Ely's Cream Balm For CATARRH

THE POSITIVE CURE.

BROTHERS, 66 Warren St., New York. Price 50 cts.

FANCY WORK BASKET.

When Properly Ornamented It Is Indeed a Thing of Beauty.

This dainty basket is a low shape in wicker or rattan, and may be painted with gold or silver paints, with enamel, shellac or any of the fancy coloring materials so easily procurable nowadays. The feet may be gilded if the rest is otherwise painted, or bronze.

FANCY WORK BASKET.

paint and enamel may be used alternately on the bars. The bottom of the basket is smoothly covered with pale-gold figured India silk, and the sides are covered with figured India silk in green and gold shades put on full, the edges being gathered and carefully sewed on. The easiest way is to join one edge of the gathered portion to the top of the basket, turn it over, and catch the other edge along the bottom of the basket. The bottom section should be made double with a layer of cotton batting between; the edges should be bound and then tacked carefully to the bottom of the basket. An oblong section is sewed across one side near a corner, for a seissors' pocket; the needle-book is caught with a ribbon bow in another corner, the emery bag in a third corner; and the fourth corner is made ornamental with a large, full pocket for the spoons, etc. The full pocket is made of a straight section of silk finished at the top to form a ruffled edge and gathered up closely at the bottom. Any colors or any variety of silk or other goods preferred may be used. —Butterick's Delineator.

DESIGN OF VIOLETS.

Especially Charming for the Center of a Lunch Table.

Violets with their leaves worked in the pale tints of these favorite flowers, on a square of fine white linen, are especially pretty for the center of a table at a lunch party. The opposite corners are embroidered in the design as shown in illustration. The flowers and leaves in these corners are to be filled in solid embroidery, and care must be used in shading them, following the lights and shades in illustration as nearly as possible.

Select for violets shades that blend, the paler tints being preferable, and test all your colors before using them, to be certain that they will wash well.

A DESIGN OF VIOLETS.

Piloselle will be found easier to manage than the regular twisted embroidery silk.

The under part of the leaves are to be worked in the light gray-green shades. The bands are couched on both sides with white filloselle, and the dots are first filled, in order to give the raised appearance, and then worked over with coarse embroidery silk. Single violets in outline stitch with white filloselle are scattered irregularly about all four sides of the square, leaving a plain space in the center for the flower decorations.

The hem should be about an inch and a half wide, and threads should be drawn above it for hemstitching. —Ladies' Home Journal.

THE HOME DOCTOR.

The juice of half a lemon in a teacup of strong black coffee, without sugar, will often cure a sick headache.

For simple hoarseness take a fresh egg, beat it and thicken with pulverized sugar. Eat freely of it and the hoarseness will soon be relieved.

The skin of a boiled egg is the best remedy for a boil. Carefully peel it, wet, apply to the boil; it draws out the matter and relieves soreness.

WHEN your face and ears burn so terribly bathe them in very hot water—as hot as you can bear. This will be more apt to cool them than any cold application.

CASTOROL may be comfortably taken in hot milk, in a half wineglassful of weak punch, in hot water sweetened and highly flavored with essence of peppermint or wintergreen.

A SURE cure for inflammatory rheumatism is made by taking one ounce of pulverized saltpeter and putting it into a pint of sweet oil. Bathe the parts affected and a sound cure will speedily be made.

A Cool Cloth Without Ice.

One of the most useful hints for sick-room attendance is very seldom known outside of a hospital ward, and not even there in many cases; the hint is how to obtain a cold cloth without the use of ice. Everyone knows that in fevers or weakness a cold cloth on the forehead or face, or base of brain, is one of the most comforting things in the world. In the tropical hospitals, and where ice is scarce, all that is necessary is to wet a linen cloth, wave it to and fro in the air, fold it, and place on the patient. Have another cloth ready, waving it to and fro, just before applying it; these cloths have a more grateful and lasting coldness than those made so by the burning cold produced by ice. —Ladies' Home Journal.

Happy Hoosiers.

Wm. Timms, Postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined, for that and feeling arising from Kidney and Liver trouble." John Leick, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gagne, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is tired, he feels new strength, good appetite, and felt just like he had a new lease on life. Only see a bottle at F. G. Fricke & Co's Drug Store."

Philip Krause will sell his goods cheap till the 15th. of August, in order to make room for his fall goods.

A Mystery Explained.

The papers contain frequent notices of rich, pretty and educated girls eloping with negroes, tramps and coachmen. The well-known specialist, Dr. Franklin Miles, says all such girls are more or less hysterical, nervous, very impulsive, unbalanced; usually subject to headache, neuralgia, sleeplessness, moderate crying or laughing. These show a weak, nervous system for which there is no remedy equal to Restorative Nervine. Trial bottles and a fine book, containing many marvelous cures, free at F. G. Fricke & Co's, who also sell and guarantee Dr. Miles' celebrated New Heart Cure, the finest of heart tonics. Cures fluttering, short breath, etc.

I am an old man and have been a constant sufferer with catarrh for the last ten years. I am entirely cured by the use of Ely's Cream Balm. It is strange that so simple a remedy will cure such a stubborn disease. Henry Billings, U. S. Pension Attorney, Washington, D. C.

For eight years I have suffered from catarrh, which affected my eyes and hearing; I have employed many physicians without relief. I am now on my second bottle of Ely's Cream Balm, and feel confident of a complete cure. —Mary C. Thompson, Cerro Gordo, Ill.

Height of Cruelty

Nervous women seldom receive the sympathy they deserve. While often the pictures of health, they are constantly ailing. To withhold sympathy from these unfortunate is the height of cruelty. They have a weak heart, causing shortness of breath, fluttering, pain in side, weak and hungry spells, and finally swelling of ankles, oppression, choking, smothering and dropsy. Dr. Miles' New Heart Cure is just the thing for them. For their nervousness, headache, weakness, etc., his Restorative Nervine is unequalled. FOR DYSPEPSIA, Ayer's Sarsaparilla

Is an effective remedy, as numerous testimonials conclusively prove. "For two years I was a constant sufferer from dyspepsia and liver complaint. I doctored a long time and the medicines prescribed, in nearly every case, only aggravated the disease. An apothecary advised me to use Ayer's Sarsaparilla. I did so, and was cured at a cost of \$5. Since that time it has been my family medicine, and sickness has become a stranger to our household. I believe it to be the best medicine on earth." —P. F. McNulty, Hackman, 29 Summer St., Lowell, Mass.

FOR DEBILITY, Ayer's Sarsaparilla

Is a certain cure, when the complaint originates in impoverished blood. "I was a great sufferer from a low condition of the blood and general debility, becoming finally, so reduced that I was unfit for work. Nothing that I did for the complaint helped me so much as Ayer's Sarsaparilla, a few bottles of which restored me to health and strength. I take every opportunity to recommend this medicine in similar cases." —C. Evick, 14 E. Main St., Chillicothe, Ohio.
