OFFICIAL PAPER OF THE CITY.

A. Salsbery, Dentist, Rockwood Building, Telephone No. 25. Dr. Siglin, Office in Gering's Drug Store, Residence Cor. Sixth and Granite, Telephone No. 42. Drs. Cave & Smith, the Painless Dentists, Union Block, over Citizens' Bank, Plattsmouth.

CITY CORDIALS.

The democrats were wise in omitting the prohibition plank from their platform.

There will be a meeting of the young men's republican club tonight at the office of Judge Russell.

There will be a business meeting of the St. Luke's Guild at 7 o'clock this evening, at the residence of Mrs. A. W. White's.

Rev. M. A. Hampton has resigned his position as pastor of the Christian church here and will preach his farewell sermon next Sunday.

An emigrant wagon passed through the city westward bound yesterday and labeled: "Harrison and Morton or bust." We hope they don't "bust."

The editor of the Journal says there wasn't a drunken man in Weeping Water last Saturday night during the democratic rally there. Wonder how he knows?

All members of the young men's republican club are requested to be present at their meeting which will be held at the office of Judge Russell. Meeting called at 8 o'clock sharp.

We acknowledge the receipt of a complimentary ticket to the Seventh Annual fair of the Gage County Agricultural Society, to be held at Beatrice, Neb., on Sept. 4th to 7th inclusive.

The Glee Club will sing an entire new array of songs never before heard in the city, in an imitable style at the Grand Concert, Aug. 14. The club has the reputation as one of the best singing societies in the state.

The friends of Mrs. Merges will be pleased to hear that she has charge of the piano accompaniments at the Musical Festival to be given at the Opera House, Aug. 14, under the auspices of the Plattsmouth Orchestra & Concert Co.

A base ball club consisting of strikers, will play a game on the ball grounds this afternoon with the first nine. The strikers were possessed of enough assurance to come out on the streets this afternoon attired in base ball clothes. Particulars of the game tomorrow.

A good Samaritan passed the way where a democrat had fallen from his ass and lay upon the road apparently in deep trouble with a sore head and minus a pant leg. The good samaritan, who was a republican, lifted him from the mire and after bandaging the bruised limb and bathing the swell-ed head, sent him on his way rejoicing to the land of the republicans—Plattsmouth. He informed the good man that he had attended a grand rally the night before.

Rev. W. B. Alexander, in his sermon yesterday morning showed the amount of money expended by the American people last year for missionary purposes and asked them to compare it with the amount spent for dog tax the same year. He did not see why dogs should be taxed anyway, and that there was one which prowled about in the vicinity of his residence every night and made more noise than if he had not been taxed for the people would then have had the privilege of shooting him.

A Pacific Junction citizen lingered about the B. & B. depot last Saturday night apparently enjoying a look at every passer-by and readily shooting an answer at anyone who might make any reference to him. He was waiting for the arrival of the K. C. train and he carried a brown jug of no light weight. He seemed to be possessed of the brightest spirits and he had apparently enjoyed his Plattsmouth visit very much. He is not the only Iowan who has visited the city and returned to the land of the well-feet regardless of "prohi." lately.

The Clippers of this city accepted a challenge from the Murray club which appeared in this paper last week and drove out about ten miles south of the city yesterday where they played a game which resulted favorably for the Clippers by a score of 13 to 9. About one hundred spectators were on the ground. The Clippers met a heavy club, the players all being older than the oldest Clipper player. The game was called at 3 o'clock. Following is the score by innings:

Table with 2 columns: Team and Score. Clippers 13, Murray 9.

The republicans of Glenwood are at present quite enthusiastic over the rally which is to be given there on the 15th. Arrangements will be made for that date so that special rates can be secured over the railroads from the different directions and it is expected that one of the greatest events in the history of that place will be the result. Mr. John A. Davies, president of the young men's republican club of this city, has received a pressing invitation in behalf of the club. Hon. John Y. Stone, of Council Bluffs, and other prominent speakers will participate.

The Ball Game.

The Jetter & Young club of Omaha badly defeated the Plattsmouth club on their own ground last Saturday afternoon.

The Omaha team did not win the game by extra smooth playing, but were allowed to have everything their own way by the general poor playing indulged in by the home team. Mr. Tom Patterson, the pitcher for the Plattsmouth club, who is looked upon by the players of his team as their main support, was badly crippled during the first inning and was obliged to leave the field. This break in the club discouraged and seemed to rattle every player, and they all held the diamond down in a way that prompted the spectators to believe they were taking a day off. Two outsiders were taken into the field before the game was finished.

The club was dissatisfied with three or four decisions given by the umpire and that helped to discourage them.

The club has played with two better nines this season, both games being good ones, and it is thought if Mr. Tom Patterson had not been obliged to leave his box, a better game would have resulted this time.

Following is the score: 1 2 3 4 5 6 7 8 9. Omaha, 0 3 0 0 5 3 0 1 0 - 12. Plattsmouth, 1 0 0 0 0 0 1 0 - 2. Umpire, W. Chambers. Battery for Plattsmouth, Sam and Jim Patterson; for Omaha, Hughes and Morrissey. Mr. Jim Patterson made the two runs for Plattsmouth. He knocked a two-bagger.

Harrison in Indiana.

EVANSVILLE, Ind., July 30, 1888.

Nelson Jean, Plattsmouth, Neb.—My dear Bro.: You wanted me to write you of the situation in Indiana. I can say this. Harrison will carry Indiana, sure. I place his majority at from 12,000 to 15,000, and I would not be surprised if it were 20,000. I am perfectly familiar with the politics of the state, am in daily correspondence with the state committee, and can assure you that the land-slide from democracy is simply tremendous, and will surprise everyone when the votes are counted. Say to all republican friends that nothing is no longer doubtful and that "protection is home industries" is what will do the business. Changes from democratic to republicanism are of daily occurrence, and they are flopping by the hundreds and thousands. Folks are all well, and send regards to all.

We have the finest crops of all descriptions, including fruits of all kinds ever known here. Peaches 50c. per bushel.

Yours, JAKE COVERT.

Saturday afternoon between 4 and 5 o'clock, Clarence Forbes, a boy about 10 years of age, son of Mr. Chas. Forbes, met with a very painful and ugly accident. He had jumped on a farmer's wagon, as the farmers were driving out Chicago avenue on their return home. In some way the boy fell from the wagon and was run over, the wheel in some mysterious way tearing the lower half of his right ear from his head. It is not known by anyone whether one of the wheels passed over his head or not, but some suppose it did as his skull is slightly fractured and his scalp badly cut. Dr. Schidknecht was sent for and arrived as soon as possible. The piece of the ear which was torn off was sewed on immediately, and at the last examination the doctor thought the ear would be all right after healing up. The boy cannot give any information as to how the accident occurred or how he fell from the wagon. Although badly injured about the head and shoulders, it is thought he will speedily recover.

The democratic rally which was held at Weeping Water last Saturday night was reported by the participants to have been a grand success. A dozen or so different reports were heard from the democrats who attended as to the number, from five hundred to one thousand being given. Six bands had been employed to "fill up," and all the democrats in the state from far and near assembled to hear the death sentence passed on the erring republicans. We believe that some of them could see four or five men where only one stood and that may account for the swelled report. The Plattsmouth delegation moved slowly away from the city Saturday afternoon, keeping time with the funeral marches which the band played for them. No information can be secured from any of the delegation as to what time they returned, all we have heard so far was: "A high time—six bands there—more fun than I ever had before in my life—the largest crowd ever seen in town—fine speaking and a grand rally." "Well, what time did you get home?" They reply invariably: "Don't know, I got home, though."

The Glenwood people voted bonds for a system of water works last week. The late fire which presented to them the thought of utter helplessness in such a case must have prompted them to such a sensible move.

A young man of this city who has been to Denver and over some of the western country on a pleasure trip, relates an amusing experience to us which we believe is worthy of publication. While at Denver, one morning he started to walk to the mountains which look to be about two or three miles distant, without ascertaining from anyone the exact distance. He said he traveled and traveled, but he seemed to be as far away from the terminus as ever. At last he came to an irrigating ditch which looked to him to be about three or four feet wide, containing about two feet of water. He rolled his pants up from the bottoms as high as he could and just as he was about ready to jump the ditch, a man put in an appearance and asked him: "What is the matter with you and what are you going to do?"

In reply the young man said: "Well, I have been walking for a good part of the day expecting to reach the mountains, and since I have been fooled so badly on distance in this country, I do not intend to jump that ditch unless I'm prepared to wade out, for if I was to calculate on that distance judging by the mountain road, it is about twenty or twenty-five feet wide."

Mr. Tom Patterson, pitcher for the Plattsmouth ball team, received serious injuries while trying to put a man out while running to first base in the game between Plattsmouth and Omaha last Saturday. His ankle was sprained so badly that he was unable to play and is now confined to his home with a very sore limb. His foot was turned completely over and some of the small bones in his leg badly injured. The doctor who attended him thinks he will not be able to play again this summer. The accident occurred in the first inning, and it is thought that was what discouraged the players.

Central Committee Meeting.

The Republican County Central Committee met Saturday at Weeping Water. Every precinct was represented except South Bend, and the Second and Fourth wards of Plattsmouth.

A very harmonious meeting was had, and great interest manifested in the success of the Republican ticket. It was unanimously agreed to call the county convention for August 20th, and primaries for the 18th, the county convention being authorized to select delegates to state and congressional conventions.

It was considered impossible to call the county convention for the naming of the county ticket at this time. After the discussion of several matters pertaining to organization and locating the convention at Weeping Water, the committee adjourned.

Any one paying up their subscription and 25 cts. can have the Omaha Weekly Bee till January 1st., 1889.
