MORAL NATURES BEST REACHED ON THE PHYSICAL SIDE.

People Who Dig Their Own Graves—Evils That Follow in the Train of Living in Cities—Ozone of the Country Air—The Requirements of Children.

The city is, as every one knows, a poor place to bring up children in. Men and women, with bodies matured and properly hardened, can endure its bad air, the confinement within doors and the constant excitement and drive—though even they require occasionally to be transplanted to more wholesome conditions for recuperation.

Edison and His Baby. Thomas A. Edison, the inventor, is the proud father of a little girl, which was born not long ago.

Life in the country, where the population is sparse, and individual is separated from individual by generous slices of space, is longer, more secure, and, therefore, of course, more healthful, than life in the city.

General Grant's old war horse, Claborn, has been presented to the inmates of the Soldiers' home at Fort Leavenworth, Kan.

Pao Yun, president of the Pekin (China) Academy, is translating Shakespeare's plays into Chinese.

Ayer's Hair Vigor is a universal beautifier. Harmless, effective, and agreeable, it has taken high rank among toilet articles.

Plenty or Hand. Wife—Why is it, John, that you rarely kiss me now? Before we were married you bothered me almost to death.

For chronic catarrh, induced by a scrofulous taint, Ayer's Sarsaparilla is the true remedy. It stops catarrhal discharges, removes the sickening odor, and never fails to thoroughly eradicate every trace of the disease from the blood.

A process has been discovered for producing photographs on metal.

Cincinnati boasts the biggest pin pool game in the country.

\$500 Reward. We will pay the above reward for any case of liver complaint, dyspepsia, sick headache, indigestion, constipation or costiveness we cannot cure with West's Vegetable Liver Pills.

Scarlet fever is at its minimum from January to May, and at its maximum in October and November.

An Explanation. What is this "nervous trouble" with which so many seem now to be afflicted? If you will remember a few years ago the word Malaria was comparatively unknown.

Use lemon juice and salt to remove iron rust.
