Sleepness night made miserable by that terrible cough Shilohs remedy is the cure for you. By F. G. Frick and O. H. Snyder.

Croup frequently finds a household unprepared for its visit, while the remedy with which it develops calls for instant treatment. For this dangerous disease Ayer's Cherry Pectoral is an admirable remedy. It saves many lives every year. Keep it in the house.

A Small Blaze.

The lumber office of J. D. Graves & Co. was found to be on fire at 2:45 this afternoon, but by prompt action of the fire company the flames were soon extinguished. The building was built by J. D. Simpson in 1858, hence, doubtless, one of the oldest buildings in the city.

The fire originated from a defective pipe. The company carries insurance upon the lumber yard but it is not known whether it includes the building or not.

We have sold Ely's Cream Balm about three years, and have recommended its use in more than a hundred special cases of catarrh. The unanimous answer to our inquiries is, "It's the best remedy that I have ever used." Our experience is, that where parties continued its use, it never fails to cure.—J. H. Montgomery, & Co., Druggists, Decorah, Iowa.

When I began using Ely's Cream Balm my catarrh was so bad I had headache the whole time and discharged a large amount of filthy matter. That has almost entirely disappeared and have not had headache since. J. Sommers, Stephney, Conn.

Council Proceedings.

At a special meeting of the city council held last evening the roll call showed all present except Murphy.

The report of the board of public works was read, but no action was taken concerning it.

A petition was presented by Wm. Shea and others for a sidewalk commencing on Clare street, running south on what is called Rock Bluffs avenue to city limits. On motion of Minor the petition was granted.

The report of the judiciary committee to the effect that twenty-one lots in the cemetery were found to be unsold and twelve more lots were recently provided for from the public square, making in all thirty-one. They therefore recommended that the special election previously ordered by the council be postponed 'til the spring election. On motion of Larson the report was adopted.

Browne moved to ascertain whether five acres south of Catholic cemetery could be purchased and at what price. Motion lost.

An ordinance was read for the first time instructing the city engineer to plot the public square in Oak Hill cemetery was placed on file and finally passed.

The report of the finance committee that the following bills be allowed, was adopted:

C & P S Wheeler, hand work..... \$ 10 50
C S Polk, exp case Oleson vs City..... 4 60
Robt Karnes, sal to date..... 21 00
Wm Claus and son, claim on cemetery..... 11 85
Val Burkel & Co, painting sign..... 15 00
A Baxter Smith, building sidewalk..... 240 28

The special committee to whom was referred the matter of the extension of street connecting south end of Ninth street with Porter street, recommended that Ninth street be extended south across lots three and west end of lot forty-nine, thence east to present street across south side lot forty-nine to present street opening. The committee was continued with instructions to investigate further.

On motion the council adjourned.

How Baking Powders are Made.

While rival companies are disputing as to what ingredients are to be found in the "best baking powder," the public will be interested in the following definition of these now indispensable articles as given by Appleton's Cyclopaedia, the acknowledged American authority:

"The best baking powders are composed of bitartrate of potash (cream of tartar) tartaric acid, carbonate of ammonia, and soda bicarbonate, bound together by a little starch."

The twelfth annual convention of the Nebraska State Young Men's Christian Association will meet at Lincoln from Nov. 5th to the 8th. There will probably be 400 delegates present, the object being to engage in bible study and make systematic plans for effective Christian work the coming winter.

Sprague's Comedy Co. was greeted with a full house last night and the audience was repeatedly convulsed with laughter. The company is a talented one and contains some fine vocalists. The solos, duets and quartettes were exceedingly well rendered. The band and orchestra compares favorably with any that has ever appeared in the city.

Yesterday district court convened at 2 p. m. The jury having been excused until 4 o'clock to enable jurors from different portions of the county to make their railroad connections properly. During the afternoon several matters were heard, among which was a motion to vacate an attachment secured by the National bank of Weeping Water vs. Bellows. The testimony of Mr. Woolcot, the cashier of the bank, and of Mr. Beach, was taken orally and the motion to dissolve the attachment submitted. Mr. E. H. Wooley appeared for the motion and Mr. Byron Clark in opposition thereto. Also, an oral argument was listened to in the case of D. S. Draper vs. Walker and Barker. The evidence in this case was submitted on the first day of the term and argument reserved. Messrs. Beeson & Root appeared for Mr. Perry Walker and Mr. E. H. Wooley for Samuel Barker and Mr. Byron Clark for Mr. Draper. Also a jury was empaneled in the case of Jordan P. Stevens vs. Bank of Commerce and C. A. Manker. This is a replevin case and Messrs. Beeson & Root are for the plaintiff and Mr. E. H. Wooley for the defendant.

Special Election Postponed.

At the last regular meeting of the city council a resolution was passed ordering a special election for the purpose of voting upon a proposition to purchase ten acres of land for use as a cemetery. At the special meeting held last evening the judiciary committee reported that there were yet thirty-one lots unsold and in accordance with the recommendation of the committee the special vote, previously ordered was postponed 'til the regular spring election.

THE HERALD believes this was a wise step, if it be positively known that sufficient cemetery ground will be available until after the election. A special election at this time would greatly inconvenience many and create useless expense. The vote could not be taken at the approaching election as a notice of election could not be published in advance as per requirements of the law.

Speed.

As an evidence of the progress being made in penmanship in the city schools thus far we mention a speed contest that took place this morning in the grammar rooms of Miss Wilson and Miss Searl. The word "mum" was selected as the copy, which was written, with the muscular movement, by five pupils 63, 66, 68, 71 and 72 times respectively in 60 seconds, the best time being made by Claude Harris. There was also an average time made by all the pupils of 50 words to the minute. Attend school, thou youth, and get the benefit of this drill.

Married.

COLLINS-CROKER—At the office of the county judges, October 19, at 4:30 o'clock p. m. Mr. Charles Collins and Miss Alice Crocker, Judge Ramsey officiating.

Too Much Drink.

Wm. Dunston was run in by the police last evening. He pleaded guilty to the charge of drunkenness and was fined \$5 and costs. Upon making satisfactory arrangements for the payment of the amount was released from custody.

Next Thursday is the day for registration.

The K. of P. lodge of this city are making arrangements to hold a social at their hall this evening. It promises to be quite a swell affair.

Mrs. C. S. Twiss and Mrs. Frank Boyd were passengers this morning for Lincoln where they will attend the grand lodge meeting of the Daughters of Rebecca, as delegates from the lodge here.

J. W. Berge, editor of the New Era, is in the city today. He reports that his quarters have been paired and they are now in better shape than before the fire. This week's issue of the New Era will appear on the regular day of issue.

The funeral of the late Mrs. Bloodell will be held at the Episcopal church Thursday at 2 p. m. Mrs. Bloodell is perhaps better known as Josie Stademann, a notice of whose death at East Orange, N. J. was recently mentioned in THE HERALD.

The grand encampment of the I. O. O. F. of Nebraska meets in Lincoln to-morrow. The session convenes at 10 a. m. at the temple. The session of the Daughters of Rebekah will begin on Wednesday.
