FOR "run-down," debilitated and overworked women, Dr. Pierce's Favorite Prescription is the best of all restorative tonics. It is a potent specific for all those Chronic Weaknesses and Diseases peculiar to Women; a powerful general as well as a uterine, tonic and nerve, it imparts vigor and strength to the whole system. It promptly cures weakness of stomach, nervous prostration, debility and sleeplessness, in either sex. It is carefully compounded by an experienced physician, and adapted to woman's delicate organization. Purely vegetable and perfectly harmless in any condition of the system.

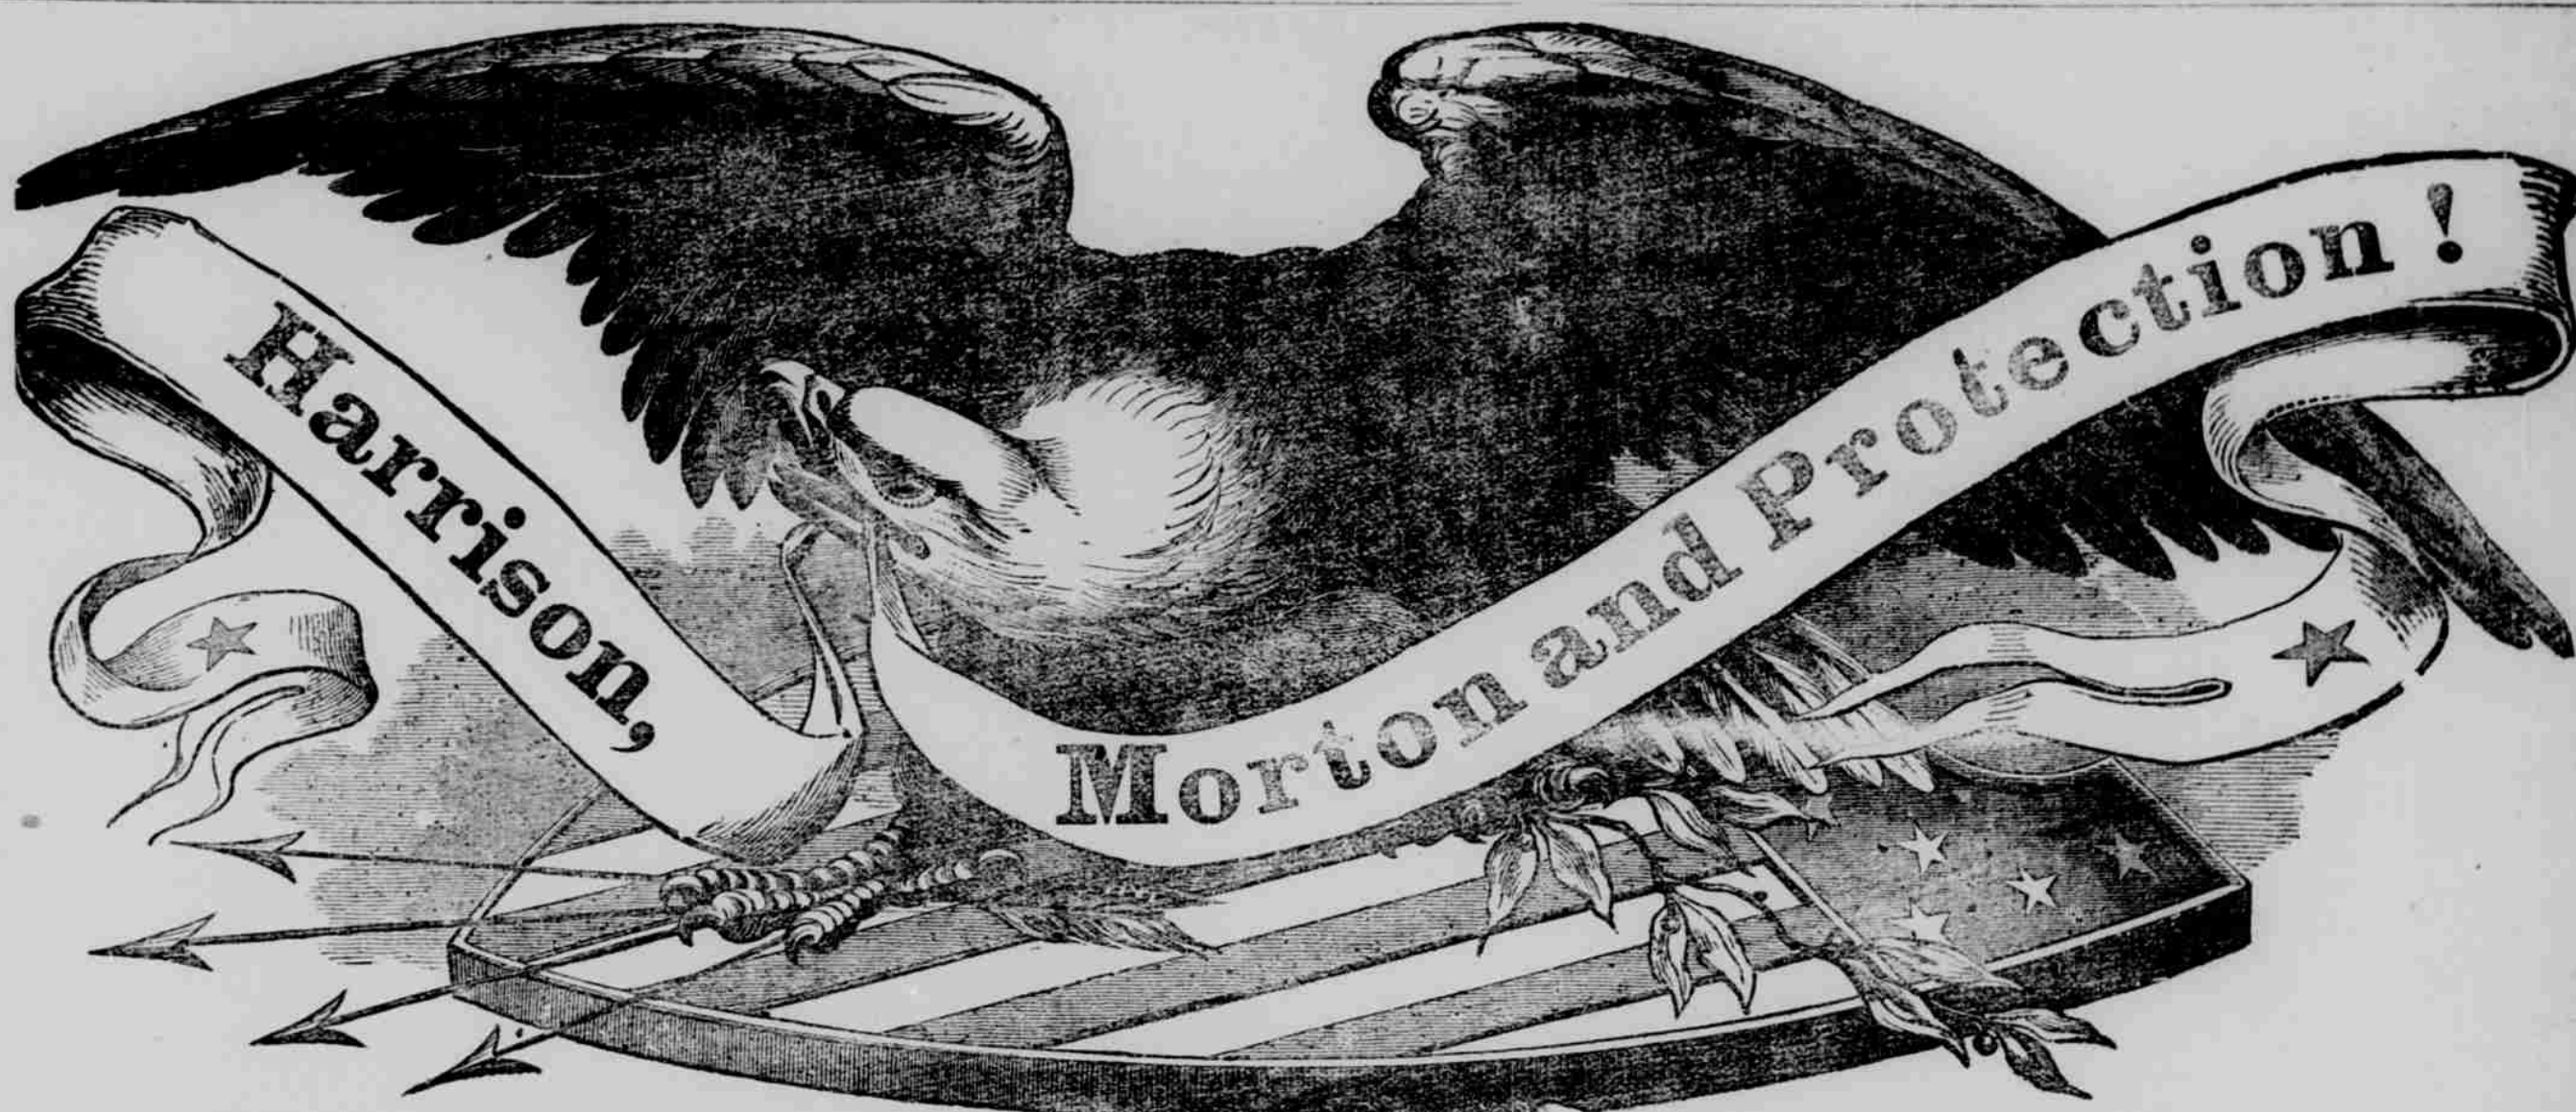

WARRANTED. This is the only medicine for women, sold by druggists, under a positive guarantee of satisfaction in every case, or price (\$1.00) refunded. This guarantee has been printed on the bottle wrapper, and faithfully carried out for many years.

With Harrison, Morton and Protection our battle cry and song,
Dear to every true American heart from Maine to Oregon,
We've won a victory for American homes and industries,
Which are prized within our hearts as equal to all our liberties.

To Johnny Bull who once would have split this land of ours assunder,
This news of Tariff victory will come as a Yankee wonder,
For to his Free-Trade Grover Cleveland, in his dark and troubled hour,
He has been a brother, acting with his strength as right-hand bower.

The people of this broad land now rejoice with a joy that's grand and pure,
For with these chosen heroes at our head, Free Trade we'll ne'er endure.
We'll pay fair wages to our laborers in every town and state,
And keep Protection for the industries that made our Nation great.

VICTORY!

Benjamin Harrison Will Occupy the White House for the Next Four Years.

HIS ELECTION IS ASSURED

New York and Indiana Both for Harrison, Morton and Protection.

Brice Concedes Harrison's Election.

New York City, Nov. 8.—1 p. m.—Chairman Brice, of the Democratic National committee, concedes the election of Harrison for president.

Indiana.

INDIANAPOLIS, Nov. 7.—Attorney General Miller, on behalf of General Harrison, wired W. W. Dudley, of the national republican committee, this afternoon, inquiring with regard to the correctness of the report accorded to Senator Gorman, alleging the discovery of an error in the returns of Kings county which will give New York's vote to the democrats. Col. Dudley, at 4 p. m., sent the following to General Harrison:

"There is positively nothing in it. Our people are guarding the returns from Kings county and other precincts and counties with absolute vigilance. Fraud is barely possible, but it will not be perpetrated if the most perfect espionage by honest, brave men can prevent it. The state is now ours. If there is any change it will be more."

The following telegram was received by General Harrison:

New York, Nov. 7.—To General Benjamin Harrison: Cordial congratulations. New York is supremely happy. The republicans are jubilant and the democrats shedding their tears.

CHAUNCEY M. DEWEY.
860 precincts in Indiana give Harrison 136,203, Cleveland 128,648. The same precincts in 1884 gave Blaine 123,744, Cleveland 122,711.

The following dispatch was received from Chicago:

To Hon. Benjamin Harrison, Indianapolis, Ind.—Congratulations upon your election. Chicago is proud of the fact that her great auditorium was dedicated by the nomination of our country's next president.

FRED W. PECK.
917 precincts in Indiana give Harrison 145,941, Cleveland 138,365. The same

precincts in 1884 gave Blaine 132,575, Cleveland 131,395. This included all of Marion county except four precincts. The official vote of Indianapolis city and Marion county gives Cleveland 398 majority. Secretary Sherin of the democratic national committee said tonight that it looked now as though General Harrison had carried the state, but it would require the official returns to determine.

At 10:30 this evening the democratic committee rooms were deserted. Chairman Jewett said: "The indications are that the republican electors have carried the state. The official count may show differently. The probability is that we have elected a part of our state ticket. We have elected ten congressmen, a gain of four. We have a certain majority in the state senate of six, and in the lower house of twenty, giving us control of the joint ballot. I do not care to say anything about the methods by which this was accomplished."

New York.

New York, Nov. 7.—Chairman Quay authorizes the following statement: The republicans on Tuesday carried by increased majorities all the states carried by Mr. Blaine in 1884, and in addition have New York by a plurality of 15,000, and Indiana by a plurality of from 4,000 to 6,000. West Virginia is in doubt. General Harrison's election is assured.

11 p. m.—The unofficial vote of all counties in the state, as far as returned, show pluralities for Cleveland of 78,956 and for Harrison 90,147, giving Harrison a plurality in the state of 11,191.

The Sun this morning will say: "Harrison has 11,762 plurality in New York state and 111,952." It says that the next house of representatives will be so evenly divided between the two parties that an official count will be necessary to decide which is in the majority. It has figures to show that Indiana gives Harrison a plurality of about 2,000. Connecticut is democratic by 494.

ALBANY, Nov. 7.—The Argus (dem.) gives Harrison a majority of 10,000 over Cleveland.

California.

SAN FRANCISCO, Nov. 7.—Returns throughout California are coming in very slowly, and as there are no complete city or county returns there is no basis of comparison with 1884 possible. The republican and democratic state committees

both claim the state, the former by from 7,000 to 9,000 while the democrats contend that their ticket will have a majority of 2,000 or 3,000. The city of San Francisco has been carried by the democrats. The Evening Post (rep.) says that Cleveland's majority in the city will be 4,500, while the democrats claim that the majority will approximate 8,000 to 9,000 in the city, and that the republicans will not come to the city with a sufficient vote to overcome this. The entire democratic ticket in San Francisco is elected.

LOS ANGELES, Nov. 7.—Ninety-three out of one hundred and thirty-one precincts in this city and county give Harrison 10,318, Cleveland 7,758.

SAN FRANCISCO, Nov. 7.—A Chronicle special from New York says that Chairman Brice concedes the election of Harrison.

SAN FRANCISCO, Nov. 7.—The Chronicle claims the election of four republican congressmen in the interior districts, as follows: In the First and Second districts Thompson and Biggs (dem.), and present incumbents, have been defeated by Dehaven and Egan (rep.), McKenna and Van Dyer (rep.) have been re-elected in the Third and Sixth districts. Returns from the Fourth district are meager, and no indication is given as to whether or not Morrow (rep.) has been re-elected. Returns from the Fifth district are also meager and no conclusions can be based upon them.

Seventeen thousand votes had been canvassed in the city of San Francisco up to 2 o'clock this afternoon, out of 54,000 cast. The vote gives Harrison 8,292, Cleveland 8,750. Naper county returns (complete) give Harrison 1,752, Cleveland, 1,433. In 1884 it gave Blaine 1,590, Cleveland, 1,253. Sacramento county (complete, except one precinct) gives Harrison 4,670, Cleveland, 3,357. In 1884 it gave Blaine 4,368, Cleveland 2,664.

West Virginia.

WHEELING, Nov. 7.—Atkinson (rep.) is elected over Pendleton (dem.) for congress in the First district, by 600 majority.

WHEELING, Nov. 7.—Fourteen out of twenty-four precincts, casting one-third of the vote of the state, show republican gain of 1,662. If corresponding gains are made in the rest of the state it will give 600 republican majority.

WHEELING, Nov. 7.—It is pretty well assumed that the legislature will be republican. Atkinson (rep.) is elected to congress in the First district, and Jackson (dem.) in the fourth. The Second and Third are in doubt. Both state committees claim the election of governor and the fight is very close. This city gives Cleveland 7 majority, republican gain of 188.

WASHINGTON, Nov. 7.—A special to the Post from Alexandria, Va., says the secretary of the democratic state committee claims the state for Cleveland by a reduced majority, probably between 4,000 and 5,000.

Those who are wise, and who love the truth, will believe what we say when we tell that Dr. Pierce's Favorite Prescription has done more to relieve the sufferings of women, than all other medicines now known to science. It cures all irregularities, internal inflammation and ulceration, displacements and kindred troubles. It is the only medicine for women, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. Progress of the Chippewas.

Twenty-five Chippewas have gone back from the House of the Good Shepherd, Denver, Colo., to their parents in northern Dakota, after finishing a three years' course of study at the institution, and thirty more have just arrived to be introduced to civilization. The parents of the girls who have gone home are very proud that their daughters have been taught to read and write and have learned many things concerning the ways of the pale-faces. The first thing that the educated little Indian maid does is to transform the lodge of furs into one that is neat and tidy, and as homelike as it can become under the circumstances. By degrees the parents fall into the habits of their daughters, first attracted by curiosity and finally realizing that civilized ways are fully as comfortable as their own barbarous customs.—Boston Transcript.

Why He Was in Mourning.

She—I notice that you are in mourning, Mr. Jones. Have you met with a recent bereavement?

He—Yes; I have just lost a sister.

She—A sister! I was not aware that you had a sister.

He—Not a sister by blood, but a young lady who said she would always be a sister to me, though, to tell the truth, I haven't seen her since the night she said so.

She—Oh! I see. And the subject is dropped like a hot cake.—Boston Courier.

Next Fourth of July.

A man who was making great efforts not to betray the fact that he was a great deal the worse for liquor halted a pedestrian on Monroe avenue and asked:

"Shay! can I ask you a few questions?"

"Yes, sir."

"Shes anything wrong wiv me, eh?"
