, locate on a lot in South Park. 11. If you wish a slightly and picturesque view of Plattsmouth, it can be had from a South Park lot. 12. To persons in the railroad employ, the eastern portion of South Park is the most desirable residence locality in the city. 13. To persons desiring a residence on Chicago avenue, the western portion of South Park is available for that purpose. 14. The B. & M. railroad track runs near the east line of the addition, furnishing good facilities for manufacturing industries. 15. If you locate in South Park you will have good neighbors: Mayor Simpson, John R. Cox, John A. Davies, John L. Minor, J. V. Weckbach, Chas. Harris, John H. Young, Henry Waterman, W. C. Ingraham, B. Spurlock, Jerry Farthing, Thos. E. Reynolds, S. A. Davis, L. A. Miner, C. M. Wead, Frank Irish, J. N. Glenn, C. L. Coleman, S. A. Speakman, Frank Beeson, Chas. A. Rankin, Sarah E. Alexander, John Moore, M. A. Shipman, Lillie Kalisky, T. W. Fought, Clayton Barber, W. J. Hesser, Harry Kneller, J. E. Barwick, J. G. Royal, W. N. McLennan, P. C. Minor, F. McCourt, J. C. Fought and others are owners of South Park property. 16. Over \$12,000 worth of this desirable property has been disposed of within a short period and no part has been sold to outside speculators which is solid proof of the substantial growth of this part of the city. 17. More substantial houses were built in South Park in the fall of 1887 than in any one locality in the city and the prospects for spring building are much greater. 18. Lots will be sold until the 1st of April, next, at \$150 each; after said date the price on the most desirable lots will be advanced. 19. Terms 1/3 cash, balance in one and two years, or lots may be purchased on monthly payments. 20. Any number of persons, not less than five, purchasing ten lots in one transaction will be given a lot free to dispose of as they may deem proper. 21. Any person or persons purchasing 20 or more lots and paying 1/3 cash, may have one and two years on balance without interest. 22. If any other reasons for purchasing lots in South Park are desired they will be given by calling at the office of
