CITY CORDIALS.

—J. Z. Snell, of Lincoln was a visiting attorney at court today.

—License to wed was today granted to W. A. Taylor and Miss Elizabeth E. Chase, of Union.

—The 4 o'clock gospel meeting at the Young Men's Christian Association is a special effort for men, to present the gospel to them. All men are invited to be present and are made heartily welcome at the meeting.

—Burglars seem to be making a round-up of Cass county. Last week they got away with a new suit of clothes, a gold watch and \$125 at the home of John Turnbull, near Elmwood, and Saturday night robbed a jewelry store in Elmwood and the same night a raid was made on the Gibbon house in Weeping Water.

—Yesterday afternoon, after the ladies who had participated in the work for the anniversary of the Young Men's Christian Association, had finished cleaning up at Fitzgerald's hall they went over to Henry Boeck's and purchased a fine wicker rocking chair which they sent to the Y. M. C. A. rooms. The gift is a welcome addition to the furnishings of the parlor.

From Seven till Four.

Notices were posted up in prominent places in the shops today notifying employees that Monday, April 1, the working hours would be reduced to eight, work to begin in the morning at 7 o'clock and shops to close at 4 p. m. The company is perfectly fair in the change, reducing the time from one end of the line to the other with the same amount of pay per hour as before. The laboring men who desire, have the advantage of all the evening to themselves. How long the eight hour system will continue, no one knows, but there seems to be a general confidence that in the early fall the hours will be extended.

Change in Election Dates.

LINCOLN, Neb., March 30.—Notice to school district officers and voters in Nebraska. The meeting called for Monday, April 1, 1899 should be adjourned or not held. The regular business of the annual meeting must be transacted on the last Monday of June, 1899.

Call for Republican Cause.

The republicans of the Fifth ward will meet at the school house Monday evening April 1, at 7:30 p. m., for the purpose of placing in nomination two republican candidates for councilmen.

HARRY NELLER,

Member Central Com.

To the Public.

I hereby announce myself as an independent candidate for the office of councilman from the Fifth ward, subject to the decision of the voters of said ward, Tuesday, April 2, 1899.

W. M. B. SMITH.

THE COMING COUNCIL.

Men put in nomination at the Republican Primaries that will win.

Work Well Done.

Last night the republicans met in caucus in the various wards and put up, all around, men for city council that can be elected. The first ward met at the council chamber. A Salisbury was elected to the chair and Geo. R. Chatburn for secretary. Tellers were H. D. Jackson and L. E. Skinner. The informal ballot placed J. I. Unruh in the lead for councilman; but he resigned and the deciding ballot was unanimously cast for C. M. Holmes, the liveryman, who is a popular man in that ward and will receive the entire republican vote which will elect him by a handsome majority. Delegates to the school convention to meet at Rockwood hall at 8 o'clock tonight are J. H. Waterman, L. E. Skinner, Walt Holmes, M. J. O'Riley, A. Salisbury, T. Murphy, W. W. Drummond, D. A. Campbell and C. H. Smith. A unanimous vote passed a resolution favoring the election of J. I. Unruh as member of the school board. J. H. Waterman was elected central committeeman from the first ward.

THE SECOND WARD CHAMPION.

One of the most harmonious and successful primaries ever held in the Second ward was at the school house last night. A good representation of republicans was there, and the harmonious movement and general appearance of the voters wore a deep contrast to the Jones and democratic crowd that met there the night before in political promiscuity. J. W. Johnson was made chairman and W. H. Pool secretary. P. D. Bates and L. D. Bennett were tellers. The name of Robt. Donnelly was brought out for the councilman candidacy and without the suggestion of another name he was unanimously declared the choice of the Second ward by acclamation. Mr. Donnelly is the owner of the wagon and buggy factory and blacksmith shop on 6th street and is one of the much respected and staunch republicans of that ward, and a better man could not have been selected. Many leading democrats of that ward express satisfaction with Mr. Donnelly's nomination and will support him in favor of Jones, their own man. Delegates to the school convention to meet at Rockwood hall tonight at 8 o'clock are Robt. Donnelly, P. D. Bates, W. H. Pool, Wm. Weber, D. K. Barr, John Henshaw, W. S. Wise and J. W. Johnson. P. D. Bates was elected central committeeman.

THE SUCCESSFUL THIRD.

A very large turnout of republicans were at the Third ward caucus and the nominations were most satisfactory. O. C. Smith was made chairman and M. O'Donohue clerk. M. B. Murphy and L. G. Larson were tellers. On motion the polls to vote on council candidate were kept open one hour. When that time expired votes had been cast as follows: S. W. Dutton 37, W. H. Pickens 1, L. G. Larson 24, A. Clifton 34. On motion S. W. Dutton was unanimously declared the Third ward candidate. On motion a committee of A. N. Sullivan, S. H. Atwood and H. C. Ritchie was appointed to present the names of 18 delegates to the city convention tonight at Rockwood hall. The following is the list which was accepted: A. B. Todd, Wm. McCauley, A. Clifton, O. M. Straight, W. L. Brown, W. H. Newell, Thos. Pollock, Peter Ellingson, Frank Smith, F. Carruth, F. Boyd, Charley Forbes, J. H. Young, J. H. Hall, T. Steinker, M. B. Murphy, Byron Clark and S. C. Green. A. N. Sullivan was re-elected chairman of central committee.

AT THE FOURTH WARD.

The Fourth ward caucus was held at the office of Skinner & Ritchie. Stephen Buzzell was made chairman and H. Boeck secretary. Tellers were Wash Smith and J. M. Summers. For councilman E. S. Greusel was nominated, but in view of his resignation the Fourth ward voters met again tonight to make another nomination. The delegates to the city convention are Wm. Ballance, Robert Troop, E. Messer, James Sage, L. T. Hasson, H. B. Sundell, D. B. Smith, H. Boeck, F. T. Johnson, Walter Thomas, Wash. Smith, Stephen Buzzell, Robt. Stuard, F. Myers and W. M. Latham.

The Fifth ward caucus was a fizzle as far as nominations were concerned, but otherwise it was a success. Democrats, mugwumps, prohibitionists and Britishers came in at the caucus and tried to run the concern. After making nominations and trying to act freely with all the intruders, the caucus adjourned, declaring all their actions illegal, and will meet again Monday night to make their nominations.

Fainted, Fell and Mashed a Finger.

Shortly after 7 o'clock this morning an accident of comparative little moment happened in the yards. P. S. Peterson a brakeman on No. 13 freight, was helping make up the train to go to Omaha. He went to climb down the end ladder of a car to make a coupling, when, according to his statement, everything turned black and he fell. In the effort to catch himself he thrust his left hand between the draw bars and the third finger was smashed on the end. The stretcher was brought out and Peterson was carried to Dr. Livingston's office where his finger was dressed in a few minutes, and having recovered his strength, remarked that he was good for his breakfast yet, and followed the stretcher which had carried him up, down Main street.

THE JOKER.

Politics, ward primaries and independent candidates have so flooded the mind of THE JOKER this week that he has had very little opportunity to make observations, but Thursday evening he was strikingly impressed with the fact that democratic primaries have no effect on Y. M. C. A. anniversaries.

If the old gray haired school ma'ams, who had the drilling of the Jones-democratic factions of the Second ward politician in their childhood days, could have been present at the democratic caucus held in the Second ward school house Thursday night and heard and seen what transpired in that building directly contrary to all patent words and teachings of twenty years ago, they surely would have wept at the held mockery they now perpetrated before the school children of today.

The other morning as THE JOKER was wending his way down the street he met a young maiden on her way to school and, noticing the deep thought expressed on her countenance remarked, "You seem to be in a meditative mood this morning." "Yes," said she "I was wondering if the disproportionableness of the alambrehimic would cause a propulsive exodus of incongruous elements, and precipitate that reign of infiraparsianism which is so contiguous to that of the inficabituitibasquerian, and that you know, was too awfully awful for passive acquiescence and toleration." He answered not, but fled in wild dismay, fully resolved never to disturb the serene meditations of another dreamy girl while on her way to school.

Some very popular social events have been recently held in Plattsmouth, and some more are on the way. THE JOKER is waiting anxiously for the arrival of the Washington Anniversary, when he hopes to get to turn the ice cream freezer for his part of the entertainment, if he can beat the boys.
