SWEET SCENTED FLOWERS.

Llewellyn Moore's the Recognized Headquarters for the Artistic and the Beautiful.

Aquilegia, chrysantha, corcepsis, lauecolata, chrysanthemum maxima, auriculatum, platycodonis and elenialis make up a partial list of Mr. Moore's grand plants, that are perfectly hardy and are not injured by a Nebraska winter. Mr. Moore has a fine stock of geraniums, colons and some of those richly colored French cannas, also a fine line of bedding plants. In roses he makes a specialty of the following hardy varieties: General Jacquemont, Md. Planter, Perle, Nippon, together with the old standard La France and the Queen of the rose family, the American Beauty, which under favorable circumstances has produced roses 8 inches across, bright red and of a most delicious fragrance. No collection of flowers is complete without some of these hardy roses. Mr. Moore has the reputation of being the best rose grower west of Chicago; he never forces his plants, thus making them tender but gives them every requisite to make them hardy and strong. This spring is an unusually good one for setting out plants and should be improved by our people. Remember the place where plants and prices will suit the most exacting is at Llewellyn Moore's on West Locust street, and call at once. If

Sudden Deaths.

Heart disease is by far the most frequent cause of sudden death, which in three out of four cases is unsuspected. The symptoms are not generally understood. These are: a habit of lying on the right side, short breath, pain or distress in the side, back or shoulder, irregular pulse, asthma, weak and hungry spells, wind in stomach, swelling of ankles or dropsy, oppression, dry cough and smothering. Dr. Miles' illustrated book on Heart Disease, free at F. G. Fricke & Co's, who sell and guarantee Dr. Miles' unequalled New Heart Cure, and his restorative Nervine, which cures nervousness, headache, sleeplessness, dizziness, etc. It contains no opiates.

A Mystery Explained. The papers contain frequent notices of rich, pretty and educated girls eloping with negroes, tramps and convicts. The well-known specialist, Dr. Franklin Miles, says all such girls are more or less hysterical, nervous, very impulsive, unbalanced; usually subject to headache, neuralgia, sleeplessness, immoderate crying or laughing. These show a weak nervous system for which there is no remedy equal to Restorative Nervine. Trial bottles and a fine book, containing many marvelous cures, free at F. G. Consumption Hopeless, Yet Saved. From a letter written by Mrs. Ada E. Hurd of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, coughs and colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am now a well and hearty woman." Trial bottles free at F. G. Fricke & Co's drug store, regular size, 50c. and \$1.00.

Over three hundred thousand bottles of Chamberlain's Cough Remedy are now sold each year, and it is recognized as "the best made," wherever known.
