**OFFICIAL PAPER OF THE CITY.**  
 A. Salisbury, Dentist, Rockwood Building,  
 Telephone No. 35.  
 Dr. Withers, Dentist, Union Block.

**CITY CORDIALS.**

Do not forget the grand opening at S. & C. Mayer's the 5th inst., at 8 o'clock.  
 -The ladies of the M. E. church are preparing to give an Easter entertainment the Friday before Easter.  
 -The sewing society of St. Luke's Guild will meet at the residence of Mrs. Eaton, Thursday afternoon at 2 o'clock.  
 -Trains No. 1 and 5 were several hours late this morning. A bridge this side of Chariton, Iowa, is reported burned, which caused the delay.  
 -The sky was so full of sand and dust last evening as to almost completely hide the sun an hour before sunset. The cool, clear air this morning was a great relief.  
 -A brickmaker named Hilliard has established a brick kiln at Wabash, and that town is ready to go ahead with her boom this summer. A creamery was established there last week by F. M. Curran, of St. Raw, Ill.  
 -A prominent republican on being asked for enlightenment as to the "returns" replied, "I have none, and don't want any." All HERALD readers who desire to know them will find them in another column.  
 -Two petitions are before the Gage county commissioners asking for a new court house. One wants a \$150,000 building and the other one that will cost \$200,000. There is nothing small about the wants of the Gage county people.  
 -The first installment on the paying tax, which is unpaid, will from today draw one per cent per month and bear a penalty of five per cent. The payment became due fifty days ago (that length of time is allowed for each payment to become delinquent after it is due) and all remaining unpaid from today bears the penalty and increased interest.  
 -Mrs. J. A. Connor returned yesterday afternoon from Ashland, where she had left the bedside of her little niece, Mary Madden, thinking she was recovering, but in the afternoon a telephone message came stating she had died. Last evening Mr. and Mrs. Connor left for Ashland to attend the funeral, which occurred today. The deceased had membranous croup.  
 -Articles of incorporation of the Omaha Cable Tramway company and the Omaha Horse Railway company into the Omaha Street Railway company were filed with the Douglas county clerk yesterday. The capital stock of the new corporation is placed at \$4,000,000, with shares of \$100 each. The articles are signed by S. R. Johnson, president of the cable company; Frank Murphy, president of the horse company, and D. H. Goodrich, acting secretary.  
 -A special untruthful dispatch appears in the Omaha Republican today ascribing the defeat of Mr. Dutton to postoffice difficulties in Plattsmouth. Mr. Dutton was not defeated for such reasons, although certain republicans in the Third ward did vote the democratic ticket because they could not control the caucus. Mr. Hemple's popularity with the shop men and the dissatisfaction of the Knights of Labor were taken advantage of by the saloon men and Mr. Dutton's defeat was thereby encompassed. Mr. Dutton made no effort to secure an election and did not even visit the polling place until evening. THE HERALD can scarcely understand how any candidate for a good, fat federal office like the Plattsmouth postoffice can expect to boast his claims to an appointment by showing that he bolted his party and voted the democratic ticket.

**UNRUH UNANIMOUS.**

The Democrats coop all Ward Nominations and One School Director.

**A Republican Defeat.**

The outcome of the election yesterday was just what THE HERALD predicted last evening, and space will not be taken here to repeat the disgraceful defeat which the republican party has suffered in Plattsmouth. Only one redeeming feature is found in the election for republicans to look to and that is the unanimous choice of the voters of J. I. Unruh as member of the school board. The ward vote as submitted to us is as follows, though not official, it is correct unless it be a matter of one or two votes:

**FIRST WARD COUNCIL.**

Republican.	Democrat.

**SCHOOL BOARD.**

Smith..... 86	Patterson..... 182
Unruh..... 143	Wintersteen..... 72
Majorities: Brekenfeld, 47; Patterson, 48; Unruh, 70.	In this ward three votes for Brekenfeld and two for Holmes were cast in the school board box and were discounted.

The city council as it now stands is: First ward, A. Salisbury, C. Brekenfeld; Second, A. Shipman, D. M. Jones; Third, M. B. Murphy, C. Hemple; Fourth, C. Connor, P. McCallan; Fifth, L. A. O'Neill, J. D. Simpson. The school board now consists of S. Waugh, C. W. Showalter, Wm. Hayes, D. B. Smith, J. I. Unruh and J. M. Patterson. Mr. Unruh was elected by a majority of 183, over Wintersteen; and Mr. Patterson received a majority of 128 over Wash Smith.

**Railroad Officials in Town.**  
 Attached to the rear of the K. C. train No. 10, passenger, this morning was special car No. 51, occupied by a number of C. B. & Q. and B. & M. officials. The car was detached and sidetracked and the day was spent by the gentlemanly managers of the "Q" in visiting the shops and the company's property in this city. Among the company of officials were Vice President H. B. Stone, Second Vice President J. H. Peasley, Wm. Irving, general purchasing agent; G. W. Holdrege, general superintendent of the B. & M. and J. T. Rivett, superintendent of carpentry—depot building, etc. These visiting officials arrived here from Omaha and are going eastward.

**The Weeping Water Election.**  
 The Weeping Water election yesterday was for a mayor and city council. There were no party tickets in the field; but the citizens nominated a non-partisan ticket and there were several independents. B. A. Gibson was elected mayor on the citizens ticket, S. W. Orton, councilman from First ward, E. L. Reed, councilman from Third ward were elected on the citizens ticket, and W. A. Flower, of the Second, run independent and was elected. All of these men are republicans.  
 Do not forget the grand opening at S. & C. Mayer's the 5th inst., at 8 o'clock.

Total precipitation three fourth inches. Rain or melted snow fell four days. One thunder storm. Eight clear days without clouds, seventeen fair days, thirteen quiet, four days with northwest winds. The month was especially noted for the quiet clear days, warm weather and lack of rain. The ground is in fair condition on the surface, but very dry beneath. On digging a well on his premises, the observer found roots of a crabtree at a depth of 24 feet, alive and fresh.
