NATIONAL REPUBLICAN TICKET.

FOR PRESIDENT, BENJAMIN HARRISON, of Indiana.

FOR VICE PRESIDENT, LEVI P. MORTON, of New York.

BENJAMIN HARRISON is noted for his large head and Grover Cleveland for his large neck.

The republicans of Oregon only elected their member of congress by 7,467 majority over his democratic free trade opponent.

Our democratic friends may have their old snuffy bandana, but if they want to keep up with the procession and enjoy their snuff, they had better fall in under the stars and stripes and march to victory with Ben Harrison and protection.

The English newspapers are very much disgusted with the republican nominations and very much pleased with the democratic ticket.

The most impressive and conspicuous portion of Mr. Cleveland's letter of acceptance will be that passage where he says nothing about the danger that lurks in a man being a candidate for the second term.

BE not scared to death, Messrs. Democrats; this is not going to be, as you are saying, "another log cabin and hard cider business."

CHARLES WHOOPER is very much opposed to the eastern manufacturer, he thinks the fostering of manufactures breeds strikes; that the only way to avoid strikes is to abolish the tariff.

TARIFF LITERATURE FOR ALL.

The American Protective Tariff League is publishing a most valuable series of Tariff documents. These are prepared with a view not only to state the facts and arguments for protection, but also to convince doubtful voters, whether they are farmers, laborers, merchants or professional men.

Table listing various tariff documents and their authors, such as 'The Farmer and the Tariff' by Col. Hood, 'The Wool Interest' by Judge William Lawrence, etc.

THE THURMAN BANDANA. The Thurman bandana seems to work all right but the Cleveland button has been discarded.

Our democratic friends are very much exercised about the lack of enthusiasm over Ben Harrison's nomination. To our way of thinking it double discounts the manner in which the country received the forced nomination of Grover Cleveland.

Mr. Harrison's is a good clean nomination of a man who enters the campaign unencumbered by falsehoods and false pretenses.

Trade of Professional Director. There is a lucrative, if not very extensive, trade in this city that I have never seen described in print.

Kathland's Fantastic Cradle. One would hardly go to Kathland for a fantastic cradle, and as amusing as queer as it is fantastic, at that.

A Curious Freak of Nature. There is at Lone Pine, Inyo county, a rock that might be easily passed off for a petrified elephant.

Don't Raise Fainting Persons. The common practice of raising fainting persons to a sitting or upright position is often sufficient to destroy the spark of life which remains.

\$500 Reward. We will pay the above reward for any case of liver complaint, dyspepsia, sick headache, indigestion, constipation or costiveness we cannot cure with West's Vegetable Liver Pills.

A Warning. The modes of death's approach are various, and statistics show conclusively that more persons die from disease of the throat and lungs than any other.

The republicans of the United States, assembled by their delegates in national convention, pause for a moment to honor the memory of their first great leader and immortal champion of liberty and the rights of the people.

In the spirit of those great leaders and of our devotion to human liberty, and with that hostility to all forms of despotism and oppression which is the foundation of the republican party, we send fraternal congratulations to our fellow Americans.

WE WILL SUPPORT INTERESTS OF AMERICA. We accept the responsibility of the protection of the people for their judgment.

AGAINST PATRIOT AND TRADE. We declare our hostility to the introduction into this country of foreign contract labor and of cheap labor alien to our civilization.

PUBLIC LAND LEGISLATION. We reaffirm the policy of appropriating the public lands of the United States to be homes for American citizens.

ADMISSION OF TERRITORIES. The government by congress of the territories is based upon necessity.

THE MEXICO QUESTION. The political power of the church in the territories as exercised in the past is a menace to free institutions.

OUR MERCHANT MARINE. We earnestly recommend that prompt action be taken in congress in the enactment of such legislation as will secure the rehabilitation of our American merchant marine.

and Pacific states of the United States, and the employment of various industries in the country, promote the better for our country.

FOREIGN RELATIONS. The conduct of foreign relations has been marked by inefficiency and cowardice.

FISHERIES QUESTION. We arraign the present democratic administration for its weak and unpatriotic treatment of the fisheries question.

CIVIL SERVICE REFORM. The men who abandoned the republican party in 1884 and continue to adhere to the democratic party have deserted the cause of reform in the civil service.

REPUBLICAN STATE CONVENTION. The republican electors of the state of Nebraska are requested to send delegates from their several counties to meet in convention at the city of Lincoln.

COUNTIES - VOTES. Adams 14, Johnson 8, Antelope 14, Keyha Park 5, Arthur 1, Keith 4, Blaine 2, Knox 4, Boone 2, Lancaster 25, Box Butte 4, Lincoln 8, Buffalo 2, Logan 2, Butler 2, Loup 2, Hart 2, Madison 2, Cedar 2, Merrick 2, Chase 2, Nance 2, Colfax 2, Phelps 2, Cheyenne 11, Nuckolls 2, Clay 11, Otoe 12, DeWitt 2, Pawnee 2, Conkling 2, Perkins 2, Ouster 2, Pierce 4, Gosper 2, Polk 4, Dawes 2, Platte 6, Dawson 2, Phelps 7, DeWitt 2, Richardson 12, Dodge 2, Red Willow 2, Douglas 2, Sallisaw 13, Dundy 2, Sarpy 2, Franklin 2, Seward 10, Frontier 2, Sheridan 7, Furness 2, Sherman 2, Gage 2, Sioux 2, Garfield 2, Stanton 4, Gosper 2, Thayer 2, Grant 2, Thomas 2, Greeley 2, Valley 2, Hamilton 2, Washington 2, Harlan 2, Webster 2, Hayes 2, Wheeler 11, Hitchcock 2, York 2, Holt 2, Unorganized Ter. 1, Jefferson 2, Total 671.

It is recommended that no proxies be admitted to the convention except such as are held by persons residing in the counties from which the proxies are given.

WHEREAS, At the republican state convention held at Lincoln October 5, 1887, the following resolution was adopted: Resolved, That the state central committee be instructed to embrace in its call for the next state convention the submission of the prohibition question to the republican voters at the republican primaries.

Therefore, in accordance with the above resolution, the several county central committees are hereby instructed to include in their call for their next county convention the submission of the prohibition question to the REPUBLICAN VOTERS at the republican primaries.
