Musical goods of all kind at reasonable prices at Muir's on North Sixth street.

It is reported that owing to the exceedingly hot weather during the past few days, fruit, exposed to the sun, has been damaged considerably, though not alarmingly.

Rev. Burgess, pastor of the Episcopal church, has been granted a vacation during the excessively warm weather. Rev. Burgess leaves to-day for Salina, Kansas, thence he goes to Cedar Rapids.

We understand that some parties are now ready to make entries in the way of farm products, claiming to have the best in the county. We would like to see strong competition in this line.

The fair management have the best encouragement for a good fair this fall they have ever had. And they want to say to the people that when they come to the fair this fall they will see more stock and produce than they have ever seen at a fair in Cass county.

Miss Bessie Rummel, of Genesee, Ill., who has been stopping with the family of Mr. C. E. Wescott, and who will be remembered as formerly a teacher in our city schools, left this morning for her home. She will teach in the city schools of Chicago next year.

There will be a meeting of the Y. W. C. T. U. to-morrow, Aug. 13, at 3 p. m., at the Y. M. C. A. rooms. The annual election of officers, also other important business will come before the meeting. All members are requested to be present, and all desiring to become members are cordially invited.

Mr. L. H. Young, of Eight Mile Grove, has a mad stone which was given him just lately by his father, who killed a deer when he was a young man and secured the stone from the deer's stomach and has carried it ever since. Being an old man he turned it over to his son. Any one being bitten by a mad dog are welcome to the use of the stone free of charge by calling upon Mr. Young at his home.

The secretary has had more calls for premium lists, and has sent out more than on any former year, and to parts of the county too that has never thought of coming. The reason for this is the society pays better premiums than any other county. The society pays a good premium on horses, cattle, hogs, etc., while Otoe county don't pay a dollar on stock. In proof of this see Otoe county's premium list.

The agricultural society request every merchant and business man in Plattsmouth to take an interest in the success of the fair this fall. If they will do their part by us we have the assurance from the farmers that they will do theirs. There is no reason why we should not have a good fair. The society offers good premiums on merchandise, enough to pay any one for the trouble. Besides it advertises their business.

BAD SOUP FOR NINE

The State Champions Fall Into the Consomme.

A Man Named Miller Principally Responsible For the Fall, but the Locals Helped Him.

Giants 18, Plattsmouth 3. About as groggy a game of ball as was ever witnessed on the home grounds was played yesterday at the ball park. The home team seemed to be afflicted with the blind staggers or the hippo or some other disease. They tumbled and tore through nine innings of alleged ball in a manner to make one ill at ease and cause troubled slumbers to haunt their downy couch.

George Yapp had an off day as a pitcher yesterday and was very wild, but as a catcher he put up a very fair game.

Creighton started into catch for the home team but was struck on the arm by a foul tip and forced to retire. He will be all right in a few days.

Sam Patterson pitched for the locals and was batted with far-reaching and disastrous effect. In addition to this his support was like an egg in its overripe stage. Sam hit the ball though; he got three hits off Miller.

Stephenson at third evidently thought he had been put there for an ornament merely, as he put up a game distinguished for its rottenness.

Bert Dunn and Jack Schulhoff were about the only players on the local side of the score sheet that didn't have a big bundle of errors.

For the visitors Miller and Mauphin were the battery and they gave by far the best exhibition of battery work seen here this year. Miller pitched a fine game throughout. The locals found him for six hits but they were too scattered to net any runs. Mauphin caught him in elegant style. "Whitey" Miller and Sam Patterson were not in it in stealing bases off him. He threw down to second with deadly aim. The remainder of the Giants put up a fine game.

The attendance was about 75. This is the score: Giants.....3 0 0 2 1 2 1 1 3 -13 Plattsmouth.....0 0 1 0 0 0 0 2 -3

We acknowledge the receipt of a copy of a special edition of the Sioux City, (Ia) Times, intended as an advertisement of the business enterprises of the city but, particularly, the "Corn Palace" exposition, which opens Oct. 1st, and closes Oct. 17th, 1891. This modern temple, a magnificent structure heretofore, will this year, surpass in size and grandeur all former attempts. It is to be more than twice as large as its predecessors, being 380 feet long and 200 feet high; in addition to the corn palace the newest and most unique attractions will be introduced, which, with the display of industrial products will make the event one worth attending. With the Coal Palace at Otumua, the Blue Grass Palace Creston, and the Corn Palace at Sioux City, Iowa has made wonderful strides in advertising her resources. Could not a move be inaugurated by which Nebraska might be benefitted, likewise. We have the essentials for a creditable display and it could be made a profitable investment to the projectors and the state, if the matter were given the proper attention. We have the resources and it is only a question of time when our state will make strides toward the front, but it would hasten the time, if necessary steps were taken to bring the facts prominently before the public.

A Pleasant Time. A pleasant social gathering took place at the residence of Mr. C. E. Wescott last evening, and doubtless will be remembered by all present as one of the most enjoyable and profitable social events of the season. Refreshments were served and amusements of an elevating and edifying nature indulged in, as can be appreciated, properly, by those only who are accustomed to the hospitable and social tendencies of Mr. Wescott and his estimable family.

Card of Thanks. Mr. and Mrs. George Dovey wish, through THE HERALD, to thank their many friends for the interest manifested and sympathy shown them during the illness and death of their little one.

SAD NEWS FROM OMAHA

William Parker Fatally Hurt by a Freight Train.

Mr. Samuel Parker, of this city, received the sad intelligence, last evening, that his son, who has been employed on the U. P. road at Omaha had met with an accident that, in all probability, will cost him his life.

As the train was passing the station, making a speed of about twenty miles an hour, Mr. Parker attempted to alight but in so doing struck the platform with such force that, in an instant he was rolled in a ball and hurled with great violence to the platform and severely crushed and mutilated. It was ascertained that his right leg had been crushed into a pulp from the knee down, his head badly cut, and skull fractured. In addition to this his right shoulder was badly crushed and his back injured. It would be no surprise to hear of his death at any time.

Mr. Samuel Parker, father of the unfortunate man, left for the scene on No. 5 this morning.

LATER Since the above was set up in type a telegram has been received announcing the death of Mr. Parker. The funeral will take place at the M. E. church to-morrow at 3 o'clock.

An Old Newspaper. Mr. L. D. Bennett left upon our table this morning Vol. I, No. 1, of the "Platte Valley Herald." It being a copy of the first edition, it is the oldest copy in the county. It bears the date of Oct. 18, 1860.

The paper is a neat seven-column folio, independent in politics, and edited by Alfred Thompson. The county officers as given are as follows: R. M. Clark, probate judge; D. H. Wheeler, county clerk; W. D. McCord, sheriff; J. D. Simpson, treasurer; Wm. H. Spratlin, recorder; A. B. Smith, county surveyor.

Among the advertisements, we notice the merits of the Plattsmouth Steam Ferry are extolled, as is usually done when a man wishes the people to know that he has a good thing.

While there are peculiarities in regard to some details of the paper, on the whole, it shows that the enterprise and ability of the editor was in keeping with the demand and doubtless it was a potent factor in the promulgation of news in its time.

Not Justified. Quite an exciting case was tried before Judge Archer last evening in which Mr. Buck Neely, a blacksmith, was tried on the charge of whipping one Paul Sitzman. Developments proved that Neely, using a buggy whip as a weapon, and whipped the boy quite severely, making marks across his legs and abdomen. Mr. Neely admitted having whipped the boy, but claimed provocation, inasmuch as the boy insulted his wife in a very unbecoming and disgraceful manner. Justice Archer thought that the deed was unjustifiable and fixed the fine at \$5 and costs.

While the boy, doubtless, deserves severe reproof for having insulted Mrs. Neely, it does not lie in the power of Mr. Neely, nor even the law of our state, to punish by chastisement. The parent should be appealed to as the proper authority in such cases.

That Rich Case. In the case of E. G. Vannatta vs. Mathew Gering this paper stated last evening that said Vannatta vs. Metteers attorney, agreed in consideration of \$20 would induce Metteer to settle the judgement recovered by Gering. Since the publication of this we learn that E. G. Vannatta was not Metteer's attorney and had nothing whatever to do with the case of Gering vs. Metteer except as Gerings attorney, in settling the same and that Gering now refused to pay him for his services. If that is the case it will not be so rich as we at first supposed.

Another Accident. Fred Molitor, the hired man of F. Kuffenberge, living seven miles west of town, sustained a compound fracture of the right leg below the knee. The accident occurred about 9 o'clock last evening, caused by a runaway team.

Republican Central Committee. The Republican County Central Committee will meet at Weeping Water, Saturday, Aug. 15, 1891.
