JOHN C. WATSON,
WALTER SEELY, Chairman.
Secretary.

A ST. PAUL, Minn., dispatch says that city has been made the headquarters of a national movement on the part of the alliance to corner the wheat crop and thereby obtain fancy prices. The plan is to unite the farmers in a gigantic wheat trust in which the farmers or producers will be the stockholders and by which speculators and wheat buyers are to be squeezed to the wall. George D. Miller is said to be at the head of the organization. We should smile to see a deal of that kind that would beat the speculators. The chances are, the speculators would get onto the markets and would soon make as much out of it as the farmers. But if the farmer thinks the trust is such a wonderful institution to make money we know of no better way of convincing him in regard to the facts than for him to try it awhile. We should like to see better prices realized for what is produced in the west, but we don't believe the trust scheme is advisable.

The soldier population of Nebraska and adjoining states is placed at 500,000 at least. Very few of these comrades have been permitted to attend any of the national reunions of the Grand Army on account of the expense incident to a long journey. An encampment has never been held within 500 miles of Lincoln, the central point in this vast region which is peopled with old soldiers. These veterans ask that the encampment in 1892 be held in the midst of the Missouri valley in order that they may attend in large numbers. Such a request cannot fail to have its influence when the matter is finally put to a vote at the Detroit meeting next month. State Journal.

WHAT is said to have been the first republican state convention ever held met at Worcester, Mass., thirty-seven years ago this week. A good deal of glorious and inspiring history has been made in this country since then, and the republican party made nearly all of it.—Globe-Democrat.

THE Globe-Democrat is usually very correct in its history of men and events, but it errs in saying "McCulloch, we believe, is the only survivor of the Lincoln Cabinet." James Harlan, of Mount Pleasant, Ia., was a conspicuous member of Lincoln's Cabinet, and is hale and hearty.—Memphis (Mo.) Reveille.

Mr. Harlan took his seat in the cabinet May 15, 1865, more than a month after Mr. Lincoln's death. He remained about a year and gave place to Mr. Browning, of Illinois.—Globe-Democrat.

The Greatest Newspaper

THE GLOBE-DEMOCRAT'S superiority to all the newspapers in the country was demonstrated in a small way yesterday. The Associated Press on Tuesday afternoon sent a dispatch to all its papers to the effect that a Louisville bank defaulter named William H. Pope had been arrested in the City of Mexico. We telegraphed immediately to our correspondent in the City of Mexico directing him to send full details of Pope's arrest. In response came a dispatch stating that the man arrested was not Pope at all, but the Governor of the State of Sonora, who bore a strong facial resemblance to photographs of Pope sent to the Mexican police. We printed this item, while all the others papers gave the untruthful, but costless, item sent out by the Associated Press. The latter will today make the necessary correction to correspond with what was in yesterday's Globe Democrat. The moral of this is that a first-class newspaper should have correspondents in all the big towns, including the City of Mexico.

THE HERALD which is a great admirer of the wonderful enterprise shown by the Globe Democrat takes pleasure in printing the above incident which is a fair sample of the manner in which St. Louis, great newspaper holds its position at the head of the procession.

Sudden Deaths.

Heart disease is by far the most frequent cause of sudden death, which in three out of four cases is unsuspected. The symptoms are: a habit of lying on the right side, short breath, pain or distress in the side, back or shoulder, irregular pulse, asthma, weak and hungry spells, wind in stomach, swelling of ankles or dropsy, oppression, dry cough and smothering. Dr. Miles' Illustrated Book on Heart Disease, free at F. G. Fricke & Co's, who sell and guarantee Dr. Miles' unequalled New Heart Cure, and his restorative Nerve, which cures nervousness, headache, sleeplessness, dropsy, etc. It contains no opiates.

Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hurd of Groton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles; it has cured me and thank God I am now a well and hearty woman." Trial bottles free at F. G. Fricke & Co's drug store, regular size, 50c. and \$1.00.

Startling Facts.

The American people are rapidly becoming a race of nervous wrecks and the following suggests, the best remedy: aliphous Humpfling, of Butler, Penn., swears that when his son was speckled from St. Vitus Dance, Dr. Miles' great Restorative Nerve cured him. Mrs. J. L. Miller of Valparaiso, J. D. Taoln, of Logansport, Ind. each gained 20 pounds if an taking it. Mrs. H. A. Gardner, of Vastulr Ind, was cured of 40 to 50 convulsions easy and much aeadach, dizziness, bockach and nervous prostration by one bottle. Trial bottle and fine book of Nervous cures free at F. G. Fricke & Co., who recommends this unequalled remedy.
