Chamberlain's Eye and Skin Ointment.

A certain cure for Chronic Sore Eyes, Tetter, Salt Rheum, Scald Head, Old Chronic Sores, Fever Sores, Eczema, Itch, Prairie Scratches, Sore Nipples and Piles. It is cooling and soothing. Hundreds of cases have been cured, by its use after all other treatment had failed. It is put up in 25 and 50 cent boxes.

Croup frequently finds a household unprepared for its visit, while the rapidity with which it develops calls for instant treatment. For this dangerous disease Ayer's Cherry Pectoral is an admirable remedy. It saves many lives every year. Keep in the house.

Wedding Balls.

MARRIED—At the Episcopal church Saturday evening, at 8 p. m., Mr. Sam Patterson to Miss Rose McCauley, Rev. Burgess officiating.

The wedding was rather a quiet affair, the ceremony being performed in the presence of a few relatives and immediate friends. Each of the contracting parties are of highly influential and respected families and are regarded by all who know them as worthy and promising young people. They certainly begin life together under very auspicious circumstances and doubtless the voyage will be a prosperous and eventful one.

THE HERALD extends congratulations.

How to Kill Your Town.

Kick.
Keep kicking.
And don't quit kicking.
One pull one way and one t'other.
Go to other towns to buy your goods.

Denounce your merchants because they make a profit on their goods.

Knife every man that disagrees with you on the method of increasing business.

Make your town out a very bad place, and stab it every chance you get.

Refuse to unite in any scheme for the betterment of the material interest of the people.

Tell your merchant that you can buy your goods a great deal cheaper in another town and charge him with extortion.

Keep every cent you get, and don't do anything of a public nature unless you can make something out of it directly.

When you have anything to say of your town, say it in such a way that it will leave the impression that you have no faith in it.

Patronize outside newspapers to the exclusion of your own, and then denounce them for not being as large as the city papers.—Ex.

Wise & Root will display the finest line of millinery ever shown in the city on Tuesday and Wednesday, Oct. 6 and 7. Mrs. Wise has just returned from the east, where she made a specialty of selecting artistic patterns. Purchasers and visitors alike welcome.

Call.

O. C. SMITH, Chairman.
Do not confuse the famous Blush of Roses with the many worthless paints, powders, creams and bleaches which are flooding the market. Get the genuine of your druggist, O. H. Snyder, 75 cents per bottle, and I guarantee it will remove your pimples, freckles, blackheads, moth, tan and sunburn, and give you a lovely complexion.

Register if you Wish to Vote.
According to law every man must register who expects to vote at the November election. Registrars have been appointed and places for registration designated as will be seen in to-day's issue of THE HERALD.

Coal Consumer.
All those that do not settle their last season's coal bills with me by the 10th of Oct next will not expect to have any accommodations from me this season of course.

Office and yards 404 South Third street. Telephone, 13.
I always try to have a full line of all grades of coal on hand.

TIMOTHY CLARK.

AT THE CHURCHES YESTERDAY.

Two Edifices dedicated—Rev. Britt fills the Pulpit at the M. E. Church.

AT THE TABERNACLE.

The First Baptist church was appropriately dedicated yesterday. In the morning a sermon was delivered by Rev. Williams D. D., of Lincoln. At 7:30 Rev. Griffith, of Shenandoah, occupied the pulpit. Several prominent workers of the church were present, among whom was Rev. S. Merrill, a son of the early Baptist missionary who was more instrumental in establishing the church on a firm basis in this state, than any other man. The pastor and his parishioners are to be congratulated upon having finished and rendered free from pecuniary incumbrance such a commodious and convenient place of worship.

AT THE BOHEMIAN CATHOLIC CHURCH.

Extensive preparations had been made by the Bohemian branch of the Catholic church to dedicate their new church situated in the west part of the city in grand style and apparently their expectations were fully realized. A large delegation of the A. O. H., of Omaha, accompanied by their band arrived on No. 4, they were met at the station by the local branch here and, with colors flying and bands playing, they were escorted to the church where seventy-five little girls were consecrated with the usual ceremony. At 2:30 another parade was participated in before marching to the church. At the church the dedicatory exercises were carried out to the letter. Several prominent officials of the church were present among whom were Father Bowska, of Crete, and Bishop Bonavin, of Lincoln.

AT THE M. E. CHURCH.

Rev. L. F. Britt, who has recently been assigned to the pastorate of the M. E. church at this place occupied the pulpit Sunday—morning and evening. Rev. Britt is recognized as one of the strongest men in the conference and indications are that he fully merits the place he occupies in the estimation of his co-laborers. He impresses his audience as one who thinks and without hesitation imparts the product of his thought to the people. We predict for the new pastor and the church a prosperous year.

Union Items.

From the Ledger.
Attorneys H. D. Travis and J. E. Douglas of Weeping Water, came down on the M. P. last Thursday and took the "Belt Line" for Plattsmouth.

Attorney D. O. Dwyer of Plattsmouth came down last Monday on his way to Nebraska City, and while here he had the pleasure of greeting many of his Union friends.

Dr. Salisbury of Plattsmouth was in town Tuesday getting acquainted with our people. Mr. Salisbury is the republican candidate for clerk of the district court and desires to let the people become acquainted with their candidate.

Mr. O. H. Snyder of Plattsmouth made a visit to our village last Tuesday and it is said that one of young men came near asking him to issue a marriage license and thus save the y. m. a trip to Plattsmouth, but he discovered in time that it was not Judge Ramsey.

The Night School.

Now that a thoroughly competent instructor has been secured to assume control of the business department of our city schools, those who are desirous of obtaining a business education will be afforded an excellent opportunity. In addition to the day session, which began this morning, a night school will be maintained, and those who may not be accommodated at the day session, surely will be at the latter. The first meeting will be held to-morrow evening at the high school building at 7:30 p. m. A tuition fee of \$1.50 will be charged those taking the common branches, while those pursuing the business training course will be required to pay \$3.00 per month.

It is earnestly desired that all who have signified their intention to attend, or all others who are so inclined, will meet promptly at the appointed time and place.
