FOURTH YEAR.

PLATTSMOUTH, NEBRASKA. FRIDAY EVENING, FEBRUARY 27, 1891

NUMBER 144

Highest of all in Leavening Power.—U. S. Gov't Report, Aug. 17, 1889.

Royal Baking Powder

ABSOLUTELY PURE

A nice Child's Suit at \$1.00 at JOE'S. If you go to JOE and lay in your supply for next year. It will pay you good interest at the prices he is closing out his stock.

Come and see the difference between cash and credit prices. Elson, the cash clothier.

No old chestnuts or rubbish at JOE'S. Everything of the latest style and at low cost.

Miss Mollie Tucker. Dressmaking and millinery a specialty. Rooms over Herold's store.

Now is your chance, and such a chance you will have but once in a life time, to buy Clothing, Furnishing Goods, Hats, etc., at slaughtering prices at JOE'S. The entire stock must be sold out as quick as possible.

A genuine Stetson \$4.00 Hat at \$2.75 at JOE'S.

When you are in Lincoln, call on W. C. Austin & Co., in McBride block, corner of Twelfth and P streets, for Havelock and University property.

JOE has not "burst." Joe never has failed, for he believes there is an honest living for everybody, but owing to Dissolution of Partnership, Joe is compelled to close out his nice and clean stock, regardless of cost.

For glassware, queensware and the best and freshest groceries go to Phillip Kraus, where you will find everything you want for your table.

A good pair of shoes at \$1.00 at JOE'S.

To Nervous Debilitated Men. If you will send us your address, we will mail you our illustrated pamphlet explaining all about Dr. Dye's celebrated Electro-Voltic Belt and appliances, and their charming effects upon the nervous debilitated system, and how they will quickly restore you to vigor and manhood. Pamphlet free. If you are thus afflicted we will send you a belt and appliances on a trial.

VOLTIC BELT Co. Marshall, Mich. For Sale. A good farm one-fourth mile from the town of Murray, on the M. P. R. R. Plenty of timber and water. Good orchard. 350 bearing trees. Plattsmouth, Neb., Feb. 9th, 1891.

You can not form an idea what it is to sell clothing, etc., at and below cost until you look through JOE'S stock.

It is only with regret JOE has to sell out his entire stock, for he has done a very satisfactory and successful business, but dissolution between JOE and his partner, Mr. William Fisher compels him to close out.

Cash. From this day forward, Elson, the cash one price clothier will only sell strictly for cash.

Persons wishing to make investments with best returns or to borrow money on real estate will find it to their advantage to call on Mr. Thos. Pollock and investigate the plan of the Provident Savings, Loan & Building Association of Omaha. A large amount of stock has been taken and a number of loans made in this city, to the satisfaction of all. This is a home institution and books are open to the investigation of all. The many beneficial points seen in our plan will commend themselves to all. Call and see us and be convinced.

40-1w JAS. PETTES, Gen'l Agt. Office under Bank of Cass County, second door from Main street, on Fifth

A Noted Gypsy. Fortune teller just from the east is at the Perkins House, this city. Past, present and future all told by the hand. Satisfaction guaranteed or money returned. Enquire for Mrs. Boswell.

It will not be our aim to see how much profit we can make, but to sell good goods for a small margin for cash. Elson the cash clothier.

A fine worsted men's suit, former price \$18, now at \$12.50 at JOE'S.

PERSONAL. Mrs. E. R. Todd is reported quite sick with pneumonia.

Miss Stinker is visiting her sister in Omaha for a few days.

W. D. Jones is talking horse to the Omaha horsemen today.

Mr. Barrett, the popular proprietor of "The Fair" is in Omaha today.

Colonel Wm. L. Browne is attending to business in the metropolis today.

E. H. Wooly, Seth Rockwell and County Attorney Travis came in this morning.

Mr. and Mrs. Jerry Farthing have a very sick baby, but it seemed a trifle better today.

Mr. Latham ticketed a party to Columbus, Ohio, this morning, and one to Mooreville, Missouri.

Miss Lulu and Bertha White went to Lincoln this morning to visit their father, Hon. F. E. White.

Are you going with Company Q to Omaha next Wednesday night?

The Louisville fellows say they will be down with a petition containing 4,000 names Saturday. We doubt it.

A. M. Coffman, residing near town, brought in a wolf scalp yesterday and received \$3 for it at the hands of County Clerk Critchfield.

Bertha White was ten years of age Tuesday. She entertained a company of her young friends to tea, had a good time and received many gifts appropriate to the occasion.

Professor J. W. Love, of Fremont, who will be remembered as a former superintendent of the city schools here has just been appointed by the president as consul to San Salvador.

The snow storm of today which we are getting was intended for Iowa, and does not extend far west. The sun is shining at Hastings and other western points. Our prediction yesterday of fair weather was for Nebraska and not Iowa.

From a comparison of the quality and appearance of Louisville, Omaha and Kansas City brick at the county clerk's office yesterday, it was very clear that Louisville was far in the lead. We understand the Louisville brick are to be used in the new court house, a fact that we are glad to note.

The program for Friday exercises at the high school consisted of proper selections by the pupils, making the occasion a Washington Memorial day. Miss Grousel's pupils were in charge of the affair and showed most excellent training. The senior class of the high school will give the entertainment next Friday.

Elmer Monroe, a switchman, was on a flat car today, loaded with wheels, which was being side tracked. It seems the car got too heavy a jolt, knocking a wheel across Mr. Monroe's foot, bruising and spraining it badly. He was taken in charge by Dr. Livingston, who thought there were no bones broken.

Miss Crissie Burkel, sister of Val Burkel, left yesterday for Columbus, Ohio, where she will reside with an aunt and uncle, whose only daughter recently got married. It will be a pleasant home for Miss Burkel, though her Plattsmouth friends are sorry to have her depart from among them.

Jesse Root came in from Louisville this morning, where he had been to assist George Stevens, who had been charged with "burglaring" a saloon, taking therefrom \$18, a box of cigars and a revolver. The justice refused to wait for counsel and Stevens was bound over before Mr. Root arrived, Colonel Rockwell, the Nestor of the Louisville bar, was the prosecutor.

The case of McLaren, of Louisville, vs. Frank Busche is on trial in county court today. E. H. Woolley and Seth Rockwell appear for McLaren, and Clark and Dwyer for Busche. So many witnesses are present from Louisville that Mayor Richey thought they were going to try to carry off the court house by main force, and felt much relieved when he found it was only a law suit.

Kenbley Weakens. We are ready to stand by our proposition and when the Board of Management get ready to count subscribers they can bring them on; we will assist in the count and will give the same. Here is a circular on that, and that the Republican has more bona fide subscribers in the county, state and United States than the Herald daily and weekly combined.—Weeping Water Republican.

THE HERALD has over 4,000 bona fide subscribers to its weekly edition. You can't show half that number. The burden of proof is on you. You say we have a "circulation list"; come over and we will satisfy you, or any other man, that we don't need one; the lists and postage receipts prove our claims correct. We pay more for postage in one quarter than you pay in three years.

Stockholders' Meeting. Mr. Alice of Omaha, Mr. Guild, Mr. Latham, and Assistant Ticket Agent Foster, with the necessary proxies in their possession, represented the B. & M. millions at the stockholders' annual meeting in Mr. Latham's office at the depot yesterday. Nothing but a general routine business was transacted, the old board of directors being reelected. Mr. Foster did not seem to have increased any in stature after representing ten million dollars at the meeting.

ALLIANCE RESOLUTIONS. Cottonwood Alliance, southwest of this city, is composed of as intelligent a class of farmers as could be found in the state. There are no cranks like Jim Clark and B. F. Allen to inflict themselves upon the members; neither is there a lot of homeless greenbackers seeking to resurrect the long since defunct greenback fiat money party. We therefore commend a majority of the resolutions offered below as being good logic and sound sense that any patriotic citizen could endorse. The resolutions were adopted Feb. 14th, 1891, and read as follows:

WIRELESS. The legislature under the constitution is made the court to determine contests of offices in the executive branch of the government; and

WARREN. The supreme court utterly ignores legislative authority in this matter in its decision recently handed down and gives J. E. Boyd power unwarranted; therefore be it

Resolved, That we view with alarm said decision, veting J. E. Boyd with authority to veto his own indictment, and we hereby express our indignation at the monarchical tendency of such ruling.

That we demand a law making six per cent. the legal rate of interest, and eight by contract.

That we denounce the Omaha Bee and World-Herald, as traitors to the farmers, and unworthy of our support.

That we favor the bill compelling railroads to establish underground crossings where the grade is five feet or over.

That we favor the Australian ballot system of voting.

That we demand a law regulating doctors' fees, not to exceed 50 cents per mile in the county, and a reasonable rate in cities, together with a reasonable rate for medicine.

That we demand that lawyers' and collectors' fees be regulated not to exceed five per cent for the first one hundred dollars, and above that amount two and one-half per cent.

That we demand that all county and state moneys remaining in their respective treasuries after debts of said county or state are paid, be loaned out at interest, with good land security, and the interest accrued revert to said county or state.

That if any company or corporate body shall make or cause to be made any agreement to the people of any precinct, town or county, for the purpose of voting bonds, they shall be responsible for such contract and fulfillment of the same, and if such company or corporate body fail to fulfill such agreement or contract, said bonds shall be null and void.

That saloon licenses and fines shall go to the general school fund of the county where such licenses and fines are paid.

JOHN MURRAY,
W. L. FROST,
J. M. KESLER,
Committee.

Plattsmouth is in it. Railroad managers are not slow to appreciate a good thing, when they see it, and the fact that Nebraska City is one of the best towns in the state, has not escaped the attention of the argus-eyed managers of the St. Joseph & Council Bluffs road. It is stated on good authority that this railway line will be built from Omaha down the river on this side and cross into Iowa at this point. The original intention was to cross the river at Omaha, but recently it is said the management has changed its plans and that the line will be built down this side.

This will give Nebraska City another important link in railroad connections, and add materially to its progress and prosperity.

We want everybody in the county to see our stock of wall paper before purchasing.

No. 1, the B. & M. flyer that passes through this city for Denver at 3:30 in the morning, was three hours late today, caused by the train running off the track at Pacific Junction. It was thought an open switch was the cause of the accident. No one was hurt, yet everybody abroad was pretty thoroughly shaken up and frightened.
