NATIONAL REPUBLICAN TICKET.

REPUBLICAN STATE TICKET.
FOR GOVERNOR, JOHN M. THAYER.
FOR LIEUTENANT GOVERNOR, GEORGE D. MEIKLEJOHN.
FOR SECRETARY OF STATE, GILBERT L. LAWS.
FOR TREASURER, J. E. HILL.

FOR AUDITOR OF PUBLIC ACCOUNTS, THOMAS H. BENTON.
FOR ATTORNEY GENERAL, WILLIAM LEESE.
FOR COMMISSIONER OF PUBLIC LANDS AND BUILDINGS, JOHN STEEN.
FOR SUPERINTENDENT OF PUBLIC INSTRUCTION, GEORGE B. LANE.

It is a pitiable sight to witness the New York "Wump" gasping for breath since the "settling down act" in the very recent Hill convention at Buffalo. The "Mug" is gone and the "Wump" is simply palpitating. It didn't know it was loaded.

The contrast between the republican and democratic nominees and their manner of conducting the campaign is a comforting sight to republican, but the mugwump who banks entirely on respectability is the fellow who suffers most over the matter—poor lost mugwump.

The old Roman is raising mad since his arrival home and his discovery that he is simply the jumping jack for Grover Cleveland's circus. The old gentleman swears roundly that Mr. Cleveland can take care of his own state of New York or it may go to the "bow-wow."

SERVILE EH!
The president protests against "Servile immigration." What does he mean by the term asks the Chicago Tribune. Perhaps some of our Nebraska exchanges, who worship at the shrine of Grover can explain this singular phrase.

CIVIL SERVICE HUMBUG.
The spectacle of the president of the United States contributing to the campaign fund to secure his own election, and advertising the contribution, is a sad commentary on the flimsy essays that have been written by mugwumps and independents in praise of Mr. Cleveland's high notions about the public service; but, to the honest civil service reformer there is a deeper meaning on the part of Mr. Cleveland, than the simple proposition to aid and assist the democratic party, and himself, into office by the use of money.

Mr. Blaine is a very bad man! Maine is a very bad state! The people, in fact, are very ignorant in Oregon, Vermont, and Maine! When you desire enlightenment on the great industrial question, you must steer clear of the ignorant working man; the knighted, skilled labor of the factory; the fellow who hears sheep on the great American commons, and hasn't time to read Cobden literature; the Irishman who doesn't know that Johnny Bull is anxious for Pat's welfare in America; the foreign laborer who comes to this country to selfishly better his personal condition and that of his family.

COUNT MITKIEWICZ, who is thoroughly informed as to China, is reported to scout the idea that China has rejected the new treaty with America. In his opinion China favors the treaty restricting the emigration of Chinese to the United States because China does not favor emigration. For that reason China would accept the treaty, since it would affect English interests at Hong Kong and Canton and not its own.

away the Chinese trade from this country, and to kill the project of building American railroads in that empire. Should it turn out to be true that China has not rejected the treaty, the suspicions of British interference in our relations with China would be strongly confirmed.

McShane for governor? "Great governor!" to the states under the constitution, to the personal rights and liberties of citizens in all states and territories in the union and especially to the superior and sovereign rights of every citizen, free or poor, native or foreign born, white or black, to cast one free ballot in the public elections and to have that ballot fully counted.

R. S. WILKINSON, Chairman.
A profuse and many times excessively offensive discharge, with "stopping up" of the nose at times, impairment of the sense of smell and taste, watering of weak eyes, impaired hearing, irregular appetite, occasional nausea, pressure and pain over the eyes, and at times in the back of the head, occasionally chilly sensations, cold feet, and a feeling of lassitude and debility, are symptoms which are common to catarrh in its worst forms and stages. It is pleasant to use, and contains no poisonous or caustic drugs. Of druggists, for 50 cents.

REPUBLICAN PLATFORM.
The republicans of the United States, assembled by their delegates in national convention, pause on the threshold of their proceedings to honor the memory of their first great leader and immortal champion of liberty and the rights of the people, Abraham Lincoln, and to cover also with wreaths of imperishable remembrance and gratitude the heroic names of our later leaders who have been more recently called away from our councils, Grant, Garfield, Arthur, Logan and Conkling. May their memories be faithfully cherished. We also recall with our greetings and prayer for his recovery the name of one of our living heroes whose memory will be treasured in the history both of the nation and of the republic.

the noble soldier and favorite child of victory, Philip H. Sheridan.
The noble and devoted leaders and of our devotion to human liberty, and with that hostility to all forms of despotism and oppression asserting the sovereignty of the nation in the territories where the same is questioned, and in furtherance of that end to place upon the statute books legislation which should secure the abolition of slavery throughout the two American continents. We earnestly hope we may soon congratulate our fellow citizens of Irish birth upon the peaceful recovery of home rule for Ireland.

OUR ENERGETIC DEVOTION to the national constitution and to the indivisible union of states to the autonomy reserved to the states under the constitution, to the personal rights and liberties of citizens in all states and territories in the union and especially to the superior and sovereign rights of every citizen, free or poor, native or foreign born, white or black, to cast one free ballot in the public elections and to have that ballot fully counted. We hold a free and honest popular ballot and just and equal representation of all people to be the foundation of our republican government, and we demand that legislation to secure the integrity and purity of elections which are the foundation of all public administration, and that the present administration and the democratic majority in congress owe their existence to the suppression of the African slave trade, and the restoration of the constitution and laws of the United States.

WE ARE UNCOMPROMISINGLY IN FAVOR of the African slave trade, and the restoration of the constitution and laws of the United States. We accept the issue, and confidently appeal to the people for their judgment. The protective system must be maintained. The abandonment of the tariff system followed by general duties to all interests except those of the insurer and shipper.
We will support INTERESTS OF AMERICA. We accept the issue, and confidently appeal to the people for their judgment. The protective system must be maintained. The abandonment of the tariff system followed by general duties to all interests except those of the insurer and shipper.

SOUTH PARK STILL IN THE FRONT!

Twenty-One Reasons For

PURCHASING LOTS IN SOUTH PARK

- 1. As a whole they are the finest lying lots in the city.
2. They are shaded with beautiful forest trees.
3. They are located between Chicago and Lincoln Avenues, the two finest drives about the city.
4. They are only a ten minutes' walk from the business portion of the town.
5. Ten minutes' walk from the new Driving Park and Fair Grounds.
6. By reason of their location between the two main thoroughfares into the city, they are more accessible than lots in other additions.
7. The only addition in the city reached by two established avenues.
8. The only new addition to the city reached by water mains and with a prospect of being supplied in the near future with complete water privileges.
9. New sidewalks recently constructed to within a few feet of the addition and will shortly be extended.

- 10. New brick school house now being constructed.
11. Will certainly have street car privileges at no distant date.
12. If you wish a fine view of the river, locate on a lot in South Park.
13. If you wish a slightly and picturesque view of Plattsmouth, it can be had from a South Park lot.
14. To persons in the railroad employ, the eastern portion of South Park is the most desirable residence locality in the city.
15. To persons desiring a residence on Chicago Avenue, the western portion of South Park is available for that purpose.
16. The B. & M. railroad track runs near the east line of the addition, furnishing good facilities for manufacturing industries.
