OFFICIAL PAPER OF THE CITY.

A. Salisbury, Dentist, Rockwood Building, Telephone No. 35.  
 Dr. Higgins, Office in Gering's Drug Store, Rockwood Cor. Sixth and Granite, Telephone No. 42.  
 Dr. Withers, the Painless Dentist, Union Block, over Fricke's Drug Store, Plattsmouth.

**CITY CORDIALS.**

—Mr. F. S. Thomas will move into his new residence on Marble street the latter part of the week.

—Who hasn't taken a guess on "Joe's" beans? If you have not been there you should have been.

—Born—To Mr. and Mrs. Johnathan Hatt, Jr., a bright and healthful daughter. She arrived last night.

—It is surprising to notice the number of surprise parties in which the young people of the city are engaging in of late.

—The Murray & Murphy company took their departure for Lincoln this morning where they held forth to-night.

—The street car company have located their turn-table on the corner of Sixth and Main streets, and the work of laying the track to it is completed.

—Dr. T. P. Livingston was attacked by tonsillitis yesterday, and was compelled to submit and seek his bed, where he now lies. We will be pleased to hear of his recovery soon.

—Miss May Crummer entertained a small company of about ten people at her rooms, corner of Fourth and Main, last night, in honor of two lady friends visiting Miss Olive Gass. A very pleasant evening was spent.

—The regular meeting of the Chautauqua Assembly occurs tonight at the office of Byron Clark. The subject to be brought up tonight for discussion is "Alexander the Great." There are about twenty-five members in the society at present.

—The following prisoners were arranged before Judge Chapman today on the following charges: Moore, of Weeping Water, robbery; Coon, of Weeping Water, selling liquor without license; and Keough, of this city, robbery. The time for trial will be set today.

—The tickets for the entertainment to be given under the auspices of the Women's Relief Corps will be sold at the moderately low prices: 25, 35 and 50 cents. The concert will be given at the opera house on Tuesday evening, November 27. Reserved seat tickets on sale at the usual place.

—Stanley & Lewis, the artificial stone walk contractors, have secured the contract to lay their walk from the walk recently finished in front of Mr. H. Boeck's furniture store along the whole front of the Dovey block. This work will surely make a vast improvement in the appearance of the street and the block before which it is laid.

—Last night about twenty young ladies and gentlemen met at the home of Miss Carrie Guthman, preparatory to marching to the home of Miss Annie Baumister, to whom they tendered a surprise at her home west of the city, yesterday being her twentieth birthday. Upon their arrival there they found the surprise complete, after which a very pleasant evening was spent by indulging in the dance and the usual games until a late hour.

—A very pleasant farewell party was tendered Mr. W. P. Keeler last night by Miss Laura Reinhackel, at her home on First street, on Winterstein hill. The evening was spent at cards and the usual amusements, after which the guests were invited to partake of a very inviting supper prepared for the occasion. Those present were: Miss Merges, Mr. Kellogg; Miss Cora Wayman, Mr. Shelton; Miss Hattie Latham, Mr. Aug. Reinhackel; Miss Georgie Oliver, Mr. Will Reinhackel; Miss Kate Oliver, Mr. C. Morgan; Miss Celia Goos, Mr. H. Willary.

—The enterprising firm of S. & C. Mayer are moving into their new quarters in the Carruth block, corner Fifth and Main streets, which has been fitted up specially for their fine large clothing stock. We bespeak for the above firm great success, for they have ever been popular as live and accommodating business men, and now that they have a store room one hundred and thirty feet long where they will find room to show off their stock to good advantage, every indication points to the change as a successful one. The room has been fitted up in first-class style and presents a very charming appearance.

—One of the members of the Bache'or club took a tumble to himself on Sunday night last. Their club room is located in the Fitzgerald block. He was about to descend the broad stairs leading to the sidewalk when his attention was suddenly diverted from his course. He kept on walking when at the head of the stairs as though treading on air, but an interlude of tumbling was brought in, and he rolled his excess from the top to the bottom of the stairs, sustaining several very disagreeable skin removals, and a very sore head. His name should be sent to the *Police-Gazette*, for he might be pictured out as a champion.

**Can Croup be Cured?**

ED. HERALD:—There seems to be an epidemic of Cynaroch Tracheitis, or Croup, prevailing in this city at present time and in most cases they result fatally, and as there is nothing in the books of any school of medicine so far as I have examined that can be relied upon as a cure for this terrible disease, I have concluded to give to the public a remedy that has proved very successful in my practice during the last fifteen years. With it I have cured a number of cases of true Membranous Croup, one case especially I will mention. A little girl, (now a young woman living in Louisville) was given up by her attending physician as beyond all hope, and as he expressed it, nothing but a miracle could save her. I took the case and with this prescription alone restored her to health.

There are several forms of Croup, the two principal ones are called Spasmodic Inflammatory or Membranous. The former is not generally very dangerous, but in the latter the Membrane must be removed or absorbed or the child dies of suffocation. Emetics are the main reliance of physicians to remove the false membrane, but in my experience it fails in nine cases out of ten. There have recently been reported cases of the introduction of a rubber tube into a child's throat and retained there until the membrane is absorbed. A very doubtful remedy especially in young children. My prescription is simple and can be had at any drug store. Some of my old customers keep it in the house to be ready in emergency.

The prescription is: one ounce of Balsam Gopalia, one ounce Glycerine or Syrup, one drachm P. Es, Gelseminum, one half drachm Sol. Iodi Bromide (4) Co Mix. Dose: Teaspoonful one, two, three or four hours apart, according to the age and urgency of the case. My theory of the action of this remedy is that as there is more or less spasm in all cases of Croup that the Gelseminum, (otherwise very depressing in large doses) in the dose I give relaxes the system, allays the fever and spasmodic action of the muscles of the throat. The Iodine and Iodi Bromide cut or disintegrate the false membrane.

If this publication should be the means of saving one little sufferer I shall be fully paid for this publication.

Dr. G. H. BLANK.

—Jerry Donaher, a young man about twenty-five years of age, and who is well known in this city, having resided here the greater portion of his life, met with a fatal accident while out hunting near Tucson, Arizona, where he has resided since his departure from this place. The report came that he was accidentally shot while out hunting. The parents of the deceased, who live in this city alone, were terribly shocked by the news, and the mother has suffered intense agony ever since. The young man was a boiler maker by trade and learned the trade in the B. & M. shops here. The remains were shipped to San Francisco where they will be embalmed, after which they will be forwarded to this city for interment. The bereaved parents have the sympathy of the entire community in their severe affliction.

—Mr. W. P. Keeler, formerly an employe in the hardware store of Messrs. Weidman & Brekenfeld, as tinner, will take his departure this evening for Palouse, Wyoming territory, where he will visit for a short time with his sister, after which he will go to Spokane Falls, not far distant from there, to secure a position at his trade. We are sorry that Plattsmouth cannot afford him ample remuneration for his services, and that he cannot be contented to remain here, for he will be much missed in the city by his many young associates. He has always been known here as a good, genial fellow, and the societies will fall short of his many witticisms; However, our best wishes for success go with him, and should the new field of labor not prove attractive enough for him, we would be pleased to see him return.

—The Murray and Murphy company played to a fair house for this town. Although the company has visited Plattsmouth three times, they received as strong applause as at first, and everybody was apparently well pleased with the witticisms of Murray and Murphy, while the perfect impersonation of the characters they represented struck the audience as being about right, and everybody apparently felt themselves well repaid for attending. Their band and orchestra deserve special mention. We were enabled to hear a little music between acts, as is seldom our privilege.

—Ajlm Benedict, with his Monte Cristo company comes well recommended by managers of the opera houses through Iowa and Illinois where they have been playing the past month, and Manager Young is assured that this company will present Monte Cristo in first class style, with their own scenery, mechanical and calcium effects. Secure your tickets now on sale at J. P. Young's, for Thursday night, November 22.
