PERSONAL

W. G. Keefe came in this morning.

Mr. J. Pine and wife are Omaha visitors to-day.

County Attorney H. D. Travis came in this morning.

Claus Breckenfeld was a passenger for Omaha this morning.

Mrs. Mitchell was a passenger on No. 5 this morning for Omaha.

Mr. John Duke is transacting business at the metropolis to-day.

Mr. Hallie Peterson was a passenger on No. 5 this morning for Marquette.

Mrs. Al Britton, of Denver, who has been visiting in this city left this morning for Peru Neb.

Mr. Henry Eikenbary and daughter depart to-day for Lincoln, where they will visit friends a few days.

Dr. B. F. Brendle, one of the prominent physicians of Murray, left for home this morning on No. 5.

Dr. and Mrs. Livingston, of Cedar Creek, came in this morning from Schuyler for a short visit with friends.

Mr. John Weblong and family accompanied by Mr. Erank Johnson departed for Omaha to visit a week with friends.

Mrs. Hiteman, having concluded her visit with friends in the city, returned to her home at Ray, Missouri, this morning.

Rev. J. M. Woods, in response to news that his son-in-law was very ill, departed this morning for the home of the latter, at Winterset, Iowa.

The B & M. has the lumber on the grounds for a new side walk, full width, from their corner on south side of Main to the first alley going west.

Mrs. M. Waybright and daughter Miss Nettie accompanied by Miss Myrtle Booth, departed last evening for a two weeks visit at Arapahoe and intermediate points.

The World-Herald suggests that if we must have reciprocity let arrangements be made with Greenland for a few icebergs. We thought our neighbor would admit of the practicability of the plan.

The 29th Iowa regiment of old soldiers will hold a reunion at Glenwood Aug. 25th and 26th. The Glenwood Opinion asserts that arrangements are being made to entertain the veterans in grand style. So may it be.

At the last regular meeting of the city council steps were taken looking toward the repairing of sidewalks on Elm street and Washington avenue. The action of the council is certainly commendable, thus far, but in our opinion there are other places especially deserving attention as well.

The Sons of Veterans will hold a lawn sociable at the residence of B. A. McElwain on Wednesday evening, August 19. The grounds will be decorated with Chinese lanterns, and ice cream and cake will be served at 15 cents a dish. Everybody is invited to come and enjoy a cool, refreshing evening. 3t

The apparatus which will be used for heating the court house has partly arrived and is being placed upon the grounds. The work is progressing nicely and in a few weeks will be completed. Thus far the workmen have been favored with good weather, and they have shown a disposition to work faithfully and well.

"Shorty" Pfeider received orders last evening from his employers to come to Lincoln to assist in the clothing store there. During the year that Mr. Pfeider has been in our city, owing to his geniality and good business qualities, has made many friends, all of whom doubtless will regret his departure. THE HERALD extends best wishes for success in his new field and assures Mr. Pfeider that he will be "missed."

President Barton, of the Omaha Smelting Works, has taken back old men, at former terms, reserving the right to employ those who have families to support first—a spirit of benevolence and liberality that is commendable. It is hoped that this eight-hour law has engendered all the misery to which it is entitled and that henceforth men may labor according to the dictates of conscience and reason.

Always take your prescriptions to Brown & Barrett's. tf

PLATTSMOUTH'S DAY.

The Plattsmouths Cover Themselves With Glory at Hastings.

The game at Hastings yesterday, while not characterized by brilliant plays, was not without interest.

The game proceeded steadily through the first two innings with no score, when in the third inning Hastings scored one. In the sixth the Plattsmouths gained two, and in the last two played they exerted every nerve to its utmost and ran in six scores.

If there is anything telling in luck it surely was manifest on this occasion, though our boys played better ball than at former times. Miles umpired the game and is reported as having given good satisfaction. The following is the score by innings:

Plattsmouth 0 0 0 0 2 0 2 4-8
Hastings 0 0 1 0 0 0 0 0-3

Batteries—Rohrer and Abbott, Yapp and Maupin.

Struck out—By Rohrer 5, by Yapp 9.

Base hits—Hastings 7, Plattsmouth 5.

Errors—Hastings 3, Plattsmouth 5.

The Independents Meet.

The independents hold their state convention at Hastings to-day. Indications at this early date are that their strength will not be so great as last year, consequently they will not succeed in assisting the democratic leaders to count in their candidates.

The Smelter in Operation.

After several weeks' delay, the manager of the smelting works has succeeded in putting the works in operation again. It has appeared all along in this strike—as is nearly always the case—that the majority of laborers were satisfied with the ten hours' labor and in fact preferred the old plan to the adoption of the eight-hour system. The cupolo, furnacemen and pot-haulers, which constitute a small minority of the laborers, are the only class that have urged the eight-hour plan, and we believe they should have it, inasmuch as their position is uncommonly warm and unhealthy, but it is not right that simply because this minority has a grip on the ring-leaders that they should compel all others to strike, against their wishes, thus generating uncalled for strife and discontent.

Police Court.

There were to-day two cases charged with being drunk. Ben Hart plead guilty and was discharged upon paying cost.

John Murray arrested on the same charge was found guilty.

To-day there was a complaint filed by John B. Conter in which he charges Chas. Reynolds with threatening to do him harm with a revolver. Justice Archer set the trial for to-morrow.

Deal Fairly.

It seems that since the sporting editor of the World-Herald has concluded to deal more fairly with the Plattsmouths, that the special correspondent from Hastings has concluded to play the role of wilful misrepresentation.

The correspondent says:

"The Plattsmouth club was composed of players picked from the leading amateurs of Nebraska and Texas.

The writer of the above could not have stated more untruth in so small a space as he has in the above. In fact it is too thin to merit notice, but suffice to say that owing to the 'Wattloo' experienced yesterday, they resort to this unprincipled method of accounting for the results. Maupin, of Lincoln, was the only man, whose home is not in Plattsmouth, who plays with the nine and he is booked as a regular member.

Gladiators vs. Printers.

A newly organized base ball aggregation, posing under the cognomen of "Hank Straight's Gladiators," imagine they are proficient enough in the great national game to wipe the earth with the printers of this city, and have accordingly challenged the latter to a contest on the Chicago avenue ball park next Thursday afternoon at 4 o'clock. This will undoubtedly be a great game (of errors) and should be witnessed by a large concourse of people. The printers have just signed Catcher Sutcliffe Crisman and Pitcher Eiteljorg Dray and may be expected to put up a strong game. As the fame of the respective players is not yet known, no admission will be charged. For further particulars enquire of Manager Milton Griffith of the "Prints," or Manager Will Straight of the "Gladiators."

Is your eyesight failing?
We have spectacles that we guarantee to fit you.—Gering & Co.

County Clerk Critchfield is transacting business at the metropolis to-day.

What did you say? I said that Gering & Co's soda water and frosted cream are out of sight.

Mr. J. M. Edmonds a prominent merchant of Murry was a passenger for home this morning on No. 5.

A marriage license was issued to Mathew Hewghey, age 23, and Miss Tottie Davis, age 19. Both parties reside at Weeping Water.

The Livingstone Loan & Building Association will hold their regular meeting at secretary's office over Murphy's store, Thursday the 20th.

Do not forget the old settlers' reunion called to meet at Union next Saturday. Prominent speakers will address the gathering and a good time generally is in store for all.

Mr. W. C. Willets some time since proposed to sue the city for \$16,000, an amount he alleged due him. Since, however, he has agreed to compromise the matter if the city pays him \$500.

The Elsons and the Light Feet will play a game of ball at the Chicago avenue ball park next Friday afternoon. Come out and encourage the boys. Admission only ten cents; ladies free.

Riley Arrivals: A. Rosby, W. A. Sambraid, A. Fuller, Chicago; M. Weil, F. J. Kind, C. W. Brand, C. E. Rath, Omaha; G. H. Clark, Lincoln; C. B. Hackney, Ashland; H. D. Travis, Weeping Water.

The Plattsmouth ball team plays a second game with the Hastings team to-day. With Baker and Maupin as battery the boys can cope with any team in the state. We predict that they will not be satisfied with less than earth henceforth.

I think Ely's Cream Balm is the best remedy for catarrh I ever saw. I never took anything that relieved me so quickly, and I have not felt so well for a long time. I used to be troubled with severe headaches two or three times a week. J. A. Alcorn, Ag't U. P. R. Co., Eaton, Colo.

The Worlds Fair Commission for Nebraska is in session and reports point to the fact that arrangements are progressing nicely. If some of Cass county's corn could be placed on exhibition we doubt not that it would compare favorably with, if not excel, that produced in any state in the Union.

Mr. U. J. McCordle, who has been visiting friends here for the past week, returned to his home in Brownwood, Texas. Mr. McCordle expressed himself as well pleased with our city and surrounding country. Especially did he speak in glowing terms of our crop prospect. We little realize how such visitors advertise our county after going to their homes. How well it is that they may truly speak in terms of praise.

Miss' Nerve and Liver Pills.

Act on a new principle—regulating the liver, stomach and bowels through the nerves. A new discovery, Dr. Miles' Pills speedily cure biliousness, bad taste, torpid liver, piles, constipation. Unequaled for men, women, children. Smallest, mildest, surest! 50 doses, 25c. Sample free at F. G. Fricke & Co's.

Norman Baker Resigns.

Norman Baker, one of the pitchers in the Omaha club, resigned in Kansas City, and he will join the Plattsmouth state league club.

Mr. Baker injured his wrist several months ago, and since he has been doing but little work in the box. His successor is Stein of the Chicago. Baker will play with the Plattsmouth team until the end of the season, when he will take a place in Patterson's bank, Plattsmouth, for the winter.—W. H.

Everybody says that Gering & Co sell the most wall paper and paint. Why? Because they sell the best goods for the least money.

Notice
