REPUBLICAN CONVENTION.

The Republican electors of the State of Nebraska are requested to send delegates from the several counties, to meet in convention, at the city of Omaha, Tuesday, May 15, 1888, at 8 o'clock p. m.

THE APPOINTMENT. The several counties are entitled to representation as follows, being based upon the vote cast for Hon. Samuel Maxwell, supreme Judge, in 1887, giving one delegate-at-large to each county, and one for each 150 votes and major fraction thereof:

Table with 4 columns: COUNTY, VOTES, COUNTY, VOTES. Lists counties like Adams, Antelope, Arthur, Blaine, Boone, Box Butte, Brown, Buffalo, Butler, Cass, Cedar, Chase, Cherry, Cheyenne, Clay, Colfax, Cuming, Custer, Dakota, Dawes, Dawson, Dixon, Dodge, Douglas, Dundy, Fillmore, Franklin, Frontier, Furnas, Gage, Garland, Gosper, Grant, Greeley, Hall, Hamilton, Harlan, Hayes, Hitchcock, Holt, Howard.

It is recommended that no proxies be admitted to the convention, except such as are held by persons residing in the counties from the proxies are given.

THE CANVAS for presidential preference waxed warmer as the month of June grows nearer, and to THE HERALD'S way of thinking no one grows faster in public esteem than the honest, fearless patriot Gresham.

THE HERALD has all along warned our people against shedding too many crocodile tears on behalf of the striking element here which has from the very first been a menace to the business interests of the city; now that they have had a few sympathizers they abuse the confidence placed in them by assaulting innocent men and riding rough shod over law and order.

Plattsmouth, through the efforts of Mr. Tefft, came near securing the Congressional convention. If Mr. Tefft had been assisted by some of our people we could have secured the convention.

THE WEEKLY EVENING POST. The New York Evening Post will begin, on the third of May, to issue a weekly edition, having for its principal aim the promotion of Revenue Reform, which has become the paramount issue in national politics.

of the management of the weekly newspaper of Plattsmouth at the rate of \$1 per year. The number will be published on the 16th of May.

NATIONAL DELEGATE.

The HERALD has heretofore had occasion to mention Capt. H. E. Palmer as a delegate to the national convention and to warmly espouse his selection, for that very honorable position.

Captain Palmer has always been a zealous Blaine man and as a second choice would be careful of his usual good judgment to support the man whom the people most desire.

Cass county will undoubtedly give Capt. Palmer its hearty support; his zeal as an unwavering republican, his ability to represent the best interests of the party, together with his large state acquaintance make him an especially strong candidate.

Cass County could in no event select a man that would get one-half the outside support that could be had for Capt. Palmer, this alone is an important consideration, as it would be foolish to push a man to the front when we knew his defeat was certain. As additional evidence of the captain's strength outside our own county we append below a few opinions from the state press, many more could be and will be printed from time to time.

The David City Tribune of last week says: "Capt. H. E. Palmer, of Plattsmouth, is quite frequently mentioned as delegate at large to the National Republican Convention. The genial and business-like captain has many friends in Butler county who would be glad to have him receive the honor."

The Seward Reporter says: "Capt. Palmer is known to nearly everybody in Nebraska. He has been a resident of the state for a great many years, and has been identified with its progress from an early period to the present time. Always an active Republican, he has given much of his time to the interest of the party, and has materially assisted in every campaign, and may be termed a good representative of the party and the state."

The Kearney County Gazette says: "As the time for the convention is drawing near, when delegates to the National Republican Convention are to be selected, the republican party of this state should not lose sight of the fact that much depends on the selection of such men as will best represent the party in Nebraska. The candidate who is to lead the republican party to victory next November, should be a man that not only represents a faction of the party, but one that will represent the principles of the entire party, one who can carry the western states as well as those east. With such a duty to perform the republican party of Nebraska needs to select none but good men, those whose principles and loyalty to party there is no question."

The Gazette in its review of available candidates for the National Convention would mention the name of Capt. H. E. Palmer, of Plattsmouth, as a man who is not only a loyal republican, but a man who is capable of judging of the needs of the party, in the selection of a national standard bearer. In mentioning the name of Capt. H. E. Palmer we do so with the assurance that in him the republican party whom to honor with such a position is to bestow honor where it belongs. H. E. Palmer should be a delegate to the next republican national convention."

An Explanation.

What is this "nervous trouble" with which so many seem now to be afflicted? If you will remember a few years ago the word Malaria was comparatively unknown,—today it is as common as any word in the English language, yet this word covers only the meaning of another word used by our forefathers in times past. So it is with nervous diseases, as they and Malaria are intended to cover what our grandfathers called Biliousness, and all are caused by troubles that arise from a diseased condition of the Liver which in performing its functions finding it cannot dispose of the bile through the ordinary channel is compelled to pass it off through the system causing nervous troubles, Malaria, Bilious Fever, etc. You who are suffering can well appreciate a cure. We recommend Green's August Flower. Its cures are marvelous.

To Make Wash Rolls.

Prepare the meat as for ordinary hash, chopping it very fine. Moisten with a spoonful of cold gravy or meat juice if you have it; add an equal quantity of mashed potatoes (fresh is best), and the same of stale crumbs grated and soaked in cream. Work all well together with the hand, make into rolls about three inches long and half the thickness, and brown in a hot oven fifteen or twenty minutes, or you may spread the hash in a well greased bread pan and set in the oven, when browned on the bottom turn into a dish crusted with butter, and send to the table.—New Orleans Picayune.

People with thin heads of hair should use Hall's Vegetable Sicilian Hair Renewer to make the hair grow out thick, healthy and strong.

Increase the appetite by the use of Ayer's Cathartic Pills. They cause the stomach, liver, and bowels to perform their functions properly, do not debilitate, by excessive stimulation, and are not irritating in their action. As an after-dinner Pill they are unequalled.

A Check on Dishonesty.

A perfectly sound body and a mind unimpaired are possible only with pure blood. Leading medical authorities endorse Ayer's Sarsaparilla as the best blood purifying medicine in existence. It vastly increases the working and productive powers of both hand and brain.

"I have used Ayer's Pills in my family for seven or eight years. Whenever I have an attack of headache, to which I am very subject, I take a dose of Ayer's Pills and am always promptly relieved. I find them equally beneficial in colds; and, in my family, they are used for bilious complaints and other disturbances with such good effect that we rarely, if ever, have to call a physician."—H. TORNADO POLICIES.

The present year bids fair to be a disastrous one from tornadoes and wind storms. This is fore-shadowed by the number of storms we have already had—the most destructive one so far this year having occurred at Mt. Vernon, Ill., where a large number of buildings were destroyed or damaged. The exemption from tornadoes last year renders their occurrence more probable in 1888.
