The Golden Troupe.

The Martyr, an emotional drama, giving Bella Golden every opportunity to display her exceptional talent and rich wardrobe, will be the opening bill of the company, which opens a two-night's engagement at the Waterman next Friday.

A feature of the company is its own orchestra, under the direction of Prof. St. Clair and probably one of the best on the road this season. An excellent band will give noon and evening concerts.

To Have Another Store.

The enterprising and prosperous firm of Mayer Bros. is not content with the ownership and control of its two clothing stores, one in this city and one in Lincoln, and accordingly has about consummated plans for erecting a large stock at Norfolk. This branch will be in charge of Sol Mayer and doubtless under his efficient management the Norfolk store, like the one here and at Lincoln, will take front rank among the leading clothing establishments of the city.

Always take your prescriptions to Brown & Barrett's.

To Coal Consumers.

All those that do not settle their last season's coal bills with me by the 19th of Oct. next will not expect to have any accommodations from me this season of course.

Office and yards 404 South Third street. Telephone, 13.

I always try to have a full line of all grades of coal on hand.

ADVERTISING TRAIN

Cass County Should Take the Lead in the Enterprise.

Assist in the Display—The Route Selected—Arrangements About Completed—Send in Your Display.

Now that it is a settled fact that Cass County is to be represented in the advertising train it behooves every one who can contribute to the success of the enterprise. We are capable of making an exhibit that will compare favorably with any other county in the state, but if this matter is left entirely in the care of six or eight persons we should not expect a creditable showing or beneficial results to accrue. Every person that received a premium at the late county fair and those who did not exhibit, but can add creditably to the display, should avail themselves of this opportunity to show their loyalty to Cass county. The secretary of the Business Men's Association cannot, in all probability, obtain information as to all of our farmers that can add something materially helpful, and therefore they should not wait to be called upon, but improve the first opportunity to bring it in and it will be properly attended to. There will be about thirty counties participating in the display, and let it be that our representative may point with pride to our exhibit and in no uncertain sound inform the spectators that that display belongs to CASS COUNTY.

The route for the exhibition train has been selected. It will go east via the Burlington line as far as Chicago. It will probably stop in Illinois three days. From Chicago they will take the Pennsylvania line, via Loganport, Ind., Marion, Ridgeville, Bradford, Urbano and Columbus, O.; then north-east to Rochester, Pa., and north through Newcastle and Erie, returning by the way of Ashland to Alliance, and east through Mansfield, Fort Wayne and Chicago, then returning home by the way of the Northwestern road. If arrangements may yet be made with a few counties that are considering the advisability of joining the train, a run will be made into northern New York, but this matter cannot be definitely settled until the tenth of this month.

The cars designed for the exhibit are now in Omaha. The artist who has been employed to decorate the cars is already on the grounds and will arrange the exhibits as soon as they arrive. The space allotted to each county will be from eight to twelve feet, which will afford ample room for a tasty and showy arrangement of each display.

Remember that exhibitors in Cass county should leave their display with H. N. Dovey, from whom it will receive proper attention.

The Corn Palace Opens.

The Corn Palace at Sioux City opened yesterday very auspiciously, notwithstanding the inclemency of the weather. The Mexican national band has been engaged for the occasion. Other notable attraction has been secured. The Palace has cost \$10,000 and is one of the largest exposition buildings in the country, being 380x200 feet. Not only are the principal counties of Iowa represented in the display of products but exhibits from all sections of the country are made. One entire wing is devoted to the display of the southern states and Central and South America. The Palace is decorated inside and out with corn, grain, grasses and etc., and is lighted with several thousand electric lights, artificial light being used day and night.

Excursionists will come from Boston, New York, Baltimore, Virginia, St. Paul and special trains will be run from all principal points in the west.

Do not confuse the famous Blush of Roses with the many worthless paints, powders, creams and bleaches which are flooding the market. Get the genuine of your druggist, O. H. Snyder, 75 cents per bottle, and I guarantee it will remove your pimples, freckles, blackheads, moth, tan and sunburn, and give you a lovely complexion.

Brown & Barrett have just received a fine line of imported tooth and nail brushes, cloth and hair brushes. Prices away down.

Ely's Cream Balm is especially adapted as a remedy for catarrh which is aggravated by alkaline dust and dry winds.—W. A. Hoyer, Druggist, Denver.

My catarrh was very bad. For thirty years I have been troubled with it—have tried a number of remedies without relief. A druggist advised Ely's Cream Balm. I have used only one bottle and I can say I feel like a new man. I make this voluntary statement that others may know of the Balm.—J. W. Mathewson, (Lawyer), Pawtucket, R. I.
