It is to be held at Columbus, Nebraska, July 1, 2, 3, 4, 5, 6, 7, and 8, inclusive, and is the first Annual Brigade Encampment of the Uniform Rank, Knights of Pythias. Columbus is centrally located in the state, has several lines of railroads, large hotel accommodations and its citizens will do everything in their power to make the stay of visitors pleasant. —The number of schemes to swindle people out of their money and the different ways of working them are amazing; but it is much more amazing with what readiness many people allow themselves to get duped. A few evenings past a man of thirty years experience applied to us to learn of the responsibility of a would-be "publishing company" of Chicago with whom he had been corresponding for employment, having got trace of them through an advertisement. The "publishing company" had a certain "work" that would "sell readily," and would give an "agent" for Cass county the sole right to the sale of the work, and would guarantee him a profit of \$2.50 per day, provided he would deposit with them first \$50 in cash as a security against default on his part. Two things kept the man from "taking the agency" without letting anybody know it or inquiring about it. One was he didn't have the \$50 at hand, and the other was he got to wondering why a fellow couldn't steal if he wanted to after he backed his character with \$50. THE HERALD is safe in saying that had the would-be agent sent the \$50 to the would-be publishing house which had been so ready to answer his former communications, they would never have heard from by him again. THE HERALD would caution all its readers against agencies that want an advanced bonus for security on their character.

Sensible People

will have nothing to do with "cure-all" medicines that are advertised to cure everything from chills to a broken neck. Read the list of diseases that Dr. Pierce's Golden Medical Discovery will cure: Affections of the throat and lungs, incipient consumption, disordered liver, sore throat, bronchitis, asthma, catarrh, ulcers, tumors and swellings caused by scrofula and bad blood; fever and ague and dropsy. This seems like a cure-all but it is not. This great "Discovery" will really cure all these complaints simply because it purifies the blood upon which they depend and builds up the weak places of the body. By druggists.

"They Mean Business."

For many years the manufacturers of Dr. Sage's Catarrh Remedy have offered in good faith, \$500 reward for a case of Nasal Catarrh which they cannot cure. The Remedy is sold by druggists at only 50 cents. This wonderful remedy has fairly attained a world-wide reputation. If you have dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse watery, and acrid, at others thick tenacious mucous, purulent, bloody and fetid; if the eyes are weak, watery and inflamed; if there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers, the voice being changed and has a nasal twang; the breath offensive, small and taste impaired; sensation of dizziness, with mental depression, a hacking cough and general debility, you are suffering from nasal catarrh. The more complicated your disease, the greater the number and diversity of symptoms. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, less understood, or more unsuccessfully treated by physicians.
