## CITY CORDIALS.

—The Catholic fair will be held at Fitzgerald's hall next Monday and Tuesday.

—Judge C. Russell issued a licence to wed today to Mr. C. S. Bang and Miss Johnson, both of this city.

—All Republicans of the city are requested to meet at the county judge's office this evening at 7:30.

—Senator Van Wyck, of Neb., will address our citizens on economic questions next Wednesday evening in Rockwood hall.

—A gentleman offered \$10,000 for the Perkins House the other day. The offer was refused by the owners who want \$18,000 for the property.

—Charley Tresher, a switchman, was offered seven dollars a day wages by Supt. Thompson if he would go back to work in the yards. He refused.

—The members of the Women's Relief Corps are requested to meet with the G. A. R. Post next Saturday evening at 7:30 p. m., by order of the president.

—Yesterday afternoon the case of Chas. Metteer vs. Harvey Carper for forcible entry, was concluded before Judge Russell. The defendant was adjudged guilty.

—Republicans to a man should vote for Linwood Skinner for city clerk a young man, in every way qualified for the position and one who certainly deserves the earnest support of his party.

—Personal.—Will the lady who stopped a few moments on the northeast corner of Sixth and Main streets about 10 o'clock last Tuesday night please address John Findley, city. Correspondence strictly confidential.

—William Hayes and Dan. Smith for members of the school board are two men particularly qualified for that position. Every republican owes it to himself that they should be elected by hand-some majorities.

—Dr. Schilcknecht came in this today from a medical visit to the home of Olan Cole, who lives about four miles southwest of town. Mr. Cole's son, aged about four years is suffering from typhoid and pneumonia fever. His case is considered very serious.

—The winning ticket was nominated at the republican city convention last night; one that addresses itself to the best people of our city who are in favor of pushing the town into the front rank, who are in favor of city improvements and who are heartily in accord with all the best interests of the city, irrespective of party lines.

—The last time that J. H. Waterman was a candidate for city treasurer he defeated one of the most popular democrats in this city, Hon. John R. Cox. If James Patterson, Jr., is to cross swords with our Henry he will discover that he has made a bad mistake, and that a political funeral only awaits their Jimmie for his hardihood in tackling so good a man.

—“What is a hog?” was asked of a little boy lately. “Why, when a little pig grows up to be a man, then he's a hog.” There's two or three such hogs in this city who are continually shaking hands and vowing eternal friendship to the whole human race, and at the same time poking their snouts into everybody's business and using every effort to raise scandal and injure someone's reputation. We would like to publish their names, although it is not necessary, as two of them have the merited scorn of the Brotherhood and that of every honest citizen.

—The republicans of the first ward have concluded to leave the nomination for councilman open until tonight when, in all probability, Dr. A. Salisbury will be nominated as he is the choice of a large number of citizens irrespective of party. Dr. Salisbury is a pushing, resolute young man and will not only favor public improvements, but will put his shoulder to the wheel and see that the old machine moves ahead; the first ward would indeed be fortunate to secure his election as councilman. While the Dr. does not, in any view of the case, desire the nomination, THE HERALD understands that he is willing to make the race if it is the unanimous desire of his friends that he should do so.

—On Monday night, Roland Reed made his *re-entree* as Dick Smythe, the merry hero of Marsden's Cheek, to a full house. The comedy is very laughable, and its humorous element is relieved by the introduction of certain dramatic episodes. The character of Smythe is as original to the stage as Bardwell Slote or Sam'l of Posen, and Mr. Reed plays it with a rare sense of what constitutes genuine fun. Throughout the evening, while he was on the stage, the audience laughed continuously. Reed's songs, particularly “I'm a Perfect New York dude,” made hits, and were loudly redemanded. The star has elaborated his performance greatly since we saw him last at the Fourteenth Street Theater, and it is even more exhilarating and enjoyable than it then was.—N. Y. Tribune.

## A HARMONIOUS MEETING.

## The City Republican Convention—Well Done—A Strong Ticket.

The convention was called to order at 8 p. m. by A. N. Sullivan, chairman of central committee, and on motion J. W. Johnson was elected chairman and H. C. Richie secretary.

The credentials of the different wards were then handed to the secretary, and upon reading the same were approved by the convention.

The following resolution was offered and unanimously adopted. It speaks for itself, and is a platform that all good citizens, irrespective of party, should stand upon:

*Resolved*, That the Republican party of Plattsburgh City is in favor of liberal public improvements within our city during the coming municipal year, and insist that our candidates shall pledge themselves to do all within their power to advance the material interests of our city, by carrying forward to a speedy completion the delayed pavement of Main street and its crossings, and the completion of the present system of storm sewerage as now estimated and adopted by the present city council, and for an extension of such street pavement and sewerage as fast as the needs of our city and the demands of property owners shall demand the same; also, that we are in favor of an extension of water and gas mains within the city to accommodate and benefit the tax-payers equally; and also, that we favor the opening and grading of such public streets to and from the several additions of our city as will accommodate the residents thereof, and furnish them fair facilities to and from the business portions of the city. And further, that as delays are dangerous, we, as Republicans, together with our nominees both for Mayor and Councilmen, pledge to the citizens of Plattsburgh our united energies to assist by every means in our power to push all improvements now pending to a speedy completion.

The convention then proceeded to the nomination of city officers. A. N. Sullivan, Esq., in an eloquent speech, which was warmly seconded by Hon. R. B. Windham, placed in nomination F. M. Richie for the office of Mayor. The nomination was made unanimous, and Mr. Richie coming forward thanked the convention for the nomination and accepted the same, endorsing the resolution in the most hearty manner.

J. H. Waterman was then placed in nomination for Treasurer by M. D. Polk, and as before the nomination was made unanimous, and Henry coming to the front made a short manly speech, which was well received.

The next nomination in order was City Clerk. Linwood E. Skinner was placed in nomination by C. M. Wead, seconded by Byron Clark, and following the rule was made unanimous.

During the proceedings the various candidates were passing the cigars freely all over the house, and good humor prevailed everywhere. But right here the trouble commenced. The following were placed in nomination for Police Judge, and the ballots resulted as follows, A. N. Sullivan and M. D. Polk being appointed as tellers by the chair:

1st ballot: Willet Pottenger, 19; L. C. Stiles, 15; M. O. Donahoe, 16; D. K. Barr, 3; total 53. No choice.

2nd ballot: Pottenger 19, Stiles 17, P. P. Gass 4, Donahoe 14; total 54. No choice.

3rd ballot: Pottenger 20, Stiles 17, Donahoe, 18, Gass 1; total 56. No choice.

4th ballot: Stiles 17, Pottenger 22, Donahoe 14, Gass 5, Blank 2; total 60. No choice.

5th ballot: Stiles 25, Pottenger 22, Donahoe 3, Gass 6; total 56. No choice.

6th ballot: Stiles 32, Pottenger 20, Gass 3; total 55.

At the close of the 5th ballot M. O. Donahoe withdrew his name in favor of the “man who gets it,” and the 6th ballot resulted in the nomination of L. C. Stiles for the office of Police Judge, and on motion the same was made unanimous.

The convention then unanimously nominated Wm. Hays of the 3rd ward and D. B. Smith of the 4th ward as candidates for members of the school board.

A. N. Sullivan was then named as the chairman of city central committee.

The ward committeemen reported were 1st ward, M. D. Polk; 2nd ward, J. W. Johnson; 3rd ward, S. C. Green; 4th ward, Wash Smith.

The convention then adjourned, after, in our opinion, having placed in the field their strongest possible ticket.

—There is a society in this city composed of ladies who meet at their respective residences in rotation twice a month for social improvement. The name of the organization is “Koffee Klatsch,” which translated by our Volapuk editor, means, “For goodness sake, don't say I told you!” Their last meeting was at the home of Mrs. W. W. Drummond yesterday afternoon. The members present were Mrs. H. E. Palmer, president; Mrs. Sam Atwood, Mrs. C. M. Wead, Mrs. F. E. White, Mrs. Sam Waugh, Mrs. D. A. Campbell and Mrs. R. B. Windham. Visiting ladies were; Mrs. H. A. Sturgess of Omaha, Miss Paul, and Misses Kate and Amelia Vallery.

—The jury at the coroner's inquest today arrived at the conclusion that Wesley Baker “died from some cause unknown to us.” The cost of a chemical analysis for poison is from \$50 to \$500. We will give a full report in tomorrow's issue.

## THE SLIMY, SOCIETY SNEAK.

## Seeks Shame Shrouded in Sorrowful Sympathy.

“Rottenness is necessary to perfection, said the Olive to the Medlar,” and so it is with the disposition of the sneak. A mean man is a disgrace to humanity, and to the parents who gave him birth, if they had one spark of humanity in their bosoms. This may appear exaggerated, but it is not. Hell has no terrors, nor heaven hope for the sneak. Fornication, adultery and drink are only slight sins in comparison with the abominable sin of being a sneak. A sneak is a scrupulous abortion on the face of honesty, born in the lap of misery and nursed in the arms of shame. He is so mean that he deceives his mother and the attendant physician by being born a day after the expected time.

“Man's inhumanity to man makes countless thousands mourn.” When God created the earth there were but two persons; now there are thousands who want the earth, and would not divide up with the members of their own family.

No action is too mean for such spawn of the earth as a sneak. If they were on the waves or an arctic expedition they would have no compunction to act the cannibal and devour their fellow creature. In time of famine they would think nothing of eating a child that had died with small-pox, or accept a reward from a catarrh specialist for an operation too disgusting to mention.

A sneak is two men to shed a tear over his dearest relative, for fear he was depriving his body of some nutriment. He would get the body of his wife cremated to save funeral expenses, save the ashes, and in icy weather sprinkle them over the door-step so that his second wife wouldn't fall down. Birds, music, flowers and pictures have no charm for him, and he would hasten his own ignominious existence, by refusing to have a minister or physician attend him on the point of death. Relatives would finish the program by rejoicing at his funeral and squandering his miserly savings in riotous living, the earth of his grave would be so impregnated with the effluvia of his carcass that the grass would not grow above him, and when the last trumpet sounds at the judgment day, there would be such an inhuman record against him, that the angels would be compelled to refuse him admittance to that abode where every sinner has a chance to go, only the “sneak.”

## A Communication Crucified.

An article appeared in yesterday's *Journal* entitled a “Cedar Creek Sarcasm” and purporting to be a communication from that place in which some choice spittles are showered upon our devoted head. Sherman, its too transparent. You wrote that article yourself. It was manufactured in your sacred alcove among the archives of the past. We defy you to produce that manuscript and the envelope which is supposed to have contained it. The article about the funeral, to which you have reference, appeared in last Monday's issue and there has not been a *HERALD* delivered in Cedar Creek since. Twenty-five copies of the weekly went there yesterday. If you had waited until today your story would have appeared plausible. You were a little “too previous.” Whenever the *Journal* wants to hit anybody, it is always in the form of a communication, or “we heard on the street today.” The “swelled head bubbling” of the *HERALD* reporter is delicious. Thanks. Write again.

## F. HERRMANN &amp; CO.,

## CORSET DEPARTMENT.

## LADIES FAVORITE WAIST

This waist is designed to meet the requirements of ladies who cannot, comfortably, wear a stiff and rigid corset, while it can be worn with as much comfort as an ordinary dress waist. It will give the same elegance of contour as the heaviest boned corset in the market, while the stays are so arranged that they will give support to the back and spine and in no wise interfere with the freedom and comfort of the wearer. The weight of the clothing is transferred from the hips to the shoulders by means of the shoulder straps, which are adjustable to suit any form or length of waist.

We have these waists in White, Grey and Gold and the price to introduce them will be \$1.00. Sizes 18 to 28.

## We also carry a Full Line of the following Corsets:

Bortrees Duplex, Bortrees Skirt Supporting, Misses Corsets, Loomers Elastic Comfort Hip, Satin Corsets, F. C. Corsets, J. C. Corsets, C. P. Corsets. Our Cleopatra is the best \$1.00 corset ever thrown over any counter; our 750 French Wave at \$1.50 cannot be duplicated in this city; our Blanche Extra Long Corset at \$1.50 is a bargain; Childrens Corset Waists at 45 and 65 cents.

## Reasons for Purchasing Lots in South Park:

1. As a whole they are the finest lying lots in the city.
2. They are shaded with beautiful forest trees.
3. They are located between Chicago and Lincoln Avenues, the two finest drives about the city.
4. They are only a ten-minute walk from the business portion of the town.
5. By reason of their location between the two main thoroughfares into the city, they are more accessible than lots in other additions.
6. The only addition to the city reached by two established avenues.
7. The only new addition to the city reached by water mains and with a prospect of being supplied in the near future with complete water privileges.
8. New sidewalks recently constructed to within a few feet of the addition and will shortly be extended.
9. Will certainly have street car privileges at no distant date.
10. If you wish a fine view of the river, locate on a lot in South Park.
11. If you wish a slightly and picturesque view of Plattsburgh, it can be had from a South Park lot.
12. To persons in the railroad employ, the eastern portion of South Park is the most desirable residence locality in the city.
13. To persons desiring a residence on Chicago avenue, the western portion of South Park is available for that purpose.
14. The B. & M. railroad track runs near the east line of the addition, furnishing good facilities for manufacturing industries.
15. If you locate in South Park you will have good neighbors: Mayor Simpson, John R. Cox, John A. Davies, John L. Minor, J. V. Weckbach, Chas. Harris, John H. Young, Henry Waterman, W. C. Ingraham, B. Sparlock, Jerry Farthing, Thos. E. Reynolds, S. A. Davis, L. A. Miner, C. M. Wead, Frank Irish, J. N. Glenn, C. L. Coleman, S. A. Speakman, Frank Beeson, Chas. A. Rankin, Sarah E. Alexander, John Moore, M. A. Shipman, Lillie Kalisky, T. W. Faught, Clayton Barber, W. J. Hesser, Harry Kneller, J. E. Barwick, J. G. Royal, W. N. McLennan, P. C. Minor, F. McCourt, J. C. Fought and others are owners of South Park property.
16. Over \$12,000 worth of this desirable property has been disposed of within a short period and no part has been sold to outside speculators which is solid proof of the substantial growth of this part of the city.
17. More substantial houses were built in South Park in the fall of 1887 than in any one locality in the city and the prospects for spring building are much greater.
18. Lots will be sold until the 1st of April, next, at \$150 each; after said date the price on the most desirable lots will be advanced.
19. Terms 1/3 cash, balance in one and two years, or lots may be purchased on monthly payments.
20. Any number of persons, not less than five, purchasing ten lots in one transaction will be given a lot free to dispose of as they may deem proper.
21. Any person or persons purchasing 20 or more lots and paying 1/3 cash, may have one and two years on balance without interest.
22. If any other reasons for purchasing lots in South Park are desired they will be given by calling at the office of
