## MURRAY ITEMS.

BY PANSY.

The M. P. pay car passed through  
Murray Tuesday morning.

It is reported we will soon have  
regular trains on the new road.

Mrs. Lee Oldham departed last  
Thursday for Iowa for a visit with  
one of her sisters.

Mr. Banning's elevator is almost  
complete, and then Murray will be  
able to boast of two elevators.

Mrs. Martha Faught, of Phillips,  
Neb., is visiting at the home of her  
parents, Mr. and Mrs. Jas. Root.

Murray is trying to organize a  
band. We hope it will succeed for a  
good band would be of benefit to  
the place.

Edmunds & Root are daily re-  
ceiving new goods, which they will  
be glad to show to their many  
friends.

Mrs. Conally had the misfortune  
to fall backward down the cellar  
a few mornings ago and is suffering  
from the injury.

Mr. Schrader, our barber, has  
moved to Murray and is now in  
readiness to wait on the wants of  
his customers.

Rev. Graham preached one of the  
most interesting sermons last Sab-  
bath eve that has been our pleasure  
to hear for some time.

Mr. and Mrs. Thomas Rankin,  
who have been sojourning in the  
western part of the state visiting  
children, returned home last Sat-  
urday greatly benefited by their trip.

We notice by the papers several  
good farms for sale in the vicinity  
of Murray. This is a good section of  
country and a good market close at  
hand why not some good enter-  
prising farmers come into our  
midst and live in the land of plenty  
They never would regret the pur-  
chase.

A great many of our democratic  
friends took advantage of the ex-  
cursion that went to Plattsmouth  
last Friday night, to attend the  
rally. A great many more would  
have gone if the train had waited  
until 6 p. m., as a great many could  
not leave their work.

District Court.

In the case of Stevens vs. Bank of  
Commerce, submitted to the jury  
last evening, a decision was ren-  
dered this morning in favor of  
plaintiff, to the extent of \$165 on the  
first action and \$10 on the second.

The forenoon was consumed try-  
ing an appeal case in which A. Ho-  
kins seeks to recover rent on a  
meat market, which he alleges was  
rented by Mr. Woodruff at Weep-  
ing Water.

As we go to press the case of  
Louisa Brakkeage vs. Metta, a  
saloonkeeper of Louisville is pend-  
ing. Mr. Brakkeage alleges that the  
defendant sold her husband liquor  
against her instructions, which  
finally resulted in his death. The  
case will be watched with interest.

plexion, do not know that O. H.  
Snyder can furnish them with Blush  
of Roses, which is clean water, pur-  
ifies the skin, and positively removes  
black heads and all skin diseases

tion to his own position, a responsible New York

## IN SOCIAL CIRCLES

The K. of P. Lodge Entertain invited  
Guests at Their Hall.

A progressive high five party  
was given under the auspices of  
the Gauntlet Lodge No. 47 K. of P.  
at their hall last evening, in which  
ninety invited guests participated.

The K. of P's. have given enter-  
tainments of like nature at former  
times and the apprehensions that a  
pleasant time would be had were  
fully realized by all and the reputa-  
tion made by the lodge for genial-  
ity and hospitality was amply sus-  
tained. The lodge has provided a  
commodious hall and exercised  
care and becoming taste in furnish-  
ing it so that it presents, in a great  
measure, the appearance of a well  
ordered parlor. The room was ap-  
propriately decorated. The chan-  
delliers being encircled with twin-  
ing plants and the walls beautif-  
ully embellished with symbols of the  
order.

The playing commenced at 9  
o'clock and continued until 11:30.  
After a summing up and a com-  
parison of notes it was ascertained  
that Dr. Humphreys and Miss Elsie  
Moore were entitled to the first  
prizes. The gentleman's prize con-  
sisted of a fine silver cup; the  
lady's, an elegant plush handker-  
chief case. The booby prizes were  
received by Frank Morgan and  
Mrs. F. C. Gall. These prizes were  
constructed with a view of amuse-  
ment rather than elegance.

After congratulations had been  
extended the prize winners the com-  
pany repaired to the Hotel Riky  
where oysters were served, after  
which all repaired to their homes  
feeling that the K. of P's. had  
planned and successfully carried  
out the most enjoyable social event  
of the season.

Police Court.

Chief of Police Archer filed a  
complaint against J. L. Dewy in  
the police court this morning  
charging him with drunk-  
ness. He was fined \$2.50  
and costs, amounting to \$8.50, upon  
the payment of which he was re-  
leased from custody.

Thieves Caught.

Three sneak thieves entered the  
clothing store of Jessie Davis at  
Weeping Water yesterday after-  
noon and two members of the  
party asked to be shown a pair of  
pants, and while they were appar-  
ently intensely interested in exam-  
ining the goods Mr. Davis observed  
the third member secrete two  
pair of pants under his coat. He  
was taken before Justice Barr,  
found guilty and sentenced to con-  
finement in the county jail for a  
period of sixty days. The other  
two were discharged.

Matrimonial.

MARRIED - Elder J. M. Wood, of  
Plattsmouth, to Mrs. S. E. Littler,  
of Des Moines, Iowa. Rev. H. W.  
Tilden, pastor First Baptist  
church, officiating.

Elder Wood is too well and favor-  
ably known to our people to need  
any introduction. The bride is the  
widow of Hon. N. Littler, who was  
a prominent leader of public  
opinion in Iowa for many years.  
The elder will arrive in the city  
at the close of the week and oc-  
cupy pulpit next Sunday as usual  
and will doubtless enter upon his  
word with increased zeal.

The tenth annual meeting of the  
Nebraska Woman's Suffrage Associa-  
tion will be held in Hastings, Octo-  
ber 27 and 28, beginning with after-  
noon session October 27.

Each annual convention records  
an increasing public sentiment in  
favor of woman's enfranchisement,  
and a growing concern on the part  
of the women of Nebraska to be in-  
vested with the rights and dignities  
of citizenship. While the advance in  
Nebraska has been in the line of edu-  
cation, the last decade has brought  
many important and direct gains  
elsewhere, to the Woman's Suffrage  
movement, and these should give  
us courage and a fresh determina-  
tion to push forward the work in  
Nebraska, that our state may not lag  
in the onward march of our nation  
toward a more perfect realization of  
the principles of republican govern-  
ment.

The members of the association  
and the friends of woman's suffrage  
throughout the state, should gather  
at this convention for congratula-  
tion at progress already achieved,  
and for counsel as to the steps  
which should be taken to push our  
work to a speedy victory in this  
state. CLARA BEWICK COLBY,  
MARY A. RIPLEY, President.  
Secretary.

## IN INDIANA.

The Nebraska Exposition Astonishes  
the Hoosiers.

A communication to THE HERALD  
from Plymouth, Indiana says that  
the advertising train is meeting  
with as great success as was ex-  
pected by the most enthusiastic  
supporters of the movement. At  
Peoria and Chicago thousands of  
people passed through the cars  
examining the display and were  
delighted with the exhibits.

As was expected, however, as the  
train advances farther east the peo-  
ple become more interested and  
many of them appear to think it  
hardly possible that soil that is so  
productive can be purchased so  
reasonably. Our correspondent  
says that fully 10,000 people have  
passed through the car.

The representatives make a  
special effort to have newspaper re-  
porters form an adequate idea of  
the possibilities of Nebraska soil.

We clip the following from to-  
day's Bee concerning the progress  
of the train after leaving Plymouth:  
"BOURBON, Ind., Oct. 20.-The ex-  
hibition train left Plymouth at 8  
o'clock this morning, reaching  
Bourbon shortly before 9. The  
people of this little city have taken  
complete possession of the cars  
containing the exhibit, and during  
the stop of little more than an hour  
fully 1,000 people have filed through  
the train. It would be almost im-  
possible to give too high a coloring  
to the statement of their surprise  
and enthusiasm or to over estimate  
the benefits probably resulting to  
Nebraska from the trip through  
this portion of Indiana. The train  
has been well advertised in advance  
and the people over the entire route  
have apparently heard of Nebrask-  
a's claims to greatness. Many  
come to the train doubtful and in-  
credulous, but go away convinced  
that Nebraska is fully able to sus-  
tain in every particular the claims  
she has made.

"WARSAW, Ind., Oct. 20.-The ex-  
hibition train made the second stop  
of to-day at Warsaw at 10:30 this  
morning and from start to finish  
the cars have been thronged. More  
than 2,000 people have passed  
through the train here and still all  
could not see who desired. The  
heavy weather of yesterday and  
this morning has cleared a good  
deal and promises to be favorable  
for the afternoon. The advance  
press notices have fully apprised  
the people of the nature of the ex-  
hibit and of the purpose for which  
it is run and there is little distrust  
that it is designed to foster a real  
estate boom or for speculative pur-  
poses. The exhibit is taken at its  
real worth. The printed matter in  
the possession of the delegates is  
sought for eagerly at every stop,  
and none is being wasted."

A WRECK ON THE BURLINGTON.

Passenger Train No. 8 Ditched Near  
Monmouth, Illinois - Six Re-  
ported Killed.

It is reported that No. 8 ran into  
an open switch near Monmouth, Ill.  
about 9 o'clock p. m. Tuesday  
night and the train dived. The  
report further says that five persons  
were killed and a great many  
wounded. The remains of the late  
Mrs. Bloodell whose funeral was to  
have occurred at the Episcopal  
church at 2 p. m. to-morrow was on  
the train enroute for this place. In  
all probability the train will arrive  
here this evening.
