THE REPUBLICAN PLATFORM.
 The republican party of the state
 of Nebraska gives renewed expres-
 sion of its devotion to the princi-
 ples of the republican party and de-
 clares that those principles, as ex-
 pressed by the national republican
 convention, should be the strong
 point of union between all republi-
 cans in the state of Nebraska.

We congratulate the people upon
 the marvelous prosperity attending
 the development and growth of the
 state of Nebraska during its twenty-
 four years of statehood under republi-
 can administration, and which has
 brought us to the front rank
 among the leading states of the
 union; and we can fearlessly assert
 that no state which has been con-
 trolled by democratic power, during
 any considerable time of the same
 period, can compare with us in the
 economical management of public
 affairs, in the rapid ratio of increase
 in population, wealth and general
 prosperity, notwithstanding the
 fact that there are within the
 borders of the state a number of
 dissatisfied persons who took ad-
 vantage of the general financial de-
 pression which swept over the en-
 tire country to pave their way into
 temporary prominence by declaim-
 ing against the welfare of our peo-
 ple and slandering the fair name of
 our state. The rains from heaven
 and the rich soil, vigorously culti-
 vated by the energetic hands of our
 farmers, have produced such boun-
 tiful crops and such unrivaled pros-
 perity that shall silence all calami-
 ty talkers and add to the strength
 and enthusiasm of the republican
 party.

We congratulate President Harri-
 son upon his eminently wise, loyal
 and courageous administration, and
 declare our absolute confidence in
 his integrity, ability and patrio-
 tism, and pledge him our cordial
 support in the discharge of the
 duties devolving upon him as the
 chief magistrate of the nation.

We rejoice in the restoration of
 dignity, vigor and statesmanship in
 the conduct of our foreign affairs
 under the guiding hand of Ameri-
 ca's favorite son, James G. Blaine.

We approve of the silver coinage
 act of the present administration,
 by which the entire product of the
 silver mines of the United States is
 added to the currency of the people,
 but we denounce the democratic
 doctrine of free and unlimited coin-
 age of silver as a financial policy
 liable to precipitate the people of
 every city and every state in the
 Union into a prolonged and disas-
 trous depression, and delay the re-
 vival of business enterprise and
 prosperity so ardently desired, and
 now so apparently near. The free
 and unlimited coinage of silver
 would tend to the loading of gold
 and to force the use of cheap money
 in the payment of wages in every
 workshop, mill, factory, store and
 farm, and tend to the scaling down
 of the wages of the toilers and the
 weakening of the purchasing power of
 the dollar, which would be used to
 purchase the products of the farmer.
 We are in favor of having every
 dollar as good as any other dollar.

We demand the maintenance of
 the American system of protection
 to American industry and labor, the
 policy that has been identified with
 every period of our national pros-
 perity.

We admire the genius of that
 heroic statesman, William McKin-
 ley, Jr., whom the people of Ohio
 will make their next governor as a
 recognition of his magnificent ser-
 vices to the country. We also com-
 mend and endorse that policy of re-
 ciprocity by which the Central and
 South American nations and the
 Spanish Indies are being opened up
 to our trade upon favorable terms
 and by which all the surplus
 products of our country may find a
 market and by which all our people
 shall receive in exchange therefore
 a long line of products which do
 not produce ruinous competition

posed the legislature, the state
 the independent party at Lincoln
 last winter.
 They know that as a lobbyist he
 represented a local monopoly and
 assisted in the defeat of a measure
 which the farmers of the state
 sought to enact into a law.

They know that he joined hands
 with other defeated candidates in
 the effort to steal offices to which
 they were not elected and bolstered
 their claim up by the most brazen
 falsehoods.
 They know that he stood ready to
 pocket the contest fees voted to him
 by the legislature, although he
 knew there was no sort of ground
 for attempting to unseat Attorney
 General Hastings.

They know Edgerton is entirely
 unfit by education, experience and
 associations for any judicial office
 above that of justice of the peace
 They will know more about him
 to his discredit before the campaign
 is over from his own lips if he con-
 tinues his harangues on the stump
 and attempts to explain away the
 unsavory record he has made in
 Stromsburg and South Omaha.
 —Omaha Bee.

THE Cincinnati Enquirer, speak-
 ing of the sugar bounty clause of
 the new tariff law makes the follow-
 ing ridiculous statement:
 "So we pay bounty—an uncon-
 stitutional and outrageous perfor-
 mance on its face—of something like
 \$18,000,000 a year. Where do we get
 that \$18,000,000? Do we pick it off of
 currant bushes? Do we find it in
 the street? The people pay it.
 They pay as much for their sugar
 as they ever did."

This money is not picked "off of
 currant bushes"—certainly not.
 It is paid out of the U. S. treasury.
 But for every \$18 paid the Ameri-
 can farmer for growing sugar
 beets, \$55 is saved, by taking the
 duty off imported sugar. The out-
 rage of which the free trade organ
 speaks consists in placing a tax—
 for a revenue duty is always a tax—
 of \$55,000,000 per year upon a com-
 modity which we cannot produce
 in sufficient quantities but which
 every family must use.

The republican party, true to the
 principle of encouraging home in-
 dustry, pays the American producer
 of sugar two cents bounty per
 pound. In this way our farmers
 are encouraged to diversify their
 products, employ more labor and
 at the same time produce a staple
 commodity for American use. It
 is noticeable that every move of
 the republican party that seeks to
 encourage American industries
 and thus cripple foreign mono-
 polies meets with ridiculous op-
 position of which the clipping
 from this organ is a sample.

CONGRESSMAN BRYAN does not
 favor Edgerton because of his fit-
 ness for the position to which he
 aspires. He knows perfectly well
 that to elevate him to that exalted
 position would have a tendency to
 rob it of the dignity that should
 characterize it; but simply to give
 flavor to his spleenetic envy and
 jealousy he yields to this dishon-
 orable method of knifeing the republi-
 can party. The giddy congress-
 man will awaken to the fact how-
 ever, that honest loyal democrats
 prefer to maintain the dignity and
 stability of our highest court of
 justice by voting for Judge A. M.
 Post.

 We want every mother to know
 that croup can be prevented. True
 croup never appears without a warn-
