DOCTORS DISAGREE.

BUT THE EDUCATED ONES DO THE BEST FOR THEIR PATIENTS.

Every druggist knows that he is, for obvious reasons, singularly and unjustly liable to lawsuits. A bare suspicion of an error on his part is sufficient basis for one, and in consequence of a single mistake his business may be ruined.

Heat Laundry Work.

All parties desirous of having the neat and cheapest laundry work done, should leave it at this office Tuesday night and it can be secured again Friday evening.

Private Sewerage. All parties desiring private sewerage connection with the main sewer, can be accommodated at any time.

Forests Preserve the Moisture. The importance of preserving forests becomes evident in South America.
