CITY CORDIALS.

—Base ball tomorrow.  
—There will be no issue of THE HERALD tomorrow.  
—A hunting and fishing party were out on the Platte bottoms today.  
—Overcoats and base burners were comfortable conveniences this morning.  
—Gov. Thayer is going to Fort Worth, Texas, to attend the Texas spring palace.  
—Friday afternoon the Browns will meet the Weeping Water nine at the ball park.  
—Indications for tomorrow's ball game are good. Mayer Bros are able to test the skill of the home team.  
—Johnson Bros' residence in Mercerville is rapidly nearing completion. It is located north of the electric lamp factory building, 26x28, and will be another nice cottage in that vicinity.  
—Card invitations have been sent out among the little folks to attend a birthday party at the home of Dr. A. Shipman tonight in honor of the birthday of Misses Edna and Edith Shipman.  
—Andrew Rosewater and W. E. Waite of Omaha, were in the city today with a gang of pavers and the work of readjusting some of the curbing and leveling the pavement was begun. Mr. Rosewater surveyed the established grade of the city. Mr. Waite is Mr. Riley's paving foreman.  
—District court was occupied today with the case of Wm. Buster vs. the M. P. railway. This is the third term of court in which this case has been heard, on account of the disagreement of the jury. Buster seeks damages for the killing of a team near Weeping Water.  
—C. W. Holmes' passenger hack which he took to Omaha last month to have repaired, came back this morning all revised, cushioned, painted and varnished new top and almost new out and in. It is an enterprise to be appreciated and will furnish as good hack service as any city has.  
—Plattsmouth is able to accommodate a boom of the largest kind. Going south or west or north of the city the most beautiful locations for pleasant residence buildings are found and they are being taken up. Many leading men of the city are seeking good locations for permanent homes and these beautiful suburban sites are being taken up. This property, which a few years ago was valued at \$100 to \$150 an acre, is now worth more than that per lot.

—Nebraska has come to the front in all lines and now holds that position in the eyes of the world and is bound to keep ahead of all other western states. No matter what development or resource is necessary to give her a boost, that development is made or the resource discovered when the time comes. Coal is now mined at several points and runs of iron ore are frequent, when the time comes salt can be produced in any quantity. The following from the Nemaha Granger sounds like iron would some day be mined in this state. "Mr. Harmon, who has been drilling a well for B. B. Headley, two miles northwest of town, struck iron ore at a depth of fifty-eight feet. Those who have examined the ore pronounce it the very best. The ore can be filed and dressed as smoothly as a piece of Russian iron."

FLAGS!

Warrick's is the cheapest place in town to buy flags.

Nebraska Chautauqua.

The programme for the eighth annual session of the Nebraska Chautauqua assembly which opens at Crete June 27, is well arranged and will be most becoming to the occasion. About five hundred of the beautifully illustrated catalogues for the season have been sent to Plattsmouth for distribution. Thursday, June 27 will be the opening day. The "special days" are Friday, June 28, "College and Temperance day;" Tuesday, July 2, "Teachers' day;" Wednesday, July 3, "Lawyers' and Editors' day;" Thursday, July 4, "National day;" Friday, July 5, "Recognition day;" Saturday, July 6, "Children's day;" and Tuesday, July 9, which is the last day to the assembly proper, will be "Musical day."

On any day during the assembly parties of fifty or more from any station on the B. & M. can procure tickets for one fare for the round trip, good during the whole assembly. Special trains will also run between Lincoln and Crete.  
The beautiful grounds at Crete and all the favorable surroundings make it a pleasant place to spend a time during the summer, and Crete is close enough to make railroad fare hardly a matter to be considered and expenses there agreeably correspond to ordinary means and living.

STAR CITY HAS A SHOW.

To get the Masonic Home of Nebraska.

The board of trade committee did good work in rustling in Plattsmouth for an offer to make for the Masonic Widows' and Orphans' home for Nebraska. Plattsmouth, Omaha and York seem to be the three between which the question arises, "Which will get it?" The stockholders of the Masons' home met in Omaha yesterday, and the following is the proceedings and propositions as given in the Bee:

"The stockholders of the Masonic home remained in session to a late hour last night. The early part of the evening was taken up in adopting articles of incorporation. The articles call for a capital stock of \$500,000 and an existence of thirty years. The Masonic home is to be placed in charge of a board of trustees numbering twelve, from which a president, two vice-presidents and secretary are chosen. The articles prevent indebtedness or obligations of any kind on the part of the stockholders unless the same shall have previously been provided for.

After adopting the articles of incorporation the opening of the donation bids for the location of the home was taken up. The following bids were made:

By the city of Plattsmouth, per F. E. White—\$7,000 cash bonus, five acres of land in the city or ten acres contiguous to the city.

City of York, per George W. Post—\$13,000 to be taken in stock and ten acres of land.

Omaha and Florence Land Co. at Florence—Thirteen acres in out lot 163, or eight acres four blocks from the eighty-acre park recently offered to the city of Omaha for park purposes.

City of Long Pine, per S. G. Glover—eighty acres half a mile from town site. Georgiana Hicks—Ten acres of land three miles from South Omaha, on Belt line, near Papillion, and also near Fremont, Elkhorn & Missouri Railroad, provided \$20,000 is expended for improvements in one year.

South Omaha Land Co., per P. E. Her—Ten lots from blocks 228 to 296—any one block of above.

Gate City Land Co.—Two acres of land in 110 Logan Heights.

H. T. Clark—Ten acres at Bellevue, choice of location out of 400 acre tract. J. C. Wilcox—Ten lots in Sherman addition extending from Boulevard avenue to Vinton street, lots 21 to 24 and 41 to 47 inclusive.

At this point action as regards the selection of location was deferred.

The selection of a board of directors was next taken up, and resulted as follows, 196 votes being cast, 99 necessary to a choice: R. W. Furnas, 182; G. W. Lininger, 196; Brad Slaughter, 194; F. E. White, 195; C. J. Coulant, 143; L. H. Korty, 194; H. T. Clark, 188; Chris Hartman, 106; W. R. Bowen, 192; Geo. B. Trance, 182.

There being but ten receiving the necessary number, a ballot was again taken, resulting in the selection of G. W. Rodefer and Gustav Andreen.

On motion of Brad Slaughter, a committee of five was appointed to inspect the proposition for locating the home. The same to report to the stockholders at a meeting to be held here Monday, June 17, at 4 o'clock p. m., the chairman to name the committee today or the day following.

On this committee has been appointed and is composed of Hon. F. E. White of this city, one member from York and one from Fullerton, and two from Omaha.

—Week before last Dr. Cronin, member of the Irish Gaelic club of Chicago was murdered by members of that society, evidently because he disclosed some unlawful proceedings. The police worked hard on the evidence and yesterday got a confession from one of the arrested men named Woodruff, who drove the team which hauled Cronin's body from the cottage where he was murdered, in the sewer where it was hid den. And the grand jury have indicted P. O. Sullivan an iceman; Daniel Coughlin a detective; and Frank Black, alias Woodruff for the murder of Cronin. The following out of clues as given in the Omaha dailies has been watched locally with much interest.

Tomorrow's Ball Game.

The beautiful sunshine of today grandly favors tomorrow's ball game. Mayer Bros., of Lincoln, come here as one of the best amateur clubs in the state, to meet the Plattsmouth club on their grounds. The clubs will occupy the following position in the field:

T. Patterson	N. Barnes
J. Patterson	Coburn
S. Patterson	Hammond

The ball park will doubtless be crowded with base ballists, eager to see the game.

Home Without a Wife.

"What shall I put in the paper today?" asked the scribe of a sedate looking man who is well known in this community. "Well sir," he said "you may tell them his: that the wife has gone away from home, that I won't work, don't want to work, and positively refuse to work. I loaf around and smoke my pipe and am unconcerned. I am keeping batch, but I hate to cook and won't wash the dishes and the plan is worked this way, after eating on one side of the dish it is turned over, and then laid aside. Things at the house, especially in the kitchen, are generally in the soup. The setting hen's nest has been robbed to get eggs, and it would be materially to the good of the farm and home for the wife to come back."—Lincoln and Chicago papers please copy.

THE HERALD Job Rooms are the most complete in the county.

—The gospel meetings at Cottonwood, near Eight Mile Grove, are steadily increasing in interest. We hope the people of that community will encourage and help keep it up, both in attendance and personal work; for we believe it is a worthy cause. Meeting next Sunday, June 2d, at 4 p. m.

—Plattsmouth's prosperity will be contributed to this year more than ever by the rich farms of Cass county, if the present indications of fruitfulness do not fail.

Memorial Day Programme.

The sacred duty of honoring the memory of our dead comrades is again upon us. Let it not be said that the Grand Army of the Republic is oblivious to the trust imposed upon it by the rules and regulations of our order which declares one of its objects to be to perpetuate the memory and history of the dead. It is the duty of surviving comrades to hold their memory sacred and with our solemnly impressive ceremonies at their graves on memorial day, the 30th of May, teach the youth of the land that he who dies for his country gives up his life in the most noble cause, and that his memory will be cherished and revered as long as this republic shall exist.

All citizens who appreciate and are grateful for the blessings that we are permitted to enjoy on account of the sacrifices of our fallen comrades are invited to join with us on this solemn occasion. The G. A. R., Womans Relief Corps, Sons of Veterans and all honorably discharged union soldiers are requested to meet at the G. A. R. hall promptly at one o'clock May 30th, from which place we will march, at 1 1/2 to the cemetery in the following order: Post band in front, McConihie post G. A. R. and other old soldiers who choose to join us, the Sons of Veterans, flower wagon, Womans Relief Corps in wagons, the orator of the day, Judge Chapman; Glee Club, citizens.

At the cemetery the Grand Army memorial services will be had with an address by Judge Chapman.

If the weather should be unfavorable the memorial services will be held at Rockwood hall and the march to the cemetery dispensed with.
