CITY CORDIALS.

—Social tonight at K. P. hall. Don't fail to go.

—Steamboat "Katie Pease" made her first trip of the season to Plattsmouth yesterday. She sailed back down the river this morning.

—Remember the social tonight by the Ladies Aid Society of the M. E. church. A good programme has been arranged, and it will pay you to attend.

—The second annual meeting of St. Andrews Brotherhood meets in Omaha today and Plattsmouth sent three delegates whose names we were unable to learn.

—Chas. Frey was arrested and brought before justice court for shooting Mr. Sherbut's dog while the little girl was holding it in the yard. The case was continued until Saturday.

—Take notice, members of Cass Lodge 146, I. O. O. F. Members of the degree staff are requested to be present tonight, May 15, regular meeting as important business will come before the meeting. By order of degree master, L. G. Larson.

—Louie Meilenz one of the invincible democrats of Saunders county was a visitor in the city yesterday. Mr. Meilenz is now engaged in the flour business and is manufacturing some of the finest grade of flour to be found any where in the state.

—G. N. La Rue of Liberty precinct, is the first of the assessors of Cass county to complete his work of assessing and return his book to the county clerk. Mr. La Rue brought his book in this morning as he was on his way to attend the republican convention at Omaha.

—Chas. Kinzer was arrested last night on complaint of Patrick Dougan for assault on Tom McCarty Saturday in John Blake's saloon. The case was brought before Justice Stiles and was continued over until this morning at 9 o'clock. The case was brought up this morning and Kinzer was sentenced to 30 days in city jail.

—Enthusiastic conventions were held in the second and third congressional districts yesterday, and Congressmen Laird and Dorsey, of their respective district, were nominated each, for a third term by acclamation. These men have each done some good work for the people in their districts, and it shows that the people appreciate their efforts in their behalf.

—A work train was wrecked on the Missouri Pacific yesterday near Union, in this county. The engine and two cars were thrown from the track but not badly broken up. There were about 40 men on the train but the only one hurt was the engineer, who had his arm pinched a little and the fireman slightly burned. We failed to learn the cause of the wreck.

—What might have proved a serious accident happened last evening. Three men on their way to Grand Island attempted to cross the Platte River bridge ahead of the K. C. train, they had been in Plattsmouth and got a little to much "tangle foot," and in their hurry to get across the bridge two of them fell off into the water. They were rescued by the night watchman and started on their way rejoicing.

—The Ladies of the M. E. church will give a social on Tuesday evening at the K. of P. hall, south side of Main street, over J. V. Weckbach's store. The following program will be given: Song, M. E. choir; declamation, Miss Kit Russell; duet, Mrs. Martin and Mr. Mutt; song, Glee Club; reading, Miss Witten; song, Willie A. Derrick; song, quartette; declamation, Anna Sullivan; duet, Mrs. Lovrin and Miss Paul; reading, Miss May Russell; song, Glee Club. Debate, resolved that man has done more for humanity than woman. After which ice cream and cake will be served. Admission, 10 cents.

—Some parties of our city still persist in their cowardly and distasteful work of using those "negro shooters." It is a cowardly, mean practice, and if still persisted in will be looked into by the authorities of our city and the perpetrators severely punished. Why, it is becoming dangerous for any one to pass along the streets any more at any time. There are places in the city where they are in the habit of throwing stone out of the upper story windows at people as they pass along the streets. This is a cowardly mean trick and has been repeated more than once from the same building; now if the parties in charge of that building intend that such things shall be continued, the city authorities should investigate the matter and see why the lives of our citizens are to be thus endangered while passing along the streets. There are reasons for all things usually, but we have failed yet to see any reasons for these dastardly acts.

A Denial.

Editor HERALD.—Your paper has seen fit to call my place of business a "Hell Hole," a "Butcher Shop" and a nuisance. Now what I desire to know is how you know so much about a place you have never visited or been inside of to my knowledge. Let me say to you that I endeavor to maintain good order and when men do not behave themselves they are put out. You will render the public no less than myself a favor by doing me the justice of permitting me to deny each and all of your epithets as untrue and libelous. If I have not kept a proper place the courts and not the newspapers is the proper place to decide the question. JOHN BLAKE.
