**Dr. Holmes Tells a Strange Story.**

Dr. Holmes told the other day a  
 curious experience of his. At dinner one  
 night he was suddenly moved, apropos  
 of nothing, to relate a very curious criminal  
 case that he had not even thought  
 of, so far as he knew, for forty years.  
 When they left the dining room and  
 passed into the library it was found the  
 mail had been delivered while they were  
 at dinner and lay on the table.

Dr. Holmes opened a paper sent him  
 by a friend in England, and behold, it  
 contained the same story of the long  
 past crime that he had just been relat-  
 ing, revived in the newspaper, and a  
 friend in England, thinking it would in-  
 terest him from its curious character,  
 had sent it to him.

"Now, what," said Dr. Holmes, "put  
 the story at that moment in my mind? I  
 suppose the Spiritualists would say that  
 a spirit read what was in the paper lying  
 in another room and communicated it  
 to me. Or was it possibly my uncon-  
 scious self that saw it and communicat-  
 ed it to the brain?"

"Which do you think it was, Dr.  
 Holmes?" I asked, curious to hear his  
 keen and subtle analysis of so strange an  
 occurrence.

"I have no theories," he replied; "I  
 only state facts."—Boston Cor. New Or-  
 leans Times-Democrat.

**A Crime Detected.**

"The detectives are looking for the  
 letter box robbers and are on the right  
 track," she read from the morning paper.

"Gosh!"

"What's the matter, Uncle Ephraim?"

"I knowed it," ejaculated the old man.

"I knowed it. I suppose I've got to give  
 myself up. Nothing else to do."

"What's the matter?"

"I dropped a letter in the box yester-  
 day and didn't put any stamp on it, but  
 I didn't know any one see me do it."—  
 New York Recorder.

**Proper Bridal Etiquette.**

There are many little things about  
 weddings that people inquire about.  
 The bride writes a personal note of  
 thanks for every gift received, whether  
 it be a great one or a little one, and, if  
 she cannot do this before the ceremony,  
 she does it after the bridal trip. In the  
 church the bridegroom's family and  
 friends sit at the right of the altar, being  
 on the bridegroom's right hand, while  
 those of the bride are placed on the left  
 at the bride's left. The bridegroom does  
 not pay for anything connected with the  
 wedding unless he should choose to send  
 bouquets to the bridesmaids, and, of  
 course, to the bride, and presents and  
 boutonnières to his best man and the  
 ushers. A widow removes her first wed-  
 ding ring at her second marriage, and  
 does not assume it again. The engage-  
 ment ring is taken from the third finger  
 of the left hand and worn afterward as  
 a guard to the wedding ring. It is not  
 considered good taste to cut the finger  
 out of the glove for assuming the ring.

**How to Succeed.**

This is the great problem of life  
 which few satisfactorily solve.  
 Some fail because of ill health, oth-  
 ers want of luck, but the majority  
 fail from insufficient grit—want of nerve.  
 They are nervous, irresolute, change-  
 able, easily get the blues and "take  
 the spirits down to keep the spirits  
 up," thus wasting money, time, op-  
 portunity and nerve force. There is  
 nothing like the Restorative Ner-  
 vine, discovered by the great spec-  
 ialist, Dr. Miles, to cure all nervous  
 diseases, as headache, the blues,  
 nervous prostration, sleeplessness,  
 neuralgia, St. Vitus dance, fits and  
 hysteria. Trial bottles and fine  
 book of testimonials free at F. G.  
 Fricke & Co.'s.

**A Safe Investment.**

Is one which is guaranteed to  
 bring you satisfactory results, or in  
 case of failure a return of purchase  
 price. On this safe plain you can  
 buy from our advertise Druggist

 to bring relief in every case, when  
 used for any affection of Throat,  
 Lungs or chest, such as Consump-  
 tion, Inflammation of Lungs Bron-  
 chitis, Asthma, Whooping Cough,  
 Croup, etc., etc. It is pleasant and  
 agreeable to taste, perfectly safe  
 and Trial bottles free at F. G. Fricke  
 & Co.'s Druggists.

**A Fatal Mistake.**

Physicians make no more fatal  
 mistake than when they inform pa-  
 tients that nervous heart troubles  
 come from the stomach and are of  
 little consequence. Dr. Franklin  
 Miles, the noted Indiana specialist,  
 has proven the contrary in his new  
 book on "Heart Disease" which may  
 be had free of F. G. Fricke & Co.,  
 who guarantee and recommend Dr.  
 Miles' unequalled new Heart Cure,  
 which has the largest sale of any  
 heart remedy in the world. It cures  
 nervous and organic heart disease,  
 short breath, fluttering, pain or ten-  
 derness in the side, arm or shoulder,  
 irregular pulse, fainting, smother-  
 ing, dropsy, etc. His Restorative  
 Nervine cures headache, fits, etc.

 tion. We do not hesitate to guar-  
 antee them every time, and we stand

 there use. These remedies
