NATIONAL REPUBLICAN TICKET.

FOR PRESIDENT, BENJAMIN HARRISON, of Indiana. FOR VICE PRESIDENT, LEVI P. MORTON, of New York.

The reform movement in Lancaster county seems to be as truly marvelous as that in Douglas county. Stephen B. Pound was put aside in the city of Lincoln for an honest farmer by the name of E. E. Brown. And so the reform works its wonders when the laboring man gets his work in.

The question of representatives for Cass county in the next legislature, is now agitating the attention of the politicians of the county and the remarks of the Eagle, that fit men should be chosen for our next legislature, more on account of their brains and ability to represent the people, than because they happen to belong to some particular section of the county, meets our party endorsement.

Mr. BLAINE received the royal welcome on his arrival at New York which he deserved. It was a fit demonstration and added to the many similar expressions upon the part of the republican masses of the country, showing that J. G. Blaine has put the confidence of the people of this country and that we admire the sterling qualities of the great man.

The Omaha World promises great things when its editor makes up his mind finally on the tariff question. When, it intimates, "the hair will fly," and the matter will be sifted just so! That is the insufferable egotism of the mugwump and nothing more.

The success of the past Connell combination in Omaha shows how the whirligig of politics cuts its queer antics. We notice several entirely new politicians are discovered and brought to light by the naming of the two delegations.

While all the rest of the candidates are getting "solid delegations" from various portions of the state, Jefferson county's candidate, Mr. D. B. Cropsey, is receiving assurances that he will have a good following and that when the convention meets he will not be left in the general "round up." Unlike most of the other candidates, he has attended to his regular business and has not spent the summer traveling about the state soliciting votes.

Call For Republican County Convention.

The republican electors of Cass county are hereby called to meet in their respective wards and precincts on Saturday, August 18, 1888, for the purpose of electing delegates to meet in convention at Weeping Water, Neb., on August 20, 1888, at 1 o'clock p. m., for the purpose of electing sixteen delegates to the republican state convention, which meets at Lincoln, August 23, 1888, and also to elect 16 delegates to the congressional convention which meets at Lincoln, Sept. 20, at 8 p. m., 1888.

Primary will be held in the various wards and precincts, on Aug. 18, 1888, at the following places:

- Tipton, at Eagle, 8:00; Salt Creek, at Greenwood village, 7:30; Stove Creek, at Elmwood village, 7:30; Elmwood, at Center school house, 7:30; South Bend, at South Bend, 7:30; Weeping Water, at Union Hall, 3 p. m.; Center, at Manley, 3 p. m.; Louisville, at Fitzgerald's Hall, 3 p. m.; Avoca, at Hutchins' school house, 3 p. m.; Rock Bluffs, at Berger's school house, 3 p. m.; Mt. Pleasant, at Gilmore's school house, 4 p. m.; Eight Mile Grove, at Hyat's school house, 7:30 p. m.; Liberty, at Foldsen's school house, 3 p. m.; Plattsmouth precinct, at Taylor's school house, 3 p. m.; Plattsmouth city, 1st ward, at county judge's office, 1 to 7 p. m.; 2nd ward, at 2nd ward school house, 1 to 7 p. m.; 3rd ward, at Sullivan's office, 1 to 7 p. m.; 4th ward, at Rockwood Hall, 1 to 7 p. m.

At the republican state convention held Oct. 5th, '87, it was directed that republican voters at the republican primaries should vote upon the question of the submission of prohibition as a constitutional amendment and the same having been directed by the republican state central committee, the said electors will also vote upon said proposition to be submitted as follows: "Shall there be a submission of the constitutional amendment in this state prohibiting the sale and manufacture of intoxicating liquors?"

A Warning. The modes of death's approach are various, and statistics show conclusively that more persons die from disease of the throat and lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs producing Consumption and to the head, causing Catarrh. Now all this is dangerous and if allowed to continue will in time cause death.

Danger from Pet Dogs. One of the most noted physicians has discovered a new danger that menaces ladies who keep pet dogs. There is an invisible worm that rubs off the dog's tongue. These worms work their way into the flesh of human beings, and it is extremely dangerous for a dog to lick even a lady's hand.

STATE TREASURER. While all the rest of the candidates are getting "solid delegations" from various portions of the state, Jefferson county's candidate, Mr. D. B. Cropsey, is receiving assurances that he will have a good following and that when the convention meets he will not be left in the general "round up."

There was an interesting scene in Alexandria, Va., the other night, when the floor of a lodge room in which a number of colored people who were being initiated into the order of True Reformers fell through, precipitating the candidates into a dark room below. A man who was asleep in the room below was crushed, but the people who fell through thought that the fall into the darkness was a part of the initiatory ceremony, and walked calmly for a continuance of the rites.

REPUBLICAN PLATFORM.

The republicans of the United States, assembled by their delegates in national convention, pause on the threshold of their proceedings to honor the memory of their great leader and immortal champion of liberty and the rights of the people, Abraham Lincoln, and to cover also with words of imperishable remembrance and gratitude the heroic names of our later leaders who have been more recently called away from our councils.

WE AFFIRM OUR UNSWERVING DEVOTION to the personal rights of the citizen, to the solvable union of states to the autonomy reserved to the states under the constitution, to the personal rights of the citizen in all states and territories in the union and especially to the supreme and sovereign right of every citizen, rich or poor, native or foreign born, white or black, to cast one free ballot in the public elections and to have that ballot duly counted.

We are uncompromisingly in favor of the American system of protection. We protest against the democratic majority in congress owe their existence to the suppression of the ballot by the criminal nullification of the constitution and laws of the United States.

We denounce the Mills' bill as destructive to general business, labor, and the farming interests of the country, and we heartily endorse the consistent and patriotic action of the republican representatives in congress in opposing its passage.

We declare our opposition to the introduction into this country of foreign contract labor and of Chinese labor alien to our civilization and our constitution, and we demand the repeal of existing laws against it and favor such immediate legislation as will exclude such labor from our shores.

WE REAFFIRM THE POLICY OF APPROPRIATING the public lands of the United States to be homesteads for American citizens and settlers not aliens, which the republican party established in 1820 against the persistent opposition of the democrats in congress, which has brought our great western domain into a more rapid development.

THE GOVERNMENT BY CONGRESS OF THE TERRITORIES is based upon necessity only to the end that they may become states in the union; therefore, when the republican party has secured the control of the government, it will immediately restore to the people the right of self-government in the territories.

THE POLITICAL PARTY OF THE MORNON CHURCH in the territories is exercised in the past is a menace to free institutions too dangerous to be long suffered. Therefore we pledge the republican party to appropriate legislation, asserting the sovereignty of the nation in all the territories where there is a question of self-government.

OUR MERCHANT MARINE. We earnestly recommend that prompt action be taken in congress, where the citizens of the sovereign are the official servant, where no power is exercised except by the will of the people.

It is recommended that no proxies be admitted to the convention except such as are held by persons residing in the counties from which the proxies are given.

the shipping interests of the Atlantic, Gulf and Pacific states as well as for the payment of the maturing public debt. This policy will give employment to our labor, activity to our various industries, increased security to our country, promote trade, open new and profitable markets for our products and cheapen the cost of transportation.

FOREIGN RELATIONS. The conduct of foreign affairs by the present administration has been distinguished by inefficiency and cowardice. Having withdrawn from the senate all pending treaties effected by republican administrations for the removal of foreign burdens and restrictions upon our commerce and for its extension into a better market it has neither affected nor proposed any others in their stead.

FISHERIES QUESTION. We arraign the present democratic administration for its weak and unpatriotic treatment of the fisheries question, and its pusillanimous surrender of all privileges to which our fishery vessels are entitled in Canadian ports under the treaty of 1825.

CIVIL SERVICE REFORM. The men who abandoned the republican party in 1884 and continue to adhere to the democratic party have deserted not only the cause of honest government, but of our flag, of freedom and parity of the ballot, but especially have deserted the cause of reform in the civil service.

REPUBLICAN STATE CONVENTION. The republican electors of the state of Nebraska are requested to send delegates from their several counties to meet in convention at the city of Lincoln Thursday, August 23, 1888, at 2 o'clock p. m., for the purpose of placing in nomination candidates for the following state offices.
