The kind of money in the federal treasury changed somewhat in the last fiscal year. The increased holdings were largely legal tender notes and credits to the government in national banks.

The U. S. Senate is about to begin an investigation of the Samoa question. This is a matter that will bear inquiry, for if reports are true, Germany has been carrying things with a high hand in Samoa.

The Washington pension sharks are very indignant about Mr. Dockery's bill, which is designed to curtail their opportunities of deception and extortion.

The situation in France impresses a correspondent, who writes us from Paris, most disagreeably. Prophecies of Socialist riots and of the failure of the exposition on account of the general fear throughout Europe that the persons and property of exhibitors will be in jeopardy.

In New York a dog committed suicide by jumping off a ferryboat. The owner, an old woman, asked a policeman to detain the dog until she got aboard, but as soon as the boat started the dog jumped for the deck, and by a great effort, succeeded in pulling himself on board.

PLATTSMOUTH will have a bigger boom this spring than she has ever had. No sufferer from any scrofulous disease who will fairly try Ayer's Sarsaparilla, need despair of a cure.

That slight cold, of which you think so little, may lead to serious trouble with the lungs. Avoid this result by taking Ayer's Cherry Pectoral, the best known remedy for colds, coughs, catarrh, bronchitis, incipient consumption, and all other throat and lung diseases.

Our party has to see that Mr. Evans and every man who is fairly elected, shall take his seat. If there were more 'bootlickers' in the executive chairs of the southern states, there would be less complaint about a suppressed vote.

Nothing is so timid and cautious as capital, and to get into your midst it must feel that it is safe and welcome. Millions are locked up that would be gladly released and seek the fertile fields and the rich mineral deposits of the Sunny South if the conditions were believed to be favorable.

Two recent events will produce this end. The first was the heroic action of the Birmingham sheriff, and the second was the visit of Birmingham's delegation to General Harrison. I trust that General Harrison will meet with no factious opposition from the south for our people welcome him more than we can now discern.

WAGES OF SOME PROTECTED WORKERS. The benefits of protection and consequent high wages can have no better illustration than the pay roll of the workers of Allegheny county, Pa.

Ayer's Cherry Pectoral, PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$5.

WRITING BY TELEGRAPH.

Electricity is the good genius of this century. Those who know most about it say that what we have done with it in the past is but a trifle compared with what we may hope to do with it in the future.

These things may all come. At present we get along with an intermittent and exasperating repetition of the voice over the wire, having no means of determining the identity of our interlocutor, no certainty of getting his words accurately and no record of what he says.

At the receiving end there are two electro magnets fitted with rods set at right angles to each other, so pivoted as to give any motion desired to the pen which they carry at their intersection.

The assertion has frequently been made that the title "Pine Tree State" has become a misnomer for Maine, and, although there are lots of pine trees still standing in the northern part of the state, there is some ground for objection to the old time sobriquet.

During the presentation of a border drama at Sandusky, O., by a traveling company, three Indians engaged in a quarrel in the dressing room. John Ungerer, the stage manager, interfered. He was struck with a tomahawk and shot at, and he fired in turn at the Indians.

For "run-down," debilitated and overworked women, Dr. Pierce's Favorite Prescription is the best of all restorative tonics. It is a potent specific for those Chronic Weaknesses and Diseases peculiar to Women.

WARRANTED is the only medicine for women, sold by druggists, under a positive guarantee of satisfaction in every case, or price refunded.

For large, illustrated Treatise on Diseases of Women (90 pages, with full directions for home-treatment), send ten cents in stamps.
