THE COUNTY CONVENTION.

The county convention is called for September 19th, 1891 at Louisville.

The primaries are to be held on the 12th day of September.

The basis of representation is based on the vote cast for attorney general at the last state election.

Liberty and Rock Bluffs precinct was given their usual vote as no fair basis of appointment could be had on the division.

Below will be found the place and time of holding the primaries and number of delegates entitled to representation.

Table with columns: PRECINCT, TIME AND PLACE, DEL. listing precincts and their delegates.

THE "1000 dollar" is a magnificent issue for the republicans for 1892. The republicans made the "1000 dollar," and they will defend it against the democracy, the alliance and all its other foes.

AN increase of more than \$8,000,000 in the exports of July over those of the same month of last year is a pretty good proof that the McKinley tariff law is not preventing foreigners from buying our products.

DURING the month of July, the Topcka Capital tells us, the farmers of sixty Kansas counties reduced their mortgaged indebtedness by a little more than \$330,000.

PREPARATIONS for the inevitable struggle are actively under way in Europe, yet there does not seem to be much in the rumors that the conflict will take place this year.

AMERICAN GRAIN FOR EXPORT.

The reports from the foreign grain fields continue to be discouraging. The latest intelligence from England is to the effect that the farmers are in despair and that the price of flour is going up.

Already the exportation of American corn is on the increase. The value of the exports of domestic breadstuffs from this country shows the effect of an enlarged European demand.

The rye exportation during the period named was insignificant. Ordinarily this country exports but very little rye, about \$1,300,000 last year.

Remarkable Growth of Tobacco. J. W. Cook came in Saturday and told about some tobacco he is raising.

A Mean Swindle. Newark, N. J., has a man with a novel idea of the installment plan.

A Brass Sewing Machine. A sewing machine that was exhibited in Boston a few days ago stitched easily and rapidly through layers of leather five-eighths of an inch in thickness.

Few children can be induced to take physic without a struggle, and no wonder—most drugs are extremely nauseating.

Itch on human ans horses and all animals cured in 30 minutes by Woolford's Sanitary Lotion.

Boys in Crawfordville, Ind., have a balloon parachute craze, and cats are daily sent up, the parachute being so arranged that it will detach itself from the balloon at a certain time.

The famous manufactory of porcelain at Sevres is likely to be closed.

Saved by His Thinness. Usually when a man has been run over by an engine and a train of five cars the coroner sits on what is left of him.

Being good natured, it never angered him, and he was wont to laugh and reply that some day they would envy him for being slender.

Another War Bible Story. George Althair, a veteran of the war and now filling the place of letter carrier at the postoffice in Port Jervis.

Swarmed on the Farmer. Peter Gross, who lives near York Springs, Md., had been working hard all the morning and about 10 o'clock concluded to take a nap under a cherry tree.

Being on the crest of one of the high hills which surround his house, he then threw himself on the ground, gave his body a shove and down he went.

SOUTH PARK

Continues to Offer the Opportunity for Investment.

No Excuse for not having a Home of Your Own.

Put What you are paying out for Rent into a home.

7 per cent money for persons wishing to build in South Park.

Look to the Future and invest now in South Park.

THE OPPORTUNITY OF A LIFE TIME.

Among other reasons why it is better to invest in South Park than elsewhere in the city, are these:

Property is more saleable if you wish to sell, more rentable if you wish to rent; if looking for an increase in value, no other part of the city will compare with it in prospect.

The 5th ward composed largely of South Park, less than three years ago could hardly muster up a vote at the last general election the vote was 130 and all were not polled.

It has been less than two years since the city invited us into the corporate limits, yet we have over one hundred newly built house and others in process of construction.

This part of the city has a store water mains, electric arc lights, church and school privileges and of which the whole city is proud.
